from the viewpoint of their impact on the development of the field the rhetoric that justified their embrace by the public and the factors that shaped them For this reason we find it useful to present five great ideas that shaped the field combining their historical importance and theoretical distinctiveness Public administration is a subject of human inquiry with ancient roots Contrary to present practice the ancients were preoccupied with the governance of public affairs as opposed to business and very often as in Greece had disdain for commerce and management of the business enterprise Ancient empires created elaborate state structures and effectively operated an apparatus overseeing huge territories This book is a comprehensive up to date textbook on the constantly changing and often complex world of this subject Contents Public Administration Meaning Nature and Scope Organisation Administrative Thinkers Theories and Models of Comparative Public Administration A comparative Study of the Administration Indian Administration Personnel Administration Handbook for Ethiopian Public Administration Program Accreditation Bacha Kebede Debela, Berhanu Temesgen Eshetu, Chala Deyessa Fita, Geert Bouckaert, Hailu Megersa Tola, Kiflie Worku Angaw, Shumey Berhie Teshome, Solomon Gebreyohans Gebru, 2022-06-15 Improving assuring and maintaining the quality and relevance of education and training in Public Administration has attracted increasing attention among PA scholars and practitioners worldwide The Handbook for Ethiopian Public Administration Program Accreditation is a follow up to the first handbook on Ethiopian Public Administration The new handbook zooms in on how to improve assure and accredit PA education and training programs in Ethiopia It is consistent with the Pan Africanism and African Union s Agenda 2063 and contributes to the United Nations Sustainable Development Goals SDGs particularly SDGs 4 and 16 Together with the handbook Public Administration in Ethiopia 2020 the current follow up volume is a valuable stepping stone for PA teaching and PA research in Ethiopia and therefore essential reading for students practitioners and theorists interested in public administration public policy and sustainable development

Handbook of Public Administration B Guy Peters, Jon Pierre, 2007-05-23 The past two decades have been marked by a period of substantial and often fundamental change in public administration Critically reflecting on the utility of scholarly theory and the extent to which government practices inform the development of this theory the Handbook of Public Administration was a landmark publication which served as an essential guide for both the practice of public administration today and its on going development as an academic discipline The Concise Paperback Edition provides a selection of 30 of the original articles in an accessible paperback format and includes a new introduction by B Guy Peters and Jon Pierre It is an essential point of reference for all students of public administration
