Paw Prints Ginny Stone, 2015-09-11 Bodie is a beautiful young cat with a fluffy black tuxedo coat a black and white tail and large green eyes She is content to live in the alley behind a seafood restaurant where every day friendly people bring her food and water One morning though the restaurant doors do not open and no one comes to feed her So she sets off to search the city for food Bodie roams the busy streets eating scraps and bits of discarded food and dodging pedestrians and dangerous traffic Later she revisits the closed seafood restaurant Sadly the young cat realizes she must leave the cozy alley and begin her search for a new place to live Her travels take her away from the city and into the countryside where she seeks shelter and food in the fields and woods Even in the wild her wanderings put her in danger when she is forced to flee a tractor and escape a speeding truck Hurt and afraid and knowing she does not want to be alone Bodie s search leads her to a caring young girl named Lily who gives Bodie hope of finding a safe place to call home

Sad Janet Lucie Britsch, 2021-06-15. Named one of the Best Books of the Summer by Lit Hub, *The Millions*, *Refinery29*, and *Hey Alma*. Hilarious, wise, wicked, and tender. Cynthia D'Aprix Sweeney. The New York Times bestselling author of *The Nest*. Janet works at a rundown dog shelter in the woods. She wears black, loves The Smiths, and can't wait to get rid of her passive-aggressive boyfriend. Her brain is full of anxiety like one of those closets you never want to open because everything will fall out and crush you. She has a meddling family, eccentric coworkers, one old friend who's left her for Ibiza, and one new friend who's really just a neighbor she sees in the hallway. Most of all, Janet has her sadness, a comfortable cloak she uses to insulate herself from the oppressions of the wider world. That is, until one fateful summer when word spreads about a new pill that offers even cynics like her a short-term taste of happiness just long enough to make it through the holidays without wanting to stab someone with a candy cane. When her family stages an intervention, her boyfriend leaves, and the prospect of making it through Christmas alone seems like too much, Janet decides to give them what they want. What follows is life-changing for all concerned in ways no one quite expects. Hilarious, bitterly wise, and surprisingly warm. *Sad Janet* is the depression comedy you never knew you needed.
