Patterns And Policies The Changing Demographics Of Foreign Language Instruction:

Patterns and Policies Judith E. Liskin-Gasparro, 1996 This collection of papers is divided into three parts Part 1 Changing Patterns Curricular Implications includes Basic Assumptions Revisited Today's French and Spanish Students at a Large Metropolitan University Gail Guntermann Suzanne Hendrickson and Carmen de Urioste and *Le Francais et Mort Vive le Francais* Rethinking the Function of French H Jay Siskin Mark A Knowles and Robert L Davis Part 2 Changing Patterns Student Populations includes Do German Students Hold Gender Biases about Their TAs Monika Chavez Teaching Chinese to the Chinese The Development of an Assessment and Instructional Model Scott McGinnis Students Classified as Learning Disabled and the College Foreign Language Requirement a Case Study of One University Richard L Sparks Lois Philips and Leonore Ganschow Changing Demographics in Foreign Language Study and the Impact Upon Two Year Colleges a Case Study from Georgia Carol A Wilkerson and Communication Policy for a Unique Bilingual Community The National Technical Institute for the Deaf Christine Monikowski and Donna E Gustina Part 3 Pedagogical Models includes The Foreign Language Class a Forum for Intercultural Communication Gloria Sawicki and a Cognitive Model for the Teaching of the Literary Elements in the Second Year Language Class Joan F Turner and Glynis Cowell Papers contain references Sm

Decolonizing Foreign Language Education Donalddo Macedo, 2019-01-10 Decolonizing Foreign Language Education interrogates current foreign language and second language education approaches that prioritize white western thought Edited by acclaimed critical theorist and linguist Donalddo Macedo this volume includes cutting edge work by a select group of critical language scholars working to rigorously challenge the marginalization of foreign language education and the displacement of indigenous and non standard language varieties through the reification of colonial languages Each chapter confronts the hold of colonialism and imperialism that inform and shape the relationship between foreign language education and literary studies by asserting that a critical approach to applied linguistics is just as important a tool for FL ESL EFL educators as literature or linguistic theory *Handbook of Undergraduate Second Language Education* Judith W. Rosenthal, 2013-06-17 This volume offers the most comprehensive up to date description of the wide array of second language programs currently available to undergraduate students in the United States and abroad It brings together for the first time detailed descriptions of programs in foreign language English as a second language ESL dual language bilingual American Sign Language Native American and heritage languages Addressing both theory and practice the volume presents the historical development current practices and future directions of each type of program along with detailed case studies For second language teachers academic administrators and teacher educators this Handbook provides information that will be useful in making instructional and programmatic planning decisions *The Future of Foreign Language Education in the United States* Terry A. Osborn, 2002-01-30 At the dawning of the 21st century foreign language education in the United States is experiencing a period marked by exciting possibilities Theorists and practitioners embrace a move from a perceived

position of teaching only the elite to a nationally initiated cross disciplinary and cross cultural orientation embodied in the latest standards Given the presence of non English languages in all parts of the United States a growing number of scholars are beginning to examine the sociological context in which this educational endeavor is carried out noting that the figure of professional practice is inextricably linked to issues of cultural and academic context Theory informed practice in the coming years therefore will include the challenge of examining a broad range of topics related to curricular and instructional principles and procedures The text is intended to provide a collection of perspectives related to issues of pluralism and reform as they will influence theory informed practice of foreign language education in the coming century Drawing from a variety of contributors from both inside and outside of foreign second language education this text brings the voices of scholars together focused on issues of contemporary consequence The chapters center around a focusing theme in the form of the following question How does the changing social and academic context of language education in the United States impact the future of our discipline

Teaching Chinese, Japanese, and Korean Heritage Language Students Kimi Kondo-Brown, James Dean Brown, 2017-09-25 This book contributes to building the research knowledge that language teaching professionals need in developing curriculum for the large population of East Asian heritage students including Chinese Japanese and Korean in countries like the United States Canada and Australia where speakers of East Asian languages are among the fastest growing populations Heritage learners are defined as those who initially acquired certain levels of linguistic and cultural competence in a non dominant language mainly through interaction with foreign born parents and other family members at home Heritage language instruction is currently a hot topic and is becoming a sub discipline within the fields of foreign language education and applied linguistics Special instruction for heritage language learners is on the rise particularly in the U S and Canada Providing theoretical and practical information about heritage language instruction in terms of curriculum design learner needs materials development and assessment procedures the goal of this book is not only to promote research about heritage students in East Asian languages but also to improve the teaching of these students in various educational settings and all over the world especially in English speaking countries The volume is organized in four sections Overview addressing the timeliness necessity and applications of the work and issues and future agendas for teaching Chinese Japanese and Korean heritage students Language Needs Analysis Attitude Motivation Identity and Instructional Preference and Curriculum Design Materials Development and Assessment Procedures Teaching Chinese Japanese and Korean Heritage Language Students is intended as a primary text or reference for researchers educators and students in the areas of curriculum pedagogy and assessment studies related to teaching bilingual and heritage students in general and East Asian heritage students in particular
