Point Of Murder:

The Point Guard Edwin J. Sprague, 2007-06-22 When legal loopholes keep Tina Lane's vicious killers from facing trial her husband Mike Lane wants only one thing justice In a lengthy and valiant quest to avenge his only love he composes a stunning document that has the potential to dramatically alter the very core of the American judicial system Lane relies on his client Senator Jeff Wheatly to help him further his work But when the envious senator presents Lane's work to the president as his own Lane finds himself in grave danger As the senator struggles for control of Lane's document and the power it could bring he finds that nothing is out of the question not even murder And with unlimited resources at his disposal the president himself is just as willing to cross all lines in order to gain control of the most powerful tool in modern legal history The CIA the Secret Service the IRS the Philadelphia Police Department and the Senate Ethics Committee all investigate the senator and his connection to multiple shocking deaths and each organization finds that it has a vested interest in the success of Lane's radical plan In the end nothing is spared Not love Not life Not law *180 Day Rental* Ashworth's Principles of Criminal Law Jeremy Horder, 2022 *Exploring the Mandatory Life Sentence for Murder* Barry Mitchell, Julian V Roberts, 2012-10-19 Murder is often regarded as both the ultimate and a unique crime and whereas courts are normally given discretion in sentencing offenders for murder the sentence is mandatory indeterminate imprisonment Since the crime and the punishment come as a package deal this book looks at both the legal nature of the offence and at the current operation of the mandatory life sentence Not only does the book adopt a critical approach by assessing the strengths and weaknesses of the status quo it also draws upon comparative material from both common and civil law jurisdictions in an attempt to provide a comprehensive exploration of these issues The need for public confidence in the criminal justice system is particularly acute in the way it deals with the most serious homicides In this book the authors report findings from the first systematic exploration of public attitudes to sentencing murder in this or any other common law jurisdiction The picture of public opinion emerging from this recent large scale nationwide qualitative and quantitative survey funded by the Nuffield Foundation is likely to surprise many and will be of interest to all jurisdictions where the mandatory life sentence for murder has been questioned **Son of a Son of the Thin Man in Murder by Proxy** P.A.
