Atkinson,2019-10-18 Texas singer songwriter Hayes Carll declared Ray would be at the top of the list if I were gonna read about somebody s life In The Messenger The Songwriting Legacy of Ray Wylie Hubbard author journalist and music producer Brian T Atkinson demonstrates why Carll and so many others hold Ray Wylie Hubbard in such high regard Atkinson takes readers into and beyond the seedy bar in Red River New Mexico where the incident occurred that inspired Hubbard s most famous song Redneck Mother Hubbard tells the stories and Atkinson enlists other musicians to expound on the nature of his abiding influence as songwriter musician and unflinching teller of uncomfortable truths Featuring interviews with well known artists such as Eric Church Steve Earle Kinky Friedman Chris Robinson and Jerry Jeff Walker and also mining the insights of up and comers such as Elizabeth Cook Jaren Johnston Ben Kweller Aaron Lee Tasjan and Paul Thorn The Messenger makes clear why so many musicians across a wide spectrum admire Ray Wylie Hubbard Readers will also learn why Redneck Mother the song that put Hubbard on the map for most listeners is also a curse of sorts in its diminution of both his spiritual depth as a lyricist and his multidimensional musical reach As Hubbard himself says The song probably should have never been written let alone recorded let alone recorded again the most important part of songwriting is right after you

FemPoetiks of American Poetry and Americana Music Linda Nicole Blair,2021-06-10 From the poems of Anne Bradstreet Phillis Wheatley and Emily Dickinson emerges what the author calls FemPoetiks a discourse of female empowerment Situating the work of these poets in their historical eras Linda Nicole Blair considers a sampling of their poems side by side with a number of song lyrics by singer songwriters Brandi Carlile Rhiannon Giddens and Lucinda Williams having found commonalities of theme motif and language between them Blair argues that while FemPoetiks has continued to develop in various ways in American poetry by women the fact that this discourse finds expression in songs by Americana female artists indicates a matrilineal line of influence from the 1630s to today In order to show the omnipresence of this powerful feminist discourse she closes this book with eleven interviews she conducted with female singer songwriters from around the United States The phenomenon of FemPoetiks is not limited to the arts but extends into all areas of American life from the domestic to the political FemPoetiks is a woman s truth **Luminato** ,2011 Luminato began as a dream said its co founder David Pecaut a dream that each year Toronto would invite the world to join us in celebrating creativity And from its first season in 2007 the annual June festival has set out to do exactly that An annual multi disciplinary celebration of theatre dance music literature food visual arts fashion and film Luminato has become known for its free widely accessible events and accidental encounters with art In five short years the festival has drawn local national and international talent and showcased the work of both emerging and established artists Written by acclaimed author David Macfarlane this visually
