Police Probation And Protecting The Public:

A Five Year Strategy for Protecting the Public and Reducing Re-offending Great Britain: Home Office,2006-02-09 This document sets out the Government's five year strategy to reform the criminal justice system in England and Wales in relation to the management of offenders focusing on measures to address the factors involved in patterns of reoffending. Proposals include improved integration of prison and probation service roles under the National Offender Management Service the introduction of going straight contracts for offenders setting out a clear set of incentives and sanctions the creation of a single community order to replace existing communities penalties with a mix of 12 different requirements including unpaid community work as a community payback a new estates strategy for adult prisons with a plan for community prisons to be unveiled in Spring 2006 extended use of conditional cautions with variable fines based on ability to pay a new indeterminate sentence for public protection to ensure dangerous offenders do not get parole the introduction of a commissioning system that ensures the separation of those who buy services from service providers and legislation to turn probation boards into trusts

Politics and Public Protection Mike Nash,Andy Williams,2024-11-25 Responding to the need for an updated discussion on public protection and criminal justice legislation that links the past to the present Politics and Public Protection closely examines the interplay between politics and extreme criminal justice measures

Sex Offenders in the Community Amanda Matravers,2013-10-18 This book explores current criminal justice responses to the management of individuals who are convicted of sexual offences It aims to help policy makers practitioners and students to develop an informed position on this complex and increasingly controversial issue Although the focus is primarily upon the UK context contributions from North America USA and Canada provide an important comparative perspective

Managing High Risk Sex Offenders in the Community Karen Harrison,2010-03 This book explores the issues surrounding sex offenders evaluating the measures in use or being considered including drug treatment MAPPA the use of the Sex Offender Register restorative justice techniques and treatment programmes

Handbook of Public Protection Mike Nash,Andy Williams,2010-09-27 Public protection has become an increasingly central theme in the work of the criminal justice agencies in many parts of the world in recent years Its high public profile and consequent political sensitivity means that growing numbers of criminal justice professionals find their daily work load dominated by the assessment and management of high risk of harm offenders Developments such as sex offender registers and in the UK Multi Agency Public Protection Arrangements Mappa have made this issue not only a core activity for police probation and prison services but to a range of other organizations as well in particular social work and the health services Partnership has become central to the concept of public protection At the same time the concept of public protection has occasioned increased political debate Protecting the public from high risk or dangerous offenders has become an international issue and has increasingly shaped criminal justice policy This text brings together leading authorities in the field providing authoritative coverage of the theory and practice of

public protection both in the UK and internationally It provides a critical review of contemporary public protection practice as well as up to date research and thinking in the field

Student Handbook of Criminal Justice and Criminology John Muncie,2013-02 It discusses crime and criminology in relation to the media race Islam gender and politics and considers all the relevant theoretical debates that dominate criminology Chapters on the police courts probation and prisons are included along with more theoretical chapters regarding crime prevention youth justice and restorative and informal justice The Handbook also includes comparative materials and international criminal courts

Protecting the Public? Tessa Boyd-Caine,2012 The separation of powers and independent judicial decision making are generally accepted as hallmarks of the rule of law in democratic societies Yet the exercise of executive discretion remains an important aspect of criminal justice in many areas Protecting the Public explores the tension between the rights of individuals detained under criminal and mental health law and the responsibility for public protection in the little known world of executive discretion over mentally disordered offenders It is based on extensive and unique empirical research conducted at the UK Home Office with legal and clinical practitioners with civil society organisations and by reference to comparative jurisdictions Central questions considered include executive judicial and tribunal decision making mental health and criminal law reform regarding serious or high risk offenders the influence of human rights law on policy and practice and the role of civil society particularly victim interest groups in public policy Through its analysis of decisions to release high risk offenders this book goes to the heart of the public protection agenda examining how the public is constructed and what protection is provided by the exercise of executive discretion This book will be of interest to academic and other researchers students policy makers law reformers commentators and anyone interested in the field of criminal justice mental health law and public policy

Policy Networks in Criminal Justice M. Ryan,S. Savage,D. Wall,2001-09-05 Policy Networks in Criminal Justice is a comprehensive and challenging collection of studies on the workings of pressure groups in criminal justice and the articulation of pressure group politics and criminal justice policymaking Against a back cloth of policy networks theory the authors examine the role and activities of professional associations in the areas of policing probation law and the courts together with campaigning groups such as those in the areas of penal reform civil liberties and victims In addition the book includes a study of the growing role of local authorities in the world of criminal justice

Risk and rehabilitation Pycroft, Aaron,Clift, Suzie,2013-10-16 Substance misuse including alcohol and mental health problems constitute a significant proportion of the work carried out in the criminal justice system Approaches to these often intractable problems have seen the rise of a dominant risk paradigm concerned with public protection and the use of coercion through court orders to access treatment This original and valuable book considers notions of risk and rehabilitation in detail within the practice of those court orders whilst contextualising them within a wider comparative literature and research base The efficacy of these approaches practice issues and innovations including for example therapeutic jurisprudence are analysed Risk and rehabilitation also includes discussions of

the implications for partnership working and the importance of reconfiguring the nature of rehabilitative relationships This is a timely book as probation practice in the UK and elsewhere moves into a post what works era providing opportunities to review the evidence base for effective interventions

Understanding Risk In Criminal Justice Kemshall, Hazel, 2003-08-01 the Crime Justice series has become a key resource for universities in teaching criminology and criminal justice Professor Kemshall has established herself as a leading figure in the concepts of risk risk management and public protection issues an invaluable read for those entering Criminal Justice or moving to work in projects or teams at the forefront of public protection Vista How significant is risk to the formation and implementation of penal policy To what extent are the tasks and activities of frontline criminal justice workers informed by concerns to assess and manage risk Has there been a significant sea change in the delivery of criminal justice and if so what are the future implications of this This illuminating text examines the significance of the concept of risk in criminal justice policy and in the role of criminal justice agencies and crime prevention initiatives Particular features of the book include its use of practical examples coverage of previously unpublished research and a full review of current risk assessment tools for use with offenders It is designed with undergraduate courses in mind providing frequent summaries lists of further reading and a glossary The identification assessment and management of risk has become a central theme of criminal justice policy For some penal policy commentators this represents a sea change in crime management to a new era of actuarial justice that is the management of crime opportunities and risk distribution rather than the management of individual offenders By drawing on key areas of criminal justice practice such as policing probation and crime prevention this book examines the actual extent of this change and reviews the case for a new risk based penology The book combines a review of current theories on actuarial justice with a detailed examination of current practices in key frontline agencies The result is an essential text for criminology students and trainee professionals in criminal justice
