Polarity Magic The Secret Of Western Religion:

Polarity Magic Wendy Berg, Mike Harris, 2003 Polarity magic is at the heart of the Western Mystery Tradition though few are aware of its theory and practice Even so it constitutes the core of all mythology and mystery teachings It recognizes that the most powerful creative force is found in the fundamental energies exchanged between a man and a woman It exalts rather than negates human sexuality in spiritual and magical endeavor This book explores the hidden traditions of the Western mysteries focusing on the divine feminine and the sexual dynamics of magic It shows why the feminine principle must be restored to magic and offers practical magical examples of how this may be done Sympathetic reconstructions of priest and priestess rituals are offered which feature ancient historical and mythological couples such as Isis and Osiris Taliesen and Ceridwen Arthur and Gwenevere Merlin and Gwendydd and Akhenaten and Nefertiti The magical implications of the relationship between Mary Magdalene and Christ are also addressed Also featured in this one of a kind magical volume is advice on forming working partnerships with beings of the faery realm and techniques for the lone magician who works with inner plane partners THE HERMETIC TABLET 2018, 2018-07-29 Hermetic Tablet is an annual Journal of Western Ritual Magic where people from all traditions share their experiences Some of the contributors are well known names in the occult field while others are just those who want to share knowledge and experiences with the public This issue contains articles by Nick Farrell Aaron Leitch Jayne Gibson Tony Fuller Ina Custers Van Bergen Christine Zalewski Eirini Tsotsou Constantinos Nterziotis Jo o Pedro Feliciano Naomi Ozaniec Adam Pearson Mat Ravignat Angelo Albano and Ian Rees The Journal covers subjects related to Western Ritual Magic including Goetia Golden Dawn Wicca Theurgy Angelic Magic Ancient Egypt Hermetics and pagan ritual **Bending the Binary** Deborah Lipp, 2023-02-08 A Groundbreaking New Perspective on Polarity Magic Break polarity free from outmoded ideas of gender and heteronormativity while still celebrating its energy This pioneering book explores polarity from many angles examining its evolution throughout history why it s important in the occult and how it relates to identity and sexual orientation Deborah Lipp shows you what it means to both include polarity magic and be inclusive Bending the Binary adds depth and nuance to polar concepts in magic such as day and night male and female self and other Deborah offers a third perspective on these opposites inviting you to explore the space between them through rituals journal prompts and detailed research She also teaches how to incorporate binary bending practices into your personal magical system This book encourages everyone to expand their perceptions and strengthen their magic *The Book of English Magic* Philip Carr-Gomm, Richard Heygate, 2010-10-14 A guide to England s rich history of magical lore and practice for readers of works like Harry Potter who have grown up a bit into wanting to know more The Hermetic Library Through experiments to try and places to visit as well as a historical exploration of magic and interviews with leading magicians The Book of English Magic will introduce you to the extraordinary world that lies beneath the surface Magic runs through the veins of English history part of daily life from the earliest Arthurian legends to Aleister Crowley to the novels of

Tolkien and Philip Pullman and from the Druids to Freemasonry and beyond Richly illustrated and deeply knowledgeable this book is an invaluable source for anyone curious about magic and wizardry or for sophisticated practitioners seeking to expand their knowledge Playful and serious respectful and amused this will remain the standard work for years to come The Sunday Telegraph A magical mystery tour The Times Fabulous Daily Express Lucid and wonderfully easy to read While it is indeed a perfect book for the intelligent novice it is far more than that it is a serious in depth survey of a massive topic

WitchVox An accessible and immensely readable book A fascinating insight into a hidden world Booksquawk Awen Mike Harris,2011 It was the Celtic bards who laid down the foundation of inner wisdom that has come down to us as Arthurian legend passing their traditions to the Arthurian romancers of the 12th and 13th centuries Thus the Celts provide an immediate bridge that leads to a very ancient world Focusing on the Brythonic Celtic material and the Taliesin cult whose lineage preserved the mysteries through the Mabinogion and other texts Awen the Quest of the Celtic Mysteries reveals the sources of the British sacred tradition right back to the Neolithic and Bronze Ages and as some believe further back still to even more ancient sources Awen is a Welsh word often translated as inspiration However in its fullness it has a much deeper meaning an irradiation of the soul from paradisaal origins In the context of the Celtic folk soul it casts the paradisaal pattern by which the people and the land were harmonised Through the aligned symbolism of the goddess the sacred king and the stars a compelling picture is built of a thriving mystery tradition which marries the constellations to the landscape exploring as an example the interwoven five fold and seven fold stellar geometry of Moel ty Uchaf stone circle in North Wales and the stellar alignments on the landscape of Cadair Idris

The Philosophy and Practice of Polarity Magic John Michael Greer,2024-10-29 An exploration of a system of magical practice which works through the sublimation of erotic energies between two or more people Polarity magic is a concept of occult study that is often shrouded in complexity and confusion Now established author John Michael Greer explains its place in Western ceremonial tradition providing a guidebook to using polarity magic a powerful effective and balanced way of working magic in order to enhance and deepen magical practice Polarity magic does not involve sexual intercourse but rather relies on the movements of the ether the force behind life itself which people experience during sexual or emotional attraction When these movements follow their natural course to the material plane they result in sex or childbirth When redirected to less material more spiritual planes however they produce magical and powerful results The book covers a broad expanse of expertly researched information laid out in a clear and accessible prose It ranges from an introduction to the history of polarity magic situations polarity magic in the macrocosm and microcosm information on how to prepare for polarity magic the practice of both basic and advanced polarity magic as well as mass polarity magic The Philosophy and Practice of Polarity Magic is an invaluable tool for practitioners of ceremonial magic wanting to explore the fascinating workings of polarity magic
