content without exploring the historical possibility that Jesus envisioned his own death In this careful and far reaching study Scot McKnight contends that Jesus did in fact anticipate his own death that Jesus understood his death as an atoning sacrifice and that his death as an atoning sacrifice stood at the heart of Jesus own mission to protect his own followers from the judgment of God

Testament **Mission and Moral Reflection in Paul** Michael D. Barram, 2006 The Apostle Paul sought to exert his influence and authority over the congregations he founded long after they had been established Such ongoing oversight by Christianity's prototypical evangelist has not been adequately understood In a brief 1987 article W Paul Bowers challenged John Knox's assertion that Paul's pastoral and administrative work irked him and that he wanted to be free of it This book confirms and significantly develops Bowers's little known thesis examining a wide range of passages in the apostle's undisputed letters and highlighting crucial implications of Paul's broadly conceived vocation for understanding his mission and moral reflection A Critical Introduction to the New Testament Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church's identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul's decisive influence within the history of the church and western culture Leading Financial Sustainability in Theological Institutions Emmanuel Okantah Bellon, 2017-04-24 The role of theological institutions in Christian mission is likened to the crucible that shapes the hearts and minds of those leading the charge to reconcile the world to God Nevertheless it is also the weakest link in the chain of Christian ministry and efforts to sustain the unique contribution of institutions have been enigmatic So why should we be concerned about theological institutions What if there were no theologians missiologists trained pastors or missionaries in Christian ministry What if there were no theological institutions What if the existing theological institutions collapsed shut down for lack of resources How effective would the witness of the Christian church be without theological institutions in a world in need of God Over the centuries various models for supporting theological training have been tried in institutions but very few of

these have been successful Time cost and quality of education among others have been the driving forces behind the changing models and yet financial sustainability has been elusive Only informed leadership that draws insights from historical biblical and practical wisdom is necessary in achieving this goal This book is your faithful companion in the quest to achieve financial sustainability in theological institutions **Solidarity and Difference** David G. Horrell, 2015-11-19

David G Horrell presents a study of Pauline ethics examining how Paul's moral discourse envisages and constructs communities in which there is a strong sense of solidarity but also legitimate difference in various aspects of ethical practice Horrell reads New Testament texts with an explicit awareness of contemporary ethical theory and assesses Paul's contribution as a moral thinker in the context of modern debate Using a framework indebted to the social sciences as well as to contemporary ethical theory Horrell examines the construction of community in Paul's letters the notions of purity boundaries and identity Paul's attempts to deal with diversity in his churches the role of imitating Christ in Paul's ethics and the ethic Paul develops for interaction with outsiders Finally the pattern of Paul's moral thinking is considered in relation to the liberal communitarian debate with explicit consideration given to the central moral norms of Pauline thought and the prospects for and problems with appropriating these in the contemporary world This Cornerstones edition includes an extended reflective introduction and a substantial foreword from N T Wright **Jew Among Jews** Kimberly

Ambrose, 2015-11-17 Misunderstanding of Paul had started already in his lifetime and his letters offer many examples of this Throughout the centuries Paul has continued to be misunderstood by both Jews and Gentiles especially in relation to his view of the law and the covenant Paul has often been misunderstood because his form of argument his use of Scripture his view of Jews and Gentiles in Christ especially of those Jews who were not convinced that Jesus was Messiah and his view of what constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle We have been accustomed to read his letters as of one who was emancipating people from Judaism as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ By building on some of the insights of the New Perspective and developing other more recent insights as well a more consistent and credible Paul as a first century Diaspora Jew organizing a mission to Gentiles will be presented Understanding Christian Leadership Ian

Parkinson, 2020-02-28 Understanding Christian Leadership offers an examination of a distinctly Christian understanding of leadership offering a critical appraisal of insights from secular theories of leadership exploring biblical and other theological insights into the nature and practice of leadership *You Belong to Christ* J. Brian Tucker, 2011-01-01 You Belong to Christ explores the way that the Apostle Paul sought to form the social identity of one of his most important Christ following communities It sheds light on the way various social identities function within the Pauline community and provides guidance concerning the social implications of the gospel Drawing from contemporary social identity theories as well as ancient source material J Brian Tucker describes the way 1 Corinthians 1:4 forms social identity in its readers so that what results is an

alternative community with a distinct ethos in contrast to the Roman Empire and its imperial ideology This book contends that previous identities are not obliterated in Christ but maintain their fundamental significance and serve to further the Pauline mission by means of social integration Providing a comprehensive survey of Christian identity in Pauline studies as well as an interesting look into the material remains of Roman Corinth this volume provides a social scientific reading of 1 Corinthians 14 and argues that Paul's strategy was to form salient in Christ social identity in those to whom he wrote

