Police Auditing Theories And Practices Paperback:

POLICE AUDITING: Standards and Applications (2nd Ed.) Jiao, Allan Y.,2015-06-30 Police auditing merits the attention of both practitioners and academicians for two primary reasons First police auditing meets the need of police administrators to know about the economy efficiency and effectiveness of their organization and operations Second it provides an important mechanism for the public and its elected officials to fulfill their oversight responsibilities This book provides a comprehensive examination of theories standards procedures applications and evaluations of police audits to allow the reader to obtain a detailed understanding of different aspects and types of police audits and apply the principles of auditing and data collection to various police programs The book is readable for different audiences as it provides a review of police auditing along with discussions of planned change and incorporates standards and procedures in police auditing into social scientific research process and methods The book is aimed at three types of readers First it provides police executives and managers with a timely and necessary understanding of police auditing as they conduct budget reviews and organizational diagnoses Second it serves as a valuable source of information for auditors and researchers who are either charged with the responsibility to perform police audits directly or engaged in evaluating audited police programs Third students in criminal justice programs will benefit from this book in courses that address research methods and police accountability issues **FBI Law**

Enforcement Bulletin ,2000 **Police Auditing** Allan Y. Jiao,1999 Jiao draws on more than 100 audit reports published in the US Britain and Canada interviews with police officials documents from the public and private sectors and his own five years experience with police audits He describes audits relating to finance efficiency program results effectiveness and compliance He expects readers to be police administrators managers and auditors researchers and academics who review and evaluate police programs and graduate and undergraduate students of criminal justice **Crime and Social Control**

in a Changing China Jianhong Liu,Lening Zhang,Steven F. Messner,2001-08-30 This important edited collection of articles by both Chinese and American scholars attempts to promote a more accurate and in depth understanding of crime and social control in China as it undergoes significant cultural economic and social change The editors contend that as the economic system has been transformed many other social institutions in China have also experienced unprecedented changes including legal institutions and other organizations responsible for social control The essays focus on crime in China and summarize the major structural changes in Chinese society and their effects on crime and justice over the last ten to fifteen years offer an overview of Chinese perspectives on crime examine socio economic changes and their impact on social control and discuss changes in adults and children s courts and the new changes in Chinese policing in Chinese society Organized into four parts this work addresses the nature extent and special features of crime and delinquency in China under conditions of social change It also investigates the question of the social correlation of changing patterns of crime The impact of social transition on the changes in the grassroots level of social control is also discussed Chinese law and criminal justice with particular

focus on the courts police and crime prevention are mentioned as well This unique collection of essays is a timely and significant contribution to the fields of comparative criminology social control Chinese studies and legal studies **An Introduction to American Policing** Dennis J. Stevens,2017-05-08 An Introduction to American Policing Second Edition connects the US criminal justice system criminology and law enforcement knowledge to the progress of the police community It is the perfect resource for a Police Science course **Media and Criminal Justice** Dennis Stevens,2011-04-19 The media and the CSI craze Motion pictures popular television dramas news reports Wars on crime and junkies Wars on sex offenders and poverty Terrorism and the war on immigrants Crime scene investigations forensics and junk science Prosecutors Wrongful convictions The death penalty Methodology and findings Recommendations to reduce wrongful convictions and eliminate capital punishment **Criminal Justice** ,2000 **Bibliographic Index** ,1999 *Law Books Published* ,1999 *Library Book Catalog* United States. Law Enforcement Assistance Administration,1976
