Dillon T. Thornton, 2016-07-30 Virtually all scholars acknowledge the presence of opponents in 1 and 2 Timothy but there is considerable disagreement over the identity of these opponents and the author's way of handling them In this volume Thornton provides a critique of a number of extant theories including Gnostic Jewish and proto Montanist identifications and develops a rigorous methodology for unmasking the opponents who appear in these letters He argues that the opponents came from within the Christian community in Ephesus and that their teaching is best described as an erroneous eschatological position that derived from the complexity of Paul's views He also argues that the author of the books of Timothy engaged with the false teachers in significant ways throughout the letters and draws attention to a number of literary and theological maneuvers that were intended to counteract the opponents influence and or to bolster the faithful community's confidence as it struggled against the opponents Thornton's meticulous investigation sheds new light on the hostility that plays such a large part in 1 and 2 Timothy

Answer the Prayer of Jesus John P. Lathrop, 2011-02-14 God has accomplished many great things through the church but can the church be even more effective Is there something the church can do to be both more pleasing to the Lord and more productive Answer the Prayer of Jesus speaks to these questions The church can be more effective if it seeks to answer the prayer of Jesus in John 17 Unity is important to the mission of the church of Jesus Christ In this book both the challenges and possibilities of unity are examined Drawing from

Scripture and his experiences of contemporary church life the John Lathrop gives specific examples of unity He also offers practical advice about how one can become part of the answer to the prayer of Jesus This book will enable you to see a small portion of what God is doing in the world today and will encourage you to become part of it      **Words of Faith** Byrne, Brendan J., SJ, 2023 This work offers over 100 concise discussions of key Pauline words and concepts Its primary focus lies on the seven undisputed letters though material in the remaining letters traditionally attributed to Paul especially Ephesians and Colossians while treated separately is not neglected While accuracy has required reference to the relevant Greek words in each case the use of transliteration renders the work accessible to nonspecialists and students as well to established scholars Each entry is completed with an up to date indication of further reading in the area concerned Compiled from a distinctly theological perspective and the product of over five decades of research and teaching in Pauline studies the vocabulary is an indispensable resource for scholar and student alike      *Discovering Biblical Equality* Ronald W. Pierce, Rebecca Merrill Groothuis, Gordon D. Rogerson, Mark Daniel Carroll R., Margaret Davies, 1995-12-01 The Bible has influenced contemporary culture both positively and negatively The present volume is a collection of papers that were discussed at an international colloquium on the use of the Bible in Ethics in the Department of Biblical Studies at the University of Sheffield in April 1995 Participants came from many parts of the world and from different backgrounds and the papers reflect their varied interests and the contexts in which they work The contributors in addition to the three editors are John Barton Bruce Birch Mark Brett Mark Chapman David Clines Philip Davies Cheryl Exum Stephen Fowl Norman Gottwald John Haldane Walter Houston Sharon Ringe Chrisopher Rowland Lisa Sowle Cahill and Gerald West      *The Message of Love* Patrick Mitchel, 2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly

complex and challenging concept to understand let alone live out faithfully Patrick Mitchel's conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5:6 NIV Mitchel's exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church's calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible's teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible's unified teaching on this vital theme can impact your life today Scripture, Texts, and Tracings in 1 Corinthians Linda L. Belleville, B. J. Oropeza, 2019-07-17 This book advances the interpretation of 1 Corinthians by exploring the ways the apostle Paul quoted or echoed Jewish scriptures more indirectly in his letter Identification of allusions are brought to the fore as are questions of the texture of Paul's theology and his understanding of scripture Important topics in 1 Corinthians addressed here include Paul's use of the Law monotheism Christology wisdom and mystery language punishment of the incestuous man baptism for the dead eschatology and resurrection **Acts: An Exegetical Commentary : Volume 1** Craig S. **Evangelical Feminism?** Wayne Grudem,2006-09-13 By critically examining the writings of egalitarians Grudem shows that while egalitarian leaders claim to be subject to Scripture in their thinking what is increasingly evident in their actual scholarship and practice is an effective rejection of the authority of Scripture Egalitarianism is heading toward an Adam who is neither male nor female a Jesus whose manhood is not important and a God who is both Father and Mother and then maybe only Mother The common denominator in all of this is a persistent undermining of the authority of Scripture in our lives Grudem s conclusion is that we must choose either evangelical feminism or biblical truth We can t have it both ways
