Political Theory And The Modern State:

Max Weber's Theory of the Modern State A. Anter,2014-02-19 Andreas Anter reconstructs Max Weber's theory of the modern state showing its significance to contemporary political science He reveals the ambivalence of Weber's political thought the oscillation between an statist position mainly oriented to the reason of state and an individualistic one focussed on the freedom of individuals *Political Theory and the Modern State* David Held,2000 **Political Theory and the Modern State** ,1989 *Political Theory and the Modern State* David Held,2013-04-24 This volume offers an incisive overview of central issues and controversies in political thought and analysis It includes major discussions of the idea of the modern state contemporary theories of the state problems of power and legitimation new forms of democratic ideal citizenship and social movements the direction of public policy and the fate of sovereignty in the modern global system While analysing these topics the author critically assesses the thought of many of those who have contributed decisively to political discussion Among those whose works are discussed are classic figures such as Hobbes Locke Mill and Marx as well as contemporary writers such as Habermas Offe and Giddens *Political Theory and the Modern State* is an ideal resource for students seeking an introduction to modern politics and political sociology It is also an original statement about the many competing perspectives in political thought today **The Modern State** Robert M. MacIver,Robert Morrison MacIver,1926

The Modern State Christopher Pierson,2012-08-06 The new edition of this well established and highly regarded textbook continues to provide the clearest and most comprehensive introduction to the modern state It examines the state from its historical origins at the birth of modernity to its current jeopardized position in the globalized politics of the 21st Century The book has been entirely revised and updated throughout including substantial new material on the financial crisis and the environment Subjects covered include The evolution of the state system Placing the state in modernity States and societies State and economy States and citizens States and the international order States of the twenty first century This book is essential reading for all those studying the state international relations and comparative politics *The Making of the Modern State* B. Nelson,2006-03-15 Nelson provides a historical overview of the theoretical and ideological evolution of the modern state from pre state and pre modern state formations to the present A major theme of the book is the need to understand the modern state holistically as a totality of social political and ideological factors **Max Weber's Theory of the Modern State** A. Anter,2014-02-19 Andreas Anter reconstructs Max Weber's theory of the modern state showing its significance to contemporary political science He reveals the ambivalence of Weber's political thought the oscillation between an statist position mainly oriented to the reason of state and an individualistic one focussed on the freedom of individuals *Democracy and the Global Order* David Held,2013-04-23 This book provides a highly original account of the changing meaning of democracy in the contemporary world offering both an historical and philosophical analysis of the nature and prospects of democracy today **Political Theory And The Modern State** ,
