## **Paul Kanes Great Nor West:**

**Paul Kane's Great Nor-West** Diane F. Eaton, Sheila Urbanek, 1995 Determined to document the lives and customs of the Native people of the Northwest before contact with white settlers changed them forever the Canadian artists Paul Kane set out in 1845 to cross the continent with no companions but my portfolio and a box of paints my gun and a stock of ammunition Travelling by canoe and snowshoe on foot and on horseback via the Hudson s Bay Company fur brigade routes he made his way from the Great Lakes to the Pacific coast and back again When he returned to Toronto in the fall of 1848 he brought back some five hundred field sketches and a remarkable collection of artifacts which he used as raw material for one hundred oil paintings depicting scenes of Native life While the carefully executed oil paintings are deliberately romanticized images of the West that conform to nineteenth century standards of taste the original field sketches which are not widely known are fresher more objective and authentic more direct and undeliberated A fascinating complement to the sketches is a small diary that Kane kept while on his journey Brief and plainspoken its entries were jotted down with idiosyncratic spelling and punctuation In 1859 Kane published a journal based on these notes which became a bestseller in Europe and North America In Paul Kane s Great Nor West Diana Eaton and Sheila Urbanek recreate Kane s heroic journey and bring to life the people and places he encountered Their narrative supplies the historical context to illuminate his travels while frequently drawing on Kane s own words from his diary and published journal The voice of the artist himself is heard in descriptions of one of the last great buffalo hunts of a desperate winter crossing over the Rockies of the impassioned crying of war of a Cree chief and of many other unique experiences Illustrated with a wide selection of the field sketches as well as his better known oil paintings Paul Kane s Great Nor West reintroduces this remarkable artist to a modern audience It not only celebrates his extraordinary journey but also creates a unique and immensely varied panorama of the nineteenth century Great Nor West

starting a book and could use some help with it Over the course of a long winter and many toasty afternoons by the fire they searched for found prepared and put together what has become a very personal and thoughtful one of a kind memoir It s not until you have the whole story that you really understand how the pieces all fit together says Dylon Whyte It s also difficult to put everything into perspective when you re part of the story Getting to the point where I can hold a part history in my hands helps me understand where I come from When Jack and Dylon started producing the book it was just a collection of stories and images but with months of collaboration and hard work they have created an album that is delightfully personable and genuinely familiar Jack tells you about the experiences that influenced him as an artist and includes all sorts of fun stories from his life says Ashley Whyte wife of Dylon and proprietor of the Whytes gallery on the waterfront in the Gore Bay Harbour Centre There is also an abundance of never before seen photographs and a wealth of artwork When Jack named it Scrapbook he really meant it Coming in at a whole 456 pages Scrapbook was digitally published in June of this year and is available online for everyone to read for free Although it was only meant to be a digital publication new economic platforms have given Scrapbook the opportunity to become something more than just a concept The book is obviously quite big and financing a print run on our own wouldn t be viable so we talked about other options and crowdfunding came up as a potential explains Ms Whyte It s an incredibly different approach than anything Jack is familiar with he has always done things on his own It wasn t until only recently that we knew something like this even existed Crowdfunding is the process of funding your projects through small contributions made by many individuals in order to attain a certain monetary goal typically via the internet The model that has been around the longest is rewards based crowdfunding where people can donate and receive goods in recognition of their support Ashley and Dylon Whyte have taken Scrapbook to RocketHub a platform specializing in arts and entertainment to seek help in bringing Jack s story to life They ve launched their campaign and are working to raise 11 500 to cover the costs of printing a limited edition hardcover In the meantime Scrapbook remains free for everyone to read online and enjoy For more information about Scrapbook and how you can help please visit their Rockethub campaign at [scrapbookwhytesonline.com](http://scrapbookwhytesonline.com)
