INTRODUCTION

Literary work is a picture of human thought that was poured into a media. They are divided into two kinds; informative literature and imaginative literature. Informative literature tell about facts, history, explanation, and great life figure, while imaginative literature are fantasy using connotative language and qualified aesthetic art. Literature includes the writing experimented result within language form to produce creative images or ideas that involve the readers' imagination deliberately and creatively (Goodman, 2001). Literature an expression of an author's expression in the form of written or oral work, based on the author's thoughts, opinions, experiences, in an imaginative form through language media. Literary works have benefits for human life because they can entertain, add knowledge and enrich readers' insights.

The main generic of literary work is divided into three kinds, namely poetry/poem, prose, and drama/movie. Different from poetry and novel that consist of written text, movie is a more complete mass media because it uses moving pictures and sounds to tell a story. (Hornby, 2005) explains that movie is a series of moving pictures recorded with the sound that tells a story shown on television or at the cinema or theater. According to (Sapp, 1986) movie is a motion picture which is considered as a source of entertainment or as an art form. Movie does not only tell a story or provide entertainment but also give a unique and interesting artwork due to the ideas that are poured in the form of live images.

Movie could be used as a form of entertainment, critics, propaganda, political and advertising tools, and as well as education tools. Educational messages in a movie could be used as means of learning to inculcate moral values. In general, the most important element in a movie is
