**Paul's Letter to the Philippians in the Light of Disunity in the Church** Davorin Peterlin,2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul's response in his letter The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul It demonstrates the pervasiveness of the theme of disunity in most sections of the letter The second part correlates these findings with sections of the letter dealing with the Philippians financial support for Paul It treats such topics as Paul's attitude to money and the sociological composition of the church The book's aim is to draw attention to social and non theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians

**Saint Paul's Epistle to the Philippians. a Revised Text and Introduction Notes, and Dissertations** J. B. Lightfoot,1873

*The Price of Partnership in the Letter of Paul to the Philippians* Mark A. Jennings,2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul's argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations

*Empowered by Joy* Paul S. Jeon,2012-06-08 The temptation to give up while running the race of faith is all too real Despite our best attempts to be faithful witnesses of the gospel of Christ we oftentimes feel overwhelmed by discouragement and doubt Empowered by Joy is a devotional inspired by Paul's letter to the Philippians It focuses on how we can enjoy an endless stream of joy through our relationship with Christ and thus experience power to fulfill our calling to make known the good news of God

**Apostle to the Philippians** Handley Carr Glyn Moule, 1918      **Commentary on Paul's Letter to the Philippians** Zack Meaders Guess, 2017-10-17 Pastor Guess has been preaching for over fifty years and considers it a great privilege that God called him into the ministry During this time he has had a love affair with the Word of God Early in his ministry he was drawn to Paul's Epistle to the Philippians This church was extremely generous and helpful to Paul It was obviously a favorite church of Paul Brother Guess began to study the book and eventually memorized it He has preached through it several times He wrote this commentary as a labor of love He also loves the Koine Greek that the Lord used in the inspiration of the New Testament In writing this commentary he has heavily drawn from many of the divinely inspired grammatical constructions that cast much light on this epistle Also he has done extensive Greek word studies that provide a spiritual gold mine Any New Testament assembly that wants to please the Lord would do well to study and emulate this delightful church that caused the beloved apostle such joy      **St. Paul's Epistle to the Philippians**, 1869      **A Handbook on Paul's Letter to the Philippians** I-Jin Loh, Eugene Albert Nida, 1995      **A Roman Commentary on St. Paul's Letter to the Philippians** Richard J. Cassidy, 2019-09-03 Paul writes his letter to the Philippians referencing two related forms of persecution The Christians of Philippi are experiencing persecution by the Roman authorities who govern the Philippi Paul himself is experiencing persecution by the Roman authorities the Roman emperor's praetorian guard in Rome Roman persecution is thus the fundamental context for his letter Paul's most basic premise in this letter is to hold high the slave Jesus Christ In perhaps the most moving passage he ever wrote Phil 2:6-11 Paul delineates that Jesus did not count equality with God something to be grasped at but rather empties himself taking the form of a slave and embracing crucifixion the slave's form of death Accordingly God has raised Jesus to the highest place and has caused all on the earth above the earth and under the earth to bow at the name of Jesus and to proclaim that Jesus alone is Lord to the glory of God the Father Very significantly Paul affirms that Christian slaves are ennobled by Jesus initiatives Because these slaves now join the other Christian citizens in having citizenship in heaven Paul's letter constitutes a radical threat to the Roman imperial authorities in this way as well

Paul's Joy in Christ A. T. Robertson, 1917      **A Commentary on St. Paul's Epistle to The Philippians** Alfred Plummer, 1997-03-19 Plummer's concern is to let the message of Philippians speak for itself often making reference to the original language when greater insight into the meaning of the passage can be gained Plummer provides an excellent balance between exegesis and exposition making this book a valuable tool for the study of Paul's letter to the Philippians

**The Epistle of Paul to the Philippians, Practically Explained** Augustus Neander, 2009-05-07      *The Epistles of St. Paul to the Philippians and to Philemon* Valentine David DAVIS, 1889      **Sacra Pagina: Philippians and Philemon** Bonnie B. Thurston, Judith Ryan, 2016-03-16 Although relatively brief Philippians is one of the most interesting and beloved of Paul's undisputed epistles In Philippians and Philemon Bonnie Thurston makes a convincing case that canonical Philippians is as Paul wrote it one letter Although there is not enough specific evidence to name names she suggests a number of possible

audiences A translation conforming as closely as possible to the original Greek is provided along with a careful analysis of the language of the letter that yields insights into the context and theological underpinning of this epistle The apostle s very brief letter to Philemon stands solidly within the Pauline collection of authentic and canonical letters In this volume Judith Ryan argues that Philemon makes two specific appeals The first seeks to elicit Philemon s partnership and his community s support in welcoming Onesimus back as both beloved brother and honored guest The second requests that Onesimus be allowed to use the freedom he already has to serve Christ and his Gospel In this commentary Ryan provides a fresh translation critical notes for each verse and interpretation on defined sections She situates the letter in the historical context of slavery in the ancient world and shows how Paul combined his theology with contemporary rhetorical strategies to produce an effective challenge to his audience Bonnie B Thurston PhD lives in West Virginia in solitude She is ordained in the Christian Church Disciples of Christ and the author of several books including *The Spiritual Landscape of Mark* and *Religious Vows the Sermon on the Mount* and *Christian Living* Liturgical Press and *Preaching Mark* Fortress Press Judith M Ryan PhD STL is associate professor of New Testament at the University of St Thomas School of Theology at St Mary s Seminary Houston Texas Previously she taught at Catholic University of America Fordham University the University of Scranton College Misericordia and St Mary s Seminary and University Baltimore Maryland
