Poland, My Homeland Mirosław Wiśniewski, 1993 *The World Is My Home* James A. Miriam Potocky-Tripodi, 2000 Rarely does one person s family history intersect dramatically with a country s momentous events In Where Is My Home A Refugee Journey Miriam Potocky Tripodi describes the Czech Republic s decades long struggle for freedom and how it affected her own life Only after the fall of Communism in 1989 could the author reclaim her homeland by visiting Prague and discovering her Czech heritage This family history written with both poignancy and unwavering honesty is the story of how the Nazi and Soviet invaders tried to destroy the soul of the Czech people Yet the story also contains vignettes of triumph from the author s father s defiance of Communist officials to an uncle s dreams of escape Like Czech history this family account has moments of aching sadness The author relates how she searched for any scrap of information about her grandparents who were murdered by the Nazis at Auschwitz Yet this book also reveals glimpses of radiance from a painter s sly humor to the author s feelings of connection to her fellow Czechs Can an exile ever return home after decades of living in America This difficult question reverberates throughout this book leaving the reader with a richer understanding of Czech history and one person s quest for self identity Memory is our Home Suzanna Eibuszyc, 2014-04-01 Memory is Our Home is a powerful biographical memoir based on the diaries of Roma

Talasiewicz Eibuszyc who grew up in Warsaw before and during World War I and who after escaping the atrocities of World War II was able to survive in the vast territories of Soviet Russia and Uzbekistan Translated by her own daughter interweaving her own recollections as her family made a new life in the shadows of the Holocaust in Communist Poland after the war and into the late 1960s this book is a rich living document a riveting account of a vibrant young woman s courage and endurance A forty year recollection of love and loss of hopes and dreams for a better world it provides richly textured accounts of the physical and emotional lives of Jews in Warsaw and of survival during World War II throughout Russia This book narrated in a compelling unique voice through two generations is the proverbial candle needed to keep memory alive

Framing the Polish Home Bożena Shallcross,2002-12-31 As the subject of ideological aesthetic and existential manipulations the Polish home and its representation is an ever changing phenomenon that absorbs new tendencies and at the same time retains its centrality to Polish literature whether written in Poland or abroad Framing the Polish Home is a pioneering work that explores the idea of home as fundamental to the question of cultural and national identity within Poland s recent history and its tradition In this inaugural volume of the Polish and Polish American Studies Series the Polish home emerges in its rich verbal and visual representations and multiple material embodiments as the discussion moves from the loss of the home during wartime to the Sovietized politics of housing and from the exilic strategies of having a home to the the idyllic evocation of the abodes of the past Although as Bo ena Shallcross notes in her introduction few concepts seem to have such universal appeal as the notion of the home this area of study is still seriously underdeveloped In essays from sixteen scholars Framing the Polish Home takes a significant step to correct that oversight covering a broad range of issues pertinent to the discourse on the home and demonstrating the complexity of the home in Polish literature and culture

Children of German-Polish Relationships Piotr Madajczyk,Magdalena Lemańczyk,Kamila Schöll-Mazurek,2024-11-07 This book analyzes the process of national identity formation and identification of children born into formal and informal Polish German relationships in Poland and Germany and how that process is impacted by their upbringing at the intersection of two cultures The sociological historical approach explores a wide range of processes in interethnic couples related to the case at hand such as migration acculturation and assimilation as well as integration and increased participation in the structures of the host country ties with the country of origin generational changes and decreasing knowledge of the native tongue and developments affecting mixed partnerships and their children Taking an original approach to its focus on the long term relationships between bilingualism and biculturalism and their impact on national identity and identification the book considers the future and significance of binational and interethnic families and their children in the European integration process and European identity This volume will appeal to sociologists historians political scientists anthropologists and linguists and especially to students and scholars interested in the relations between national linguistic and political matters

[Social articles.] By a Polish Exile. [With two engravings and two diagrams.]**

,1848 **Night Voices** Heather Laskey, 2003-11-14 It is the story of Poland in the years leading up to the war the horrors Polish Jews faced during the Nazi occupation the brief period of hope when they believed they were building a better society and their gradual disillusionment as state sponsored corruption brutality Stalinist paranoia and anti-Semitism developed The story is told through the memories of four people Stasia Alapin Rubilowicz her husband Mietek Rubilowicz her son Peter Alapin and her friend Alina Life in Poland before and during the war is seen primarily through Stasia's eyes who evokes her youth in an affluent family largely assimilated into Polish society This life was shattered forever in her early adulthood when the Nazis invaded bringing death and destruction to Poland and to Polish Jews in particular She recounts the anguish of life in the Warsaw Ghetto her escape from it her survival on the run her betrayal to the Gestapo by a woman who had known her at school and her rescue from prison by Christian Polish friends at the risk of their lives In the second half of the book we are introduced to Mietek and her friend Alina who describe their experiences in Poland during and after the war and their hopes that communism would rid the country of bigotry injustice and want But as old hatreds now supported by a perverted catechism of socialist dogma reawakened anti-Semitism they became increasingly disillusioned ultimately deciding they had no recourse but to leave Poland and start a new life elsewhere By 1968 the Polish communist leadership through a campaign

of intimidation and harassment had succeeded in ridding Poland of virtually all its surviving Jews Night Voices is a testimony both to the strength of the human spirit and to our capacity for self delusion
