## **Paul McCartneys Give My Regards To Broad Street:**

*Paul McCartney's Give My Regards to Broad Street* Paul McCartney, 1984 , That Was Me Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented *That Was Me* explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today The Words and Music of Paul McCartney Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970 2007 offers an analysis of his songs recordings and his impact on popular music *The Words and Music of Paul McCartney The Solo Years* examines the large and varied oeuvre of this deeply personal artist showing how McCartney s stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four After a biographical introduction chronologically arranged chapters explore McCartney s music in the immediate aftermath of the breakup of the Beatles his work with Wings during the 1970s his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music The examination also covers McCartney s critically acclaimed work in the first decade of the 21st century including *Memory Almost Full* and *Ecce Cor Meum* a composition written in the style of sacred English choral music Throughout the book supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail *The Beatles: Off The Record 2 - The Dream is Over* Keith Badman, 2009-12-15 This book compiles more outrageous opinions and unrehearsed interviews from the former Beatles and the people who surrounded them Keith Badman unearths a treasury of Beatles sound bites and points of view taken from the post break up years Includes insights from Yoko Ono Linda McCartney Barbara Bach and many more *The Unknown Paul McCartney* Ian Peel, 2013-04-02 Internationally acclaimed knighted and immortalised in music s pantheon Paul McCartney nevertheless remains one of the least fully appreciated of modern icons Throughout his career McCartney has initiated and participated in projects that have taken him very far away from the kind of music associated with his career in The Beatles in Wings and as a solo artist From as far back as the 1960s there have been experimental solo projects both under his own name and incognito These include the legendary Carnival of Light sixties freak out the Percy Thrillington diversion in the 70s techno ambient and chill out releases as The Fireman pure noise performance art as well as less publicised activity much of which Ian Peel now reveals in depth in print for the first time What emerges is a unique critical insight into an apparently

over familiar public figure Paul McCartney avant garde musician Undertaking extensive research for this book Ian Peel interviewed many of McCartney's intimate musical associates from this less familiar side of his career including Super Furry Animals on their carrot chewing percussion and electronic sound collage collaborations Youth the three times BRIT nominated producer speaks in depth for the first time ever on his two albums of techno ambient and chill out recorded with McCartney as The Fireman Nitin Sawhney on McCartney's first tentative steps into drum bass holed up in Sawhney's London bedsit Richard Hewson breaks a 20 year silence on the Thrillington project and pseudonym David Vaughan the renowned psychedelic artist and organiser of 60s happenings airs his strong views on Carnival of Light The Beatles most legendary unreleased track Other interviewees include Yoko Ono bassist Herbie Flowers Gong's Daevid Allen Frank Zappa's guitarist Mike Keneally JJ Jeczalik Art of Noise and members of Wings

A Walk Down Abbey Road Denny Somach,2020-03-10 This book is a celebration of the impact and influence the Beatles have had on their generation and the one that followed on both sides of the Atlantic It contains interviews with major recording stars including the Rolling Stones Sting Billy Joel Eagles Steven Tyler Brian Wilson Jimmy Page Elton John David Bowie and others who were witness to history A Walk Down Abbey Road also contains interviews with the four Beatles What sets this book apart from all others is the wide variety of exclusive interviews A Walk Down Abbey Road contains personal recollections and memories from major music personalities as told directly to the author It is not designed to go head to head with any of the Beatles biographies or critiques but to provide a multifaceted set of viewpoints Over the years the author has worked with the individual members as well as Yoko Ono Sean Lennon and Julian Lennon His Beatles experience is firsthand The material is augmented with brief set ups and photos to compliment the interviews Micky Dolenz the drummer and lead vocalist with the rock band The Monkees has written the forward Micky is currently touring with Mike Nesmith celebrating the music of The Monkees

Paul McCartney After the Beatles: A Musical Appreciation Adrian Allan,2019-07-10 This is a musical analysis of Paul McCartney from 1970 to today It is aimed at students of popular music theory educators musicians and aspiring songwriters It will also appeal to the general Beatles and McCartney fan who wishes to understand music on a deeper level A beginner's guide to music theory and glossary are provided Eighty of McCartney's post Beatles songs are discussed in the format of short but accessible essays For each song full details are provided concerning date of release place of recording instrumentation and key signature The description for each song details the musical techniques that McCartney uses such as chord patterns structure use of instruments vocal harmony tonality and key changes In addition every chapter details his life and work in each decade A conclusion identifies the main characteristics of McCartney's style The appendix details every recording location used An invaluable guide to the music of the world's most successful songwriter
