Poison Ivy:

Field Guide to Poison Ivy, Poison Oak, and Poison Sumac Susan Carol Hauser, 2008-04-01 This handbook takes the mystery out of identifying these common weeds and provides useful antidotes for treating their irritating itching rashes. Photos show the plants in every season and detailed drawings help readers pinpoint the culprit in the woods or in their own backyards. Hauser distinguishes between home remedies that really work and those that can actually aggravate the poison, tells how to treat each poison differently and explains how to prevent the offending vines from growing in the yard. The perfect reference for homeowners, parents, gardeners, and hikers, this is easy to read and informative. Susan Carol Hauser is a writer and gardener who lives in Bemidji, Minnesota.
