Political Economy Of North American Free Trade:

The Political Economy of North American Free Trade Ricardo Grinspun, Maxwell A. Cameron, 1993-06-18 Analyzes the economic social political and environmental implications of NAFTA from a range of critical perspectives The chapters unified by a sceptical view of the management of economic integration in North America cover the economic strategy of Mexico Canada US trade agreement and more *The Political Economy of a North American Free Trade Agreement* Alan Reynolds, 1992 NAFTA Now! Brenda M. McPhail, 1995 This collection of nine essays includes works by noted authorities in the fields of academia business and government They analyze the agreement and its political economic and socio cultural effects Each author draws on a unique background with authors coming from the United States Mexico and Canada The collection includes views from both supporters and critics of the agreement The NAFTA has provoked much debate and raised many difficult questions While there are no easy answers to these questions these engaging essays provide us with a coherent and comprehensive perspective to help the reader become better informed Co published with the Harvard Center for International Studies Contributors Brenda McPhail Sidney Weintraub Virginia Druhe Remi L Wrona Neil Nevitte Miguel Basanez Elaine Bernard Mildred A Schwartz Christopher Gutierrez Daniel Duke McVey North American Regionalism and Global Spread I. Hussain, R. Dominguez, 2015-02-19 Was the 1993 North American Free Trade Agreement NAFTA designed as a definitive trade agreement or as a stepping stone This book reviews NAFTA s performances on trade investment intellectual property rights dispute settlement as well as environmental and labor side agreements within a theoretical construct *A Review of the Assessments of the Likely Economic Impact of NAFTA on the United States* Gregory K. Schoepfle, 1993 **Global Political Economy** Theodore H. Cohn, 2015-08-07 Praised for its authoritative coverage Global Political Economy places the study of IPE in its broadest theoretical context This text not only helps students understand the fundamentals of how the global economy works but also encourages them to use theory to more fully grasp the connections between key issue areas like trade and development Written by a leading IPE scholar Global Political Economy equally emphasizes theory and practice to provide a framework for analyzing current events and long term developments in the global economy Post-NAFTA Political Economy Carol Wise, 2010-11-01 An assessment of the impact of NAFTA on Mexico and its implications for the broadening of hemispheric economic cooperation **The Political Economy of American Trade Policy** Anne O. Krueger, 2007-12-01 Exploring the political and economic determinants of trade protection this study provides a wealth of information on key American industries and documents the process of seeking and conferring protection Eight analytical histories of the automobile steel semiconductor lumber wheat and textile and apparel industries demonstrate that trade barriers rarely have unequivocal benefits and may be counterproductive They show that criteria for awarding protection do not take into account the interests of consumers or other industries and that political influence and an organized lobby are major sources of protection Based on these findings a final essay suggests that current policy fails to

consider adequately economic efficiency the public good and indirect negative effects This volume will interest scholars in economics business and public policy who deal with trade issues **The Political Economy of Trade Protection** Anne O. Krueger,2007-12-01 This clear concise summary of the in depth analyses presented in The Political Economy of American Trade Policy examines the level form and evolution of American trade protection In case studies of trade barriers imposed during the 1980s to help the steel semiconductor automobile lumber wheat and textile and apparel industries the contributors trace the evolution of efforts to obtain protection protectionist measures and their results A chapter assessing the common themes that emerge from the studies concludes that the focus of current trade law is exclusively on the individual protection seeking industries with little regard for indirect effects on using industries or for consumers Reform could usefully take these effects into account This volume will interest policymakers business executives and anyone interested in trade policy formulation and practice **Pacific Cooperation** John Ravenhill,Vinod Aggarwal,Paul M Evans,Pauline Kerr,2019-06-20 Long divided by cultural economic and political differences the Asia Pacific region has little history of multilateral cooperation Alliances that once linked individual countries with one or the other superpower fostered deep mistrust among neighbouring states The end of the Cold War however has created new opportunities for multilateral coo
