Paul of Tarsus Challenges Us Anthony C. Mbanefo MSP PH.D, 2018-02-06 This is a great exposition on the life of Saint Paul the great preacher and missionary There is no doubt that

Saint Paul is one of the most imposing New Testament models that impacted modern Christian living. The writer here does not only give an exposition of the life of Paul of Tarsus but in a very splendid manner makes him an example of Christian living today, putting together all the ingredients that are found in the life and teaching of Saint Paul. The writer shows in this work that he is a great believer in what Saint Paul says and commands others to be imitators of me as I am of Christ. In this writing, the author beautifully and skillfully demonstrates not only a great familiarity with the man in the Bible, Paul, but also showed a great ability in linking Paul's spirituality with contemporary Christian living. Drawing a lot of materials from his numerous epistles in the New Testament as well as other sources from both Old and New Testament, this publication is a useful tool in the study of the Christian theology of Saint Paul. The Pauline background of the writer, in addition to his academic competence, is showed in this beautiful work on Saint Paul. For all who aspire to a deeper knowledge of the man of Tarsus called Paul and to those who desire to assimilate his numerous virtues in their lives, this book is a wonderful companion.

The Apostle Paul and the Christian Life Scot McKnight, Joseph B. Modica, 2016-02-23. The new perspective on Paul, an approach that seeks to reinterpret the apostle Paul and his letters against the backdrop of first century Judaism, has been criticized by some as not having value for ordinary Christians living ordinary lives. In this volume, world renowned scholars explore the implications of the new perspective on Paul for the Christian life and church. James D. G. Dunn, N. T. Wright, Bruce Longenecker, Scot McKnight, and other leading New Testament scholars offer a response to this question: How does the apostle Paul understand the Christian life? The book makes a fresh contribution to the new perspective on Paul, conversation and offers important new insights into the orientation of the Christian life.

The Problem with Paul Brian J. Dodd, 1996-04-22. People outside the church have often found Paul hard to stomach. His views on women, sex, and marriage, his failure to attack the institution of slavery, his verbal attacks on his opponents, have all come under fire. Regrettably, Paul hasn't always fared that much better among believers who themselves like the apostle Peter sometimes wonder what to make of him. Let's face it, Paul just isn't politically correct. Brian Dodd offers a fresh look at the somewhat enigmatic and misunderstood Paul. With a pastor's heart and a scholar's insight, he helps us to bridge the gap between Paul's world and our own, providing the perspective we need to begin to make sense of Paul, the man and his message. Whether you stand outside the church looking in or whether even from the inside you struggle to make sense of Paul in the contemporary world, *The Problem with Paul* will deepen your understanding and help you to grapple with one of the New Testament's most important authors.

Paul's Vision of Church Helen Doohan, 2016-06-03. The church always seeks to renew itself and redefine the dedication to the values that Jesus hoped the church would live and promote. Paul in the Jewish Imagination Daniel R. Langton,2010-03-22 The Apostle Paul in the Jewish Imagination is a pioneering multidisciplinary examination of Jewish perspectives on Paul of Tarsus Here the views of individual Jewish theologians religious leaders and biblical scholars of the last 150 years together with artistic literary philosophical and psychoanalytical approaches are set alongside popular cultural attitudes Few Jews historically speaking have engaged with the first century Apostle to the Gentiles The modern period has witnessed a burgeoning interest in this topic however with treatments reflecting profound concerns about the nature of Jewish authenticity and the developing intercourse between Jews and Christians In exploring these issues Jewish commentators have presented Paul in a number of apparently contradictory ways

The Apostle Paul in the Jewish Imagination represents an important contribution to Jewish cultural studies and to the study of Jewish Christian relations Reframing Paul Mark Strom,2000-10-12 Mark Strom unveils Paul in his original context and invites us to engage with him in new terms He courageously draws Paul into vital conversation with contemporary evangelicalism This book is for anyone who wants to learn how the church can be an attractive community of transforming grace and conversation *Going Places with Paul* Donald C. Fleming,2003 *Transformed in Christ* Ron Elsdon,William Olhausen,2021-06-02 Is your faith countercultural When he wrote his first epistle to the church in Corinth Paul wanted to address two cultural issues that the Christians in the city were wrestling with prosperity and entertainment He urged the young believers struggling in the midst of Graeco Roman society to live lives shaped by Christ Believers today are not immune to these same worldly temptations the Corinthian church was facing In *Transformed in Christ* 1 Corinthians Ron Elsdon and William Olhausen show us how Paul uses the cross to define the distinctive patterns of life and behavior which Christians are called The transformation that comes from cross shaped wisdom is not a singular moment in a believer s life but a continual process of refinement The result is a living countercultural faith marked by discernment wisdom and love
