Pauls Letters From Prison Philippians Colossians Philemon And Ephesians Westminster Pelican Commentaries Ser:

The Colossian and Ephesian Haustafeln in Theological Context James P. Hering, 2007 In this groundbreaking study James P Hering investigates the theological and ethical motivation that informs the controversial New Testament household codes Haustafeln found in the epistles to the Colossians 3 18 4 1 and Ephesians 5 22 6 9 Within most New Testament scholarship the household code has been regarded as an imported element within its host letter reflecting either pagan or embarrassingly sub Christian values Is the household code merely a nod to the pragmatic demands of culture or can it be understood as a reflection of the author s theological concerns What can it teach us today Hering provides a unique analysis of these passages revealing the Haustafeln in their historical context and examining their theological roots This book is of vital importance for courses on Christian ethics and New Testament backgrounds **The Letter of Paul to the Ephesians** Francis Foulkes, 1989 Provides a section by section commentary on the New Testament book of Ephesians featuring discussion of primary themes individual verses and problems of interpretation and including information on authorship date and historical background Paul's Letters from Prison James Leslie Houlden, 1977 **Portrait of an Apostle** Gregory S. MaGee, 2013-09-24 In Portrait of an Apostle Greg MaGee explores the claim that Colossians and Ephesians are works of forgery that use Paul s authoritative status to gain a hearing This hypothesis is so often restated in recent scholarship that it is arguably the default position in the field even though the theory is relatively untested MaGee argues that such a view does not stand up to close scrutiny Unsuccessful attempts to imitate Paul usually flounder in their portrayals of Paul as is evident with the pseudepigraphal Epistle to the Laodiceans and 3 Corinthians Such is not the case with Colossians and Ephesians This book attempts to demonstrate that interpretations based on the assumption of Paul s authorship of Colossians and Ephesians are consistently superior to interpretations positing that an admirer of Paul wrote the letters **Paul's Letters from Prison** J. L. Houlden, 2012-10 The famous Pelican takes on a new look in this important series of commentaries on the New Testament Originally published by Penguin Books it has now been taken over by SCM Press who will continue it and develop it further The commentaries on the four gospels in paperback will continue to be published by Penguin Books cased editions of these books and editions of all other commentaries both cased and paperback will in future be published by SCM Press In their new format the commentaries will aim as before to provide explanations of the books of the New Testament which are neither abstruse and academic nor over simplified fundamentalist or out of date Paul s Letters from Prison covers the captivity epistles which though of uncertain authorship are commonly attributed to the apostle Paul Philippians Colossians Philemon and Ephesians *Put on the Armour of God* Thomas R. Neufeld, 1997-04-01 Isaiah 59 portrays a deity in armour warring against rebellious human foes In this historical investigation Yoder Neufeld maps the transformation of an ancient tradition into a creative new reading in which God s people put on God s armour and go to battle against God s

heavenly foes as in Ephesians 6 The Pauline recasting of the Isaianic motif argues the author is a bracing one **The Image of the Invisible God** Travis R. Niles, 2023-11-09 Given the human propensity for making and using various kinds of images it is little surprise that religious philosophical authors from various ancient cultures used the concept of an image when speaking of the divine What does the author of Colossians mean to convey by calling Jesus Christ the image of the invisible God Through an examination of various image discourses and a detailed exegetical study of Colossians 1 15 20 T R Niles situates the image concept of Colossians within the image discourse of the first century A D and elucidates its specific contours The Letter to Philemon Joseph A. Fitzmyer, 2000 The apostle Paul's letter to his friend and fellow Christian Philemon which focuses on the question of slavery has long inspired debate Onesimus one of Philemon's slaves and a Christian himself has left his master's house and sought refuge with Paul In a letter to Philemon Paul assures his friend that he is sending Onesimus back into captivity but pleads for mercy on the slave's behalf asking Philemon to treat him as a beloved brother and as he would treat the apostle Examining Paul's letter within the context of the social political and economic realities of the times Fitzmyer sheds light on the question of whether Paul was suggesting that Onesimus be granted freedom from slavery or whether he was simply advocating a lenient treatment of this particular slave His insights not only clarify Paul's position but show why the letter is relevant in the Church today **Religious Books and Serials in Print, 1980-1981**, 1980 *Religious Books and Serials in Print*, 1982 *Religious Books and Serials in Print 1978-1979* R.R. Bowker Company. Department of Bibliography, 1978-11 *Subject Guide to Books in Print*, 1984 Philemon, 2002 This study of Philemon is part of a series of bibliographies on the books of the Hebrew and Christian Bibles and the deuterocanonicals The arrangement for the entries in most volumes consists of three divisions scriptural citations subject citations and commentaries *Ephesians* Walter F. Taylor, 1985 The Augsburg commentary on the new testament is written for laypeople students and pastors Laypeople will use it as a resource for Bible study at home and at church Students and instructors will read it to probe the basic message of the books of the new testament And pastor's will find it to be a valuable aid for sermon and lesson preparation The Publishers' Trade List Annual, 1985 *Books in Print Supplement*, 1988 *Library of Congress Catalogs* Library of Congress, 1979 **American Book Publishing Record Cumulative, 1950-1977** R.R.
