

Patriots and Paupers

Hamburg, 1712–1830

Mary Lindemann

Patriots And Paupers Hamburg 1712 183

H. Glenn Penny

Patriots And Paupers Hamburg 1712 183:

Patriots and Paupers Mary Lindemann,1990-10-04 Patriots and Paupers carefully analyzes a crucial juncture in the history of a great city Hamburg s passage from the pre modern into the modern world Despite the relative wealth of historical literature on Reformation Germany and on Germany after unification few English language histories have addressed the events of the eighteenth and early nineteenth centuries Mary Lindemann here details issues associated with poor relief indigency mendicancy public health labor regulation social control and disciplining then uses these as springboards to broader historical debates She draws out the subtle yet decisive political shift from the paternalistic dirigism of a government of fathers and uncles to the socio economic laissez faire of early liberalism and locates this political metamorphosis firmly within the framework of Hamburg s dynamic economic development and dramatic demographic growth She links these political and social changes to the intellectual cultural and prosopographical contexts of the German Enlightenment Far more than a history of poverty and social welfare policies Patriots and Paupers explores the critical interconnections between economics demographics social change and government in the closing years of the European Old Regime

War in an Age of Revolution, 1775-1815 Roger Chickering,Stig Förster,2010-02-08 The essays in this volume examine the historical place of revolutionary warfare on both sides of the Atlantic focusing on the degree to which they extended practices common in the eighteenth century or introduced fundamentally new forms of warfare

German History Unbound H. Glenn Penny,2022-06-30 Offers a new polycentric vision of modern German history focusing on the great plurality of Germans across Europe and around the world

The Account Books of the Reimarus Family of Hamburg, 1728-1780 (2 vols.) Almut Spalding,Paul S. Spalding,2015-09-01 In The Account Books of the Reimarus Family of Hamburg 1728 1780 Almut Spalding and Paul S Spalding offer a two volume critical edition of domestic records that open windows onto early modern Europe and the Enlightenment They detail economic realities social circles cultural and educational pursuits leisure activities religious communities and institutions in the life of a great city and a distinguished family Volume one consists of the transcription with an introduction and illustrations Volume two is an extensive index Hermann Samuel Reimarus and his daughter Margareta Elisabeth Elise Reimarus carefully maintained these records over fifty years The former was a notable classicist biblical scholar animal behaviorist and freethinker the latter leader of a literary salon educator translator and author

Ideas of poverty in the Age of Enlightenment Niall O'Flaherty,Robin Mills,2024-04-16 This collection of essays examines the ways in which poverty was conceptualised in the social political and religious discourses of eighteenth century Europe It brings together experts with a wide range of expertise to offer pathbreaking discussions of how eighteenth century thinkers thought about the poor Because the theme of poverty played important roles in many critical issues in European history it was central to some of the key debates in Enlightenment political thought throughout the period including the controversies about sovereignty and representation public and private charity as well as questions relating to

crime and punishment The book examines some of the most important contributions to these debates while also ranging beyond the canonical Enlightenment thinkers to investigate how poverty was conceptualised in the wider intellectual culture as politicians administrators and pamphlet writers grappled with the issue *Europäisches Spitalwesen* Martin Scheutz,2008 **Menschen in Bewegung** Harald Kleinschmidt,2002 **Arts & Humanities Citation Index** ,1993 **Assistenza e solidarietà in Europa, secc. XIII-XVIII** Istituto internazionale di storia economica F. Datini.