The Law and the Knowledge of Good and Evil Chris A. Vlachos, 2009-01-01 First Corinthians 15:56 The sting of death is sin and the power of sin is the law is both puzzling and neglected It is puzzling since there appears to be no precursor in 1 Corinthians to the law critical statement found there It is neglected because of its size Nevertheless the short verse offers the opportunity to analyze in a rudimentary state Paul's law sin notion that appears full blown in Romans and the absence of a polemical setting allows scholars to examine a law critical statement issued during a polemical lull In *The Law and Knowledge of Good and Evil* Vlachos weighs attempts to explain the presence of 1 Cor 15:56 in 1 Corinthians and argues that the Genesis Fall narrative where the tempter plied his seductions by way of the commandment provides the theological substructure to Paul's understanding of the law's provocation of sin In doing so Vlachos contends that Paul reaches the historical high water mark of his polemic against the salvific efficacy of the law by locating a law sin nexus in Eden and contrary to some recent perspectives on Paul he argues that the edenicly informed axiom in 1 Cor 15:56 suggests that Paul's fundamental concern with the law was rooted in primordial rather than ethnic soil While studies of Paul and the law have tended to bypass Eden *The Law and Knowledge of Good and Evil* breaks ground by moving the argument beyond Second Temple Judaism to the Genesis Fall account where the prohibition against partaking of the knowledge of good and evil led to the knowledge of sin

Bauer, 2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship

Second Corinthians and Paul's Gospel of Human Mortality Richard I. Deibert, 2017-01-30 How does Paul's bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship between Paul's experience of death and his theology of death Back cover

[Suddenness and Signs](#) Sydney Tooth, 2024-07-26 The relationship of 1 and 2 Thessalonians is a perennial puzzle in Pauline scholarship with considerable questions raised about their supposed theological incompatibility In this work Sydney Tooth examines the text of 1 and 2 Thessalonians without presuppositions about authorship in order to give full attention to the shape of each letter's eschatological teaching In doing so the author is able to provide the first extensive and detailed

comparison of their eschatologies and to determine to what extent they are compatible with each other She also traces the tradition history of the eschatological material in 1 and 2 Thessalonians exploring shared imagery themes and language between the Thessalonian correspondence and the Synoptic Gospels This all contributes to a full reassessment of the historical setting and literary and theological relationship of these two letters

Theological perspectives on re-imagining leadership in post-COVID-19 Africa Philip La G. du Toit, Alfred R Brunsdon, 2023-11-30 Post coronavirus disease 2019 COVID 19 realities are challenging leaders in all spheres of society in many ways From the onset of the pandemic leaders on every level were challenged to provide appropriate guidance in the face of new and adverse realities From the micro level of local congregations to the macro level of national governments leaders were required to provide the type of leadership that would not only address immediate obstacles but simultaneously be visionary in the face of uncertainties that became the hallmark of post COVID 19 society In this book the authors reflect on leadership in a post COVID 19 society from bibliological practical theological missiological and ethical perspectives Although the authors have the global village in mind the focus leans towards the African context The book aims to contribute meaningfully to a much needed and re imagined

vision of leaders which fits post COVID 19 societies *Paul's Corporate Christophany* Rob A. Fringer, 2019-02-28 Paul's Christophany i.e. his Damascus Road Experience has been the subject of much scholarly analysis. However, treatments of this phenomenon while widely varied have tended to extract the various references from their literary contexts in order to reconstruct the event to discover the foundations and content of Paul's Christology or to analyze Paul's experience of conversion and/or call. The current study focused on the undisputed Pauline epistles evaluates how and why Paul employed the various Christophanic references in their particular literary and sociohistorical contexts. Through this assessment the importance of Paul's Christophanic references as part of his larger arguments is established. It is shown how Paul uniquely shapes the various Christophanic references to fit the needs of his argument and through it the needs of each community. Furthermore, this study demonstrates that Paul's Christophanic references do not primarily establish his apostolic status or assert his apostolic authority. Through this study the corporate nature of Paul's Christophanic references becomes increasingly evident and multiple general conclusions are drawn which provide a possible glimpse into Paul's understanding of his Christophanic experience.
