Paul The Interpreter:

Paul, the Interpreter of Christ A. T. Robertson, 1921 **The Conversion of the Imagination** Richard B. Hays, 2005-07-13 The Conversion of the Imagination contains some of the best work on Paul by first rate New Testament scholar Richard B Hays These essays probe Paul s approach to scriptural interpretation showing how Paul s reading of the Hebrew Scriptures reshaped the theological vision of his churches Hays s analysis of intertextual echoes in Paul s letters has touched off exciting debate among Pauline scholars and made more recognizable the contours of Paul s thought These studies contain some of the early work leading up to Hays s seminal *Echoes of Scripture in the Letters of Paul* and also show how Hays has responded to critics and further developed his thought in the years since Among the many subjects covered here are Paul s christological application of Psalms Paul s revisionary interpretation of the Law and the influence of the Old Testament on Paul s ethical teachings and ecclesiology **PAUL THE INTERPRETER OF CHRIST** A. T. Literature and associate editor of the Catholic Biblical Quarterly *Paul the Interpreter of Christ* Archibald Thomas Robertson, 1976 **Theology and the End of Doctrine** Christine Helmer, 2014-01-01 This book is about the crisis brought about by doctrine's estrangement from reality that is from actual lives experiences histories and from God By invoking the end of doctrine Christine Helmer opens a new discussion of doctrinal production that is engaged with the challenges and possibilities of modernity The end of doctrine refers on the one hand to unquestioning doctrinal reception which Helmer critiques and on the other represents an invitation to a new way of understanding the aim of doctrine in deeper connection to the reality that it seeks The book's first section offers an analysis of the current situation in theology by reconstructing a trajectory of Protestant theology from the turn of the twentieth century to today This history focuses primarily on the status of the word in theology and explains how changes in theology in the context of the political and social crisis in Europe in the 1920s and 1930s led to a distancing of the word from reality Helmer then turns to the constructive section of the book to propose a repositioning of theology to the world and to God Helmer's powerful work will inspire revitalized interest in both doctrine and theological inquiry itself The New Interpreter's® Handbook of Preaching , 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice **Unveiling the Apocalyptic Paul** R. Barry Matlock, 1996-02-01 Apocalyptic is a key concept for 20th century interpretation of Paul embracing several major figures and strands of inquiry But the category apocalyptic has itself of late come in for scrutiny which in turn reflects back on apocalyptic interpretation of Paul This study offers a review of interpretation ranging beyond Pauline studies to address apocalyptic interpretation generally Sustained attention to what interpreters are doing with this category placed alongside what is claimed as being done reveals a hermeneutical story of considerable interest and wide relevance which situates the whole interpretive dialogue **Paul and the Faithfulness of God** N. T. Wright, 2013-11-01 This highly anticipated two book fourth volume in N T Wright's magisterial series Christian Origins and the Question of God is destined to become the

standard reference point on the subject for all serious students of the Bible and theology The mature summation of a lifetime s study this landmark book pays a rich tribute to the breadth and depth of the apostle s vision and offers an unparalleled wealth of detailed insights into his life times and enduring impact **Transition** ,1927 **Transition** Eugène Jolas,1927

Galatians and Christian Theology N. T. Wright,Mark W. Elliott,Scott J. Hafemann,John Frederick,2014-09-09 The letter to the Galatians is a key source for Pauline theology as it presents Paul s understanding of justification the gospel and many topics of keen contemporary interest In this volume some of the world s top Christian scholars offer cutting edge scholarship on how Galatians relates to theology and ethics The stellar list of contributors includes John Barclay Beverly Gaventa Richard Hays Bruce McCormack and Oliver O Donovan As they emphasize the contribution of Galatians to Christian theology and ethics the contributors explore how exegesis and theology meet critique and inform each other **Jesus & Paul** J. W. Fraser,1972 Paul and the Miraculous Graham H. Twelftree,2013-09-15 How can we explain the difference between the miraculous Christianity expressed in the Gospels and the nearly miracle free Christianity of Paul In this historically informed study senior New Testament scholar Graham Twelftree challenges the view that Paul was primarily a thinker and reimagines him as an apostle of Jesus for whom the miraculous was of profound importance Highlighting often overlooked material in Paul s letters Twelftree offers a fresh consideration of what the life and work of Paul might teach us about miracles in early Christianity and sheds light on how early Christians lived out their faith The New Interpreter's Bible Abingdon Press,2002 Full texts and critical notes of the New International Version and the New Revised Standard Version of the Bible in parallel columns **Paul, the Interpreter of Christ** A. T. Robertson,1921 **Paul and the Law** Heikki Räisänen,1987 The tensions and self contradictions in Paul s statements on the Torah are analysed in this book in detail which also critically discusses a vast body of scholarly literature on the subject The contradictions in Paul cannot be explained away neither by dialectical interpretive devices nor by way of development theories Rather they must be taken seriously as real contradictions and as pointers to Paul s unsolved theological problems Different statements owe their origin largely to different needs mostly polemical ones arising in changing situations Anyone who has studied Paul knows that probably the most complex problem he develops is his view of the law and its purpose The beauty of Raisanen s work is that he recognizes and respects this complexity without himself becoming too dense to understand R finds that Paul s radicalized negative criticism of the law is peculiar to him unparalleled in the NT and without precedent in Jewish thought With careful patient examination of various contexts R leads his readers to see that Paul has an oscillating even inconsistent view of the law This book is well written in clear readable English It is an important book recommended to any serious student of Paul Its strength is in R s willingness to abandon preconceptions of what Paul s view on the law should be according to some consistent plan and in allowing Paul to speak for himself Mary Ann Getty in The Catholic Biblical Quarterly 47 1985
