## **Patton's Third Army At War:**

**Patton's Third Army at War** George Forty, 2015-04-19 The story of Gen George S Patton's magnificent Third Army as it advanced across Nazi occupied Europe and into Hitler's redoubt. Includes photos. As America's own answer to the Blitzkrieg Third Army's actions from the Normandy coast across France and Germany to Austria gave a new dimension to the term fluid warfare. They only needed one general order to seek out the enemy trap and destroy them. This they did relentlessly overcoming every obstacle thrown in their way. Third Army's story is one of teamwork of armor, infantry and aircraft working together with a perfection that amazed even the Germans who'd always considered themselves the masters of the mobile offensive. Though Third Army is often remembered for its tank spearheads like the 4th Armored Division, these pages also give credit to the brave infantry divisions which butted their heads against fortresses such as Metz with ultimate success. It is also the story of a triumph of administration as thousands of trucks carried forward the vital supplies to keep the army on the move and fighting. When a German counteroffensive nearly burst through the US lines in the Ardennes, it was Patton's Third Army that turned on its heel and immediately drove in the Bulge, ending Hitler's last great hope for success in the west. Afterward, nothing could stop it as it crossed the Rhine and overran the Reich. Much of Third Army's greatness, driving force and will to win, was owed to one man: Gen George Smith Patton Jr. and a significant part of this book is devoted to him alone. In these pages, a renowned military historian gives a vivid impression in words and pictures of what it was like to live and fight with Patton's men. Full of eyewitness accounts, photographs and maps, it relates the full story of how America's most dynamic fighting formation led the Allied effort against the Nazis' seemingly invincible European empire. [Patton's Third Army at War](#) Continuum International Publishing Group, Limited, George Forty, 1994-09 *General Patton's Third Army in World War II* Charles M. Province, 2010-05-27 A short history of General George S Patton Jr's US Third Army during its combat years of World War II. Written for an audience of youngsters of Middle and High School. **Patton's Third Army** Christopher J. Anderson, 1997-01 Each volume in this ongoing series combines detailed and informative captions with over 100 rare and unusual images. These books are a must for anyone interested in American military uniforms. *Patton's Third Army in World War II* Michael Green, James D. Brown, 2010-09-02 Patton was champing at the bit to lead the D Day invasion, but Eisenhower placed him in command of a decoy unit, the First US Army Group. Nearly seven weeks after D Day, Patton finally got his chance to take Third Army into battle. He began a ten-month rampage across France, driving through Germany and into Nazi-occupied Czechoslovakia and Austria. Along the way, Third Army forces entered the Battle of the Bulge, breaking the siege of Bastogne. It was a turning point in the war, and afterward, the Third Army pushed eastward again. Patton's Third Army in World War II covers Patton's command of Third Army with a focus on the armor. It was a new style of fighting, avoiding entrenched infantry warfare by continuously pushing forward, and it appealed to Patton's hard-charging personality. Archival photos along with frequent quotes complete the portrait of Patton as well as his men as they fight their way across

Sullivan, 2003-04-14 As the United States Third Army's tanks moved through Avranches no one not even the Third Army's commander Lieutenant General George S Patton could have foreseen that it was the start of one of the most successful offensives of World War II an offensive that received a great deal of help from the air As Patton later wrote to the chief of the Army Air Forces For about 250 miles I have seen the calling cards of the fighter bombers which are bullet marks in the pavement and burned tanks and trucks in the ditches This book covers the units in the Ninth Air Force which gave close air support to the Third Army and the Third Army's campaign in France from August to November 1944 with special emphasis on how support from the air helped the Third Army continue pushing toward the German border The difficult logistics of the operation are discussed in detail Both the Ninth Air Force and the Third Army were hurt by a lack of materiel especially gasoline and this affected the offensive      **Patton and His Third Army** Brenton G.
