Political And Economic Liberalization Dynamics And Linkages In Comparative Perspective:

Political and Economic Liberalization Gerd Nonneman, 1996 The authors explore the dynamics and complexities involved in the intertwined processes of democratization and economic liberalization in Asia the Middle East and Eastern Europe
The Dynamics of Democratization Geoffrey Pridham, 2001-01-01 A systematic comparison of three cases of democratization and regime transformation in Europe since 1945 this book highlights diversities of historical context

Economic and Political change in Tunisia E. Murphy, 1999-03-08 This book examines the processes of economic and political reform in Tunisia placing the current policies of Zine el Abidine Ben Ali within their historical context The book develops a theoretical understanding of the relationship between economic liberalisation and political change in the Arab world developing the concept of the disarticulation of the corporatist state and concluding that despite efforts at democratization an authoritarian political system is a more likely successor in the era of economic transformation

The Costs of Economic Liberalization in Turkey Mehmet Odekun, 2005 This book's main theme is that the neoliberal economic policies forced on developing countries by the International Monetary Fund and the World Bank serve the interests of Western industrial countries more than those of developing countries as the post 1980 Turkish experience illustrates Within a simple dependency oriented framework the book presents the effects of liberalization policies in Turkey These policies were mostly concerned with allocative efficiency disregarding distributional efficiency issues The results were not always socially or politically desirable These policies consistently favored capital over labor and created an economic system that made the rich richer and the poor poorer Privatization in the name of raising allocative efficiency contributed to increasing inequality and poverty Anti inflationary policies debt reduction schemes environmental policies and agricultural reforms all favored the interests of high income groups transferring surplus from the national metropolis to the international metropolis or by restructuring the developing countries output input and financial markets so that any exchange between developing and industrial countries would
Routledge Handbook of Middle East Politics Larbi Sadiki, 2020-03-31 Drawing on various perspectives and analysis the Handbook problematizes Middle East politics through an interdisciplinary prism seeking a melioristic account of the field Thematically organized the chapters address political social and historical questions by showcasing both theoretical and empirical insights all of which are represented in a style that ease readers into sophisticated induction in the Middle East It positions the didactic at the centre of inquiry Contributions by forty four scholars both veterans and newcomers rethink knowledge frames conceptual categories and fieldwork praxis Substantive themes include secularity and religion gender democracy authoritarianism and new borderline politics of the Middle East Like any field of knowledge the Middle East is constituted by texts authors and readers but also by the cultural spatial and temporal contexts within which diverse intellectual inflections help construct write speak academic meaning knowing and practice By denaturalizing notions of singularity of authorship or scholarship the Handbook plants a dialogic interplay

animated by multi vocality multi modality and multi disciplinarity Targeting graduate students and young scholars of political and social sciences the Handbook is significant for understanding how the Middle East is written and re written read and re read epistemology methodology and for how it comes to exist ontology

Networks of Privilege in the Middle East: The Politics of Economic Reform Revisited S. Heydemann, 2004-08-20 This volume explores the role of informal networks in the politics of Middle Eastern economic reform The editor s introduction demonstrates how network based models overcome limitations in existing approaches to the politics of economic reform The following chapters show how business state networks in Egypt Morocco Tunisia Syria Lebanon and Jordan have affected privatization programs and the reform of fiscal policies They help us understand patterns and variation in the organization and outcome of economic reform programs including the opportunities that economic reforms offered for reorganizing networks of economic privilege across the Middle East

Making Do in Damascus Sally K. Gallagher, 2012-10-10 Drawing on fieldwork that spans nearly twenty years Making Do in Damascus offers a rare portrayal of ordinary family life in Damascus Syria It explores how women draw on cultural ideals around gender religion and family to negotiate a sense of collective and personal identity Emphasizing the ability of women to manage family relationships creatively within mostly conservative Sunni Muslim households Gallagher highlights how personal and material resources shape women s choices and constraints concerning education choice of marriage partner employment childrearing relationships with kin and the uses and risks of new information technologies Gallagher argues that taking a nuanced approach toward analyzing women s identity and authority in society allows us to think beyond dichotomies of Damascene women either as oppressed by class and patriarchy or as completely autonomous agents of their own lives Tracing ordinary women s experiences and ideals across decades of social and economic change Making Do in Damascus highlights the salience of collective identity place and connection within families as well as resources and regional politics in shaping a generation of families in Damascus

The Politics of International Political Economy Vassilis Fouskas, 2014-08-13 This timely book will explain via a number of thematic and case studies that international economics is not an independent terrain of economic activity reproducing itself throughout history but a complex articulation of social political and culturally determined actions that are inextricably linked Chapters will address the role of dominant global powers in the making of global industrial and monetary relations and in particular ways in which and the degrees to which dominant economic and military powers such as the USA tend to shape the domestic economic environments of lesser powers after their own image Supplementing the chapters will be a comprehensive A Z glossary section which will include key International Political Economy terms e g international debt European free trade area International Bank for Reconstruction and Development IMF GATT WTO Foreign exchange fixed exchange rates floating exchange rates reserve currency gold dollar parity multinational corporation preferential trade agreement hedge funds etc Entries will be cross referenced for ease of use This book will be ideal for researchers and students in the areas of politics

international relations and international economics as well as for academics economists business people and those with an interest in the workings of international political economy Politics and Power in the Maghreb Michael Willis, 2014-04-17

The overthrow of the regime of President Ben Ali in Tunisia on 14 January 2011 took the world by surprise The popular revolt in this small Arab country and the effect it had on the wider Arab world prompted questions as to why there had been so little awareness of it up until that point It also revealed a more general lack of knowledge about the surrounding western part of the Arab world or the Maghreb which had long attracted a tiny fraction of the outside interest shown in the eastern Arab world of Egypt the Levant and the Gulf This book examines the politics of the three states of the central Maghreb Algeria Tunisia and Morocco since their achievement of independence from European colonial rule in the 1950s and 1960s It explains the political dynamics of the region by looking at the roles played by the military political parties and Islamist movements and addresses factors such as Berber identity and economics as well as how the states of the region interact with each other and with the wider world

Shifting Geo-Economic Power of the Gulf Bessma Momani, 2016-04-01 Bringing together for the first time distinguished Gulf experts to analyse the renewed geo economic prominence of the Gulf states this volume investigates some of the new power brokers in the world economy the oil exporting states of the Gulf The Gulf Cooperation Council's GCC members Bahrain Kuwait Oman Qatar the United Arab Emirates and Saudi Arabia collectively have the largest proven oil reserves in the world and are among the world's largest oil exporting states Gulf Arab states are actively pursuing a variety of foreign investment strategies Some of these investments are being managed by sovereign wealth funds government investment corporations and government controlled companies This renewed geo economic status has received a lot of media attention but there has been a dearth of academic study on what this shift in global economic power means for the international economic system This volume aims to fill this gap with a rigorous scholarly analysis based on primary sources and raw economic data It brings together the expertise of academics who have devoted their career to careful study of the region and of renowned scholars of international political economy
