Policy Making In The European Communities:

Policy-making in the European Union Helen Wallace, Mark A. Pollack, Alasdair R. Young, 2015 The policies of the European Union profoundly affect the lives of people in Europe and around the world The new edition of this highly successful textbook outlines how and why such decisions are made as well as the key challenges faced by policy makers in the current political and economic climate Policy-making in the European Communities Helen S. Wallace, William Wallace, Carole Webb, 1977 Policies and Policy Processes of the European Union Laurie Buonanno, Neill Nugent, 2020-11-28 The dynamic and complex system of European Union policymaking is analysed in this new edition of a much praised textbook It offers the most integrated understanding of EU policy available Major approaches to policymaking including intergovernmentalism neofunctionalism supranationalism and critical theory are presented and supplemented with the authors own theoretical model federal integration to create a comprehensive evaluation of the EU s interests and actors in key policy domains The text covers the EU s main policy areas including those on the single market Economic and Monetary Union foreign policy migration and border control social and regional policies and the budget locating them in this wider theoretical framework As such it is the key introduction to the subject for students of European Politics at undergraduate and postgraduate levels New to this Edition Each chapter rewritten many extensively throughout New chapters on migration and border control competition policy and social and cohesion policies New illustrative material and many new examples Each chapter now includes a Guide to Further Reading *Policy-Making in the European Union* Helen S. Wallace, Mark A. Pollack, Alasdair R. Young, 2025 The ninth edition of Policy Making in the European Union offers students and scholars a comprehensive understanding of the processes and institutions involved in EU policy making It particularly examines these processes in a more politicized context Gives students a solid grounding in theories and empirics of EU policy making Details the processes and institutions central to EU policy making Analyses a wide range of policy areas in greater detail than any competing text considering substantive material in both a practical and theoretical context Concludes with a clear assessment of the challenges that have shaped and will continue to shape policy making including the politicization of the EU Brexit geopolitical shifts and Covid 19 New to this edition Detailed assessment of the implications of greater geopolitical contestation including Russia s invasion of Ukraine in 2022 Evaluation of the implications of the UK s departure for EU policy making Coverage of the EU s response to the Covid 19 pandemic and what it reveals about EU policy making Differential Europe Adrienne Windhoff-Héritier, 2001 Heritier Kerwer Knill Lehmkuhl all with the Max Planck Project Group Common Goods Law Politics and Economics Teutsch European Union Department of the German Federal Ministry of Labour and Social Affairs and Douillet Ecole Normale Supérieure de Cachan combine efforts in this study to develop a theoretical and conceptual framework for studying the impact of European policies on member states The authors argue that the influence of EU policies on each member state depends on each state s preexisting policies and institutional capacity to

change The study focuses on transport policy presenting case studies from Britain France Germany Italy and the Netherlands to demonstrate differences in the impacts of EU policies The text concludes with a comparison of the differences in responses of member states to identical European policy demands and similar external and internal conditions c Book News Inc

Policy-making in the European Union Laura Cram,1997 This book takes a fresh view at attempts to conceptualize the process of European integration It highlights the often neglected but crucial role of European institutions in understanding major constitutional decisions in the European Union

European Union Jeremy Richardson,2006-01-16 This best selling book delivers a comprehensive introduction to the policy making processes at work in the European Union Written by some of the leading authorities in the field this new edition has been significantly improved to make it even more accessible for second and third year undergraduates Addressing some of the more contentious areas in order to stimulate students interest this book also continues to cover the vital elements of EU courses including theory history institutions policy relations with member states external relations enlargement A companion website also supports this edition with a clear guide to more technical material such as statistics as well as regular updates This volume is essential reading for all students of politics and the European Union

The European Commission, Expert Groups, and the Policy Process Julia Metz,2015-08-11 This book challenges the assumption that policy makers work with advisory committees is emblematic of technocratic governance Analyzing how and why the European Commission uses expert groups in the policy process it shows that experts not only solve technical problems but also function as political devices and negotiators in modern governance

European Union Policy-Making Nicole Herweg,2017-02-23 This book furthers the ongoing theoretical development of the multiple streams framework assessing its applicability to European Union EU policy making processes It systematically defines and identifies functional equivalents for all of the framework s core concepts at the EU level and extends the framework in order to explain agenda setting and decision making Furthermore the book derives a set of explicit hypotheses to empirically assess the extent to which the modified framework is able to explain timing agenda prominence and policy change or a lack thereof for the EU natural gas directives passed in 1998 2003 and 2009 The analysis documents that the framework is well suited to explain the EU policy process in general and reveals where additional theoretical refinements are required

German Policy-Making and Eastern Enlargement of the European Union During the Ko Stephen Collins,2002 Fully revised and updated this fourth edition is a comprehensive introduction to the politics of the Irish republic Includes coverage of the 1997 general election and the creation of a new coalition of Fianna Fail and the Progressive Democrats under Bertie Ahern that year Examines the implications of a written constitution changes in the party system the power of major interest groups the role of the civil service the position of the media and membership of the European union Places the Republic in its international political context examining its relationship with Britain and the United States and includes full coverage of recent developments such as the Good Friday Agreement and the Celtic Tiger economy Reflecting recent developments in

Irish politics the book now has an entire chapter devoted to political corruption
