Police Urban Policing In Canada:

Urban Policing in Canada Maurice A. Martin, 1995 A retired Canadian Forces officer and former executive of the Canadian Police College argues that it's time to rethink the functions of urban policing in light of ongoing transformations in society as more people live in cities and crime rates rise He examines the status of the occupation of police officer analyzes the occupation's competence to achieve its capacities and assesses its professional attributes Finally he makes a case for the professionalization of Canada's urban police Annotation copyright by Book News Inc Portland OR *Urban Policing in Canada* Maurice A. Martin, 1995-05-01 Martin examines the environment of policing a profoundly urban enterprise that has been greatly influenced by the pace and nature of urbanization While police continue to serve the criminal justice system well he finds that they have become less effective in carrying out the larger function of maintaining order which must be tailored to changing urban circumstances Policing still functions as a craft with its hallmark in at the bottom entry requirements and emphasis on skills attained through experience In *Urban Policing in Canada* Martin makes a convincing case for transforming policing into a knowledge based profession Police John Sewell, 1985 Crisis in Canada's Policing John Sewell, Christopher J. Williams, 2021-09-07 In the summer of 2020 as the COVID 19 pandemic surged millions gathered across Canada and the United States to protest violence and racism in policing sparked by the murder of George Floyd at the hands of Minneapolis police officers In the days and weeks following the deaths of Regis Korchinski Paquet in Toronto and Chantel Moore in New Brunswick showed that police violence is also a Canadian reality Although BIPOC communities and activists had been calling for action for years these events sparked unprecedented public outrage and drew crowds in the thousands across Canada calling for the defunding of Canada's police Many authoritative reports have identified big problems in Canada's law enforcement system and have concluded that police are more likely to create or escalate violent situations than promote safety and security Why How has an institution tasked with keeping citizens safe become so dangerous to so many Canadians John Sewell has been studying the problems facing Canadian policing since the 1980s In *Crisis in Canada's Policing* he shines light on the origins of police culture synthesizes dozens of reports that reveal the failures of the police system in Canada and offers solutions that put power back into the hands of community leaders while reining in and reforming police organizations **Canada's Colonies** Ken S. Coates, 1985-01-01 Acknowledgements Introduction Approaching the North 1 The Land Original Peoples and First Contacts 2 The Early Fur Trade 3 The Gold Frontier and the Klondike 4 The Doldrums in the Middle North 5 Boom and Bust in the Arctic 6 The Army's North 7 The Bureaucrats North 8 Whither the North Further Reading Index **Criminal Injustice** Robynne Neugebauer, 2000-01-01 This volume examines racism within the process of criminal justice In every society criminal justice plays a key role establishing social control and maintaining the hegemony of the dominant economic classes The contributors to this anthology argue that the differential treatment of people of colour and First Nations peoples is due to systemic racism within all levels of the criminal justice

system which serves these dominant classes Ideological and cultural changes are preconditions for the success of anti racist policies and practices within the criminal justice system and within other state institutions Recommendations for transformations in justice policy and practice are provided *Honouring Social Justice* Margaret E. Beare,2008-01-01 These essays provide an illuminating introduction to the background of important social causes and describe dedicated examples of how to effectively champion calls for social justice Misguided Missiles Simon Rosenblum,1985-01-01 First published in 1985 Misguided Missiles examines the intense controversies surrounding Canadian participation in the development of new weapons systems during the Reagan years Simon Rosenblum demonstrated how these weapons systems were dubious even on their own terms technically economically and strategically Deploying a tremendous depth of research the author shows how Pentagon and defence industry machinations rather than security needs explain the contemporary rise of the cruise missile and Star Wars initiatives Misguided Missiles offers a vital an immediate appreciation of one of the most contentious debates in Canadian national life in the early 1980s **Police Officer** Claude L.
