**The Faith Adventure** Lee Hunter,2024-06-10 Here are faith building stories from 45 years of ministry experience traveling in over 30 countries most of which are hostile to the Gospel of Jesus Christ We have seen God blind the eyes of border guards from finding Bibles and Christian literature destined for underground and house church Christians Being directed by His Spirit when confronted with danger that could find us jailed or worse In addition to these experiences we have been invited to conduct healing festivals where sick blind deaf and many other infirmities are healed by our God who answers prayer on behalf of others These crusades take place in areas that are so remote the people who live there have not seen a white person Yet they come in the hopes their lives will be touched they experience healing and their lives are changed Imagine

what it is like to see a little girl raised from the dead Even though it may be illegal to convert others to Christianity when the people see the miracles and hear about Jesus Christ who is the healer the people want to commit their lives to Him Our team also provides leadership training to tribal leaders who do not have access to Bible schools or colleges Some of these tribal leaders will walk for days through dangerous jungles to meet with us and enjoy practical Bible training This book talks about experiences like this which have built the faith of the author and will strengthen yours also **NIRV, Adventure Bible for**
