Midlands

Jonny Steinberg,2010-11-22 In the spring of 1999 in the beautiful hills of the KwaZulu Natal Midlands a young white farmer is shot dead on the dirt road running from his father s farmhouse to his irrigation fields The murder is the work of assassins rather than robbers a single shot behind the ear nothing but his gun stolen no forensic evidence like spent cartridges or fingerprints left at the scene Journalist Jonny Steinberg travels to the Midlands to investigate Local black workers say the young white man had it coming The dead man s father says that the machinery of a political conspiracy has been set into motion that he and his neighbours are being pushed off their land Initially thinking that he is to write about an event in the recent past Steinberg finds that much of the story lies in the immediate future He has stumbled upon a festering frontier battle the combatants groping hungrily for the whispers and lies that drift in from the other side Right from the beginning it is clear that the young white man is not the only one who will die on that frontier and that the story of his and other deaths will illuminate a great deal about the early days of post apartheid South Africa Sifting through the betrayals and the poisoned memories of a century long relationship between black and white Steinberg takes us to a part of post apartheid South Africa we fear to contemplate Midlands is about the midlands of the heart and mind the midlands between possession and dispossession the midlands between the past and present myth and reality Midlands is a tour de force of investigative journalism

Rough Music

Patrick Gale,2010-01-27 Beautifully written and deeply compassionate Rough Music is a novel of one family at two defining points in time Seamlessly alternating between the present day and a summer thirty years past its twin stories unfold at a cottage along the eastern coast of England Will Pagett receives an unexpected gift on his fortieth birthday two weeks at a perfect beach house in Cornwall Seeking some distance from the married man with whom he s having an affair he invites his aging mother and father to share his holiday knowing the sun and sea will be a welcome change for But the cottage and the stretch of sand before it seem somehow familiar and memories of a summer long ago begin to surface Thirty two years earlier A young married couple and their eight year old son begin two idyllic weeks at a beach house in Cornwall But the sudden arrival of unknown American relatives has devastating consequences turning what was to be a moment of reconciliation into an act of betrayal that will cast a lengthy shadow As Patrick Gale masterfully unspools these parallel stories we see their subtle and surprising reflections in each other and discover how the forgotten dramas of childhood are reenacted throughout our lives Deftly navigating the terrain between humor and tragedy Patrick

Gale has written an unforgettable novel about the lies that adults tell and the small acts of treason that children can commit Rough Music gracefully illuminates the merciful tricks of memory and the courage with which we continue to assert our belief in love and happiness

Vienna Tales Helen Constantine, 2014-11-13 Situated on the cusp of West and East between the foothills of the Alps and the mighty Blue Danube Vienna has long presented authors with a wealth of material for stories that entertain and intrigue The city's famous quality of life and rich variety of cultural offerings is apparent here at every turn but so too is its darker side whether it be the Viennese obsession with death and decay or the dramatic tragic events of its twentieth century history In stories from the early to mid nineteenth century in particular the city stands for wine women and song for a laid back perhaps somewhat lax outlook on life that is invariably linked to its location as German culture's southernmost centre In more recent tales the theme of the good life and of Vienna's beauty continues but there are very few authors who do not dwell on elements of darkness or melancholy Indeed from the mid twentieth century onward death itself seems to have become literature's preferred guide to the city The collection concentrates on stories set at the city's margins The tales are arranged geographically rather than chronologically around and through the city from west to east and back again We begin and end with Arthur Schnitzler and Joseph Roth two authors already indelibly associated with Vienna but represented here by little known gems translated for the first time Other authors include stars of Vienna's nineteenth century feuilleton journalism Heinrich Laube Ferdinand Kürnberger Adalbert Stifter but also the most recent generation of Viennese writers Doron Rabinovici Eva Menasse Dimitr Dinev with tales as yet unknown in English

Lost Stones to Eternity Mary L. Graves, 2001-08-01 LOST STONES to ETERNITY is an adventure horror and fantasy story of the Darrendon family from New Foundland The goal of these future centenarians is to locate the five special gems once owned by pirates providing them with power and wealth to keep their castle This home holds the vault where they will reunite on September 23 2001 on the night of the autumnal equinox Along with familiar loved ones they will exit to a future in the vast universe Not only must Dina a seventy year old embodiment of bravery locate and follow the route in Grandfathers poem but they must all battle the evil Devon for these jewels Time is running out Will they defeat the enemy whose search for the gems is purely self centered possibly destroying the earth and its inhabitants

SEAL of Honor: Christian Romantic Suspense Jessica Ashley, 2026-02-23 She disappeared on their wedding day Now she's back and someone wants her dead Zane Knox is a man who doesn't exist The former Navy SEAL has spent years buried in the shadows forced into off books missions for a government agency that doesn't technically exist He doesn't do it because he wants to he does it because if he refuses the secrets he carries will send him to prison He's made peace with living as a ghost Until the woman who left him at the altar shows up on his boat battered and begging for medical supplies Tessa Lane doesn't know who is after her or why only that nowhere is safe She no longer believes in God in love or the vows she nearly made to Zane But when the past collides with a deadly present she has no choice but to trust the one man she swore she'd never face again Protecting her may be Zane's

mission but restoring Tessa's faith and rekindling the love he never gave up on is a fight he refuses to lose Even if it costs him everything Explosive action Unfinished business And a second chance worth dying for **Mordecai Richler** Reinhold Kramer,2008-03-20 I didn't want the biography to end Mordecai Richler seemed so vividly alive From now on nobody can write about Richler without reading this book The Globe and Mail *The Guilt of the Night People* Mizpa Mijam Ratliff,2012-09 Follow the heart breaking tale of a young midwife Siuntla hardly more than a child herself when she is Outcast by her own People on their planet of origin Kiwa for saving one of the infants in a twin birth which Village Elders are certain may bring the community bad luck In the meantime a million sets of foreign eyes set their sights on Siuntla's village and take horrifying advantage of the People who dwell there confident in who they are as denizens of Kiwa and yet crushed by the supreme ignorance of the blood which actually flows in their veins As Siuntla flees with her child and struggles to protect him from Elders who would steal him away Siuntla faces romantic love the sting of jealousy the heart break of betrayal and concern for the children she is raising all the while trying to discover who or what she really is

The Top Books of the Year Poisoned Memories The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Poisoned Memories : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
