From Dead Ends to Cold Warriors Peter W.Y. Lee, 2021-02-12 After World War II studies examining youth culture on the silver screen start with James Dean. But the angst that Dean symbolized anxieties over parents the Establishment and the expectations of future citizen soldiers long predated. Rebels without a Cause. Historians have largely overlooked how the Great Depression and World War II impacted and shaped the Cold War and youth contributed to the national ideologies of family and freedom. *From Dead Ends to Cold Warriors* explores this gap by connecting facets of boyhood as represented in American film from the 1930s to the postwar years. From the Andy Hardy series to pictures such as *The Searcher* *Intruder in the Dust* and *The Gunfighter* boy characters addressed larger concerns over the dysfunctional family unit militarism the race question and the international scene as the Korean War began. Navigating the political social and economic milieus inside and outside of Hollywood Peter W Y Lee demonstrates that continuities from the 1930s influenced the unique postwar moment coalescing into anticommunism and the Cold War.
