Dr. B.R. Ambedkar S Political Philosophy Chandrakant Devappa Shivakeri,2004-01-01 Dr Ambedkar Was Not A Purely Speculative And Idealistic Political Philosopher In The Conventional Sense Like Plato And Aristotle Nevertheless He Developed His Own Social And Political Ideals Which Were Deeply Rooted In Real Human Problems And Issues And Vital Human Affairs His Political Philosophy Attempted To Bridge The Gulf Between Theory And Practice Materialism And Spiritualism Out Of His Sense Of Dejection With The Inhuman Treatment Meted Out To His Community By The Caste Hindus His Mission For The Total Emancipation Of The Servile Classes From The Clutches Of The Privileged Caste Hindus His Total Engagement With The Predicament Of Indian Society Evolved Ambedkar S Political Ideology The Book Aims To Juxtapose Ambedkar S Political Philosophy And Its Impact On Indian Society And Polity With Reference To Man And Society State And Government Nation And Nationalism Democracy Socialism Security Social Justice Education And Emancipation Of The Downtrodden However Other Aspects Of Ambedkar S Political Philosophy And His Charismatic Personality Are Also Incidentally Covered

Ambedkar's Political Philosophy Valerian Rodrigues,2024-09-06 Ambedkar s Political Philosophy is a critical exploration of the political theory of B R Ambedkar the Indian thinker and leader who championed the cause of the socially oppressed Rodrigues examines the key concepts that Ambedkar used to envision a new framework of public life that would overcome the problems of marginality degradation and domination This framework is based upon an idea of the human endowed with the attributes of reasoning moral capacity self respect and a unique dignity that collectively entitles human beings to a distinct consideration as moral equals despite other differences Ambedkar deployed the idea of the human not merely to contend against the social institutions of caste untouchability and other forms of marginalities but also to interrogate texts traditions and modes of social dominance In a democracy the representational constitutional and institutional architecture of state power is geared to sustain and reinforce itself Such an architecture however may prove feeble unless shored up by the moral foundations of societies and backed by religious sanction In Ambedkar s view only Buddhism as a religion fits the bill In this book the author engages with Ambedkar s primary works in both English and Marathi and the debates around them and situates his ideas in the South Asian context making it a comprehensive and insightful commentary on his political philosophy and its relevance for contemporary society

nationalism and international peace and justice **Modern Indian Political Thought** Bidyut Chakrabarty, Rajendra K. Pandey, 2023-09-29 This book is an unconventional articulation of the political thinking in India in a refreshingly creative manner in more than one way Empirically the book becomes innovative by providing an analytically more grasping contextual interpretation of Indian political thought that evolved during the nationalist struggle against colonialism Insightfully it attempts to unearth the hitherto unexplored yet vital subaltern strands of political thinking in India as manifested through the mode of numerous significant socio economic movements operating side by side and sometimes as part of the mainstream nationalist movement This book articulates the main currents of Indian political thought by locating the text and themes of the thinkers within the socio economic and politico cultural contexts in which such ideas were conceptualised and articulated The book also tries to analytically grasp the influences of the various British constitutional devices that appeared as the responses of the colonial government to redress the genuine socio economic grievances of the various sections of Indian society The book breaks new ground in not only articulating the main currents of Indian political thought in an analytically more sound approach of context driven discussion but also provokes new research in the field by charting a new course in grasping and articulating the political thought in India This volume will be useful to the students researchers and faculty working in the fields of political science political sociology political economy and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies **The Socio-political Ideas of BR Ambedkar** Bidyut Chakrabarty, 2018-10-03 Dr Bhimrao Ramji Ambedkar 1891 1956 popularly known as Babasaheb stands out for his relentless battle against caste discrimination He was a voice for the marginalized of India s demography that remained peripheral due to well entrenched socio economic and political prejudices This book is an analytical account of how Ambedkar s socio political ideas evolved as part of his wider politico ideological challenge against self motivated designs for exploitation of human beings by human beings The author contends that it was an ideological discourse that he built in a context when dominant nationalist viewpoints seem to have hardly left space for any other discourse to grow The book argues that Ambedkar s socio political ideas were an outcome of his personal experiences of social atrocities which were justified as integral to the caste system The book comprises six substantial chapters which delve into the socio political ideas of BR Ambedkar concentrating on those sets of ideas through which he established his claim as an original thinker in opposition to the dominant nationalist discourse Unlike the most conventional studies of Ambedkar s thoughts and ideas the book provides a new methodological tool to decipher their conceptual roots It is therefore argued that Babasaheb s unique conceptualization of social justice was not just an outcome of his existential existence of being a Dalit but an offshoot of his own understanding of liberalism as a mode of emancipating human beings from shackles of authority power and domination Examining Ambedkar s ideas the book charts and examines the growth and consolidation of constitutional democracy in India since it was inaugurated with the acceptance of the 1950 Constitution It will be of interest

to scholars in the fields of Indian political theory South Asian politics and history **Social and Political Thought of Mahatma Gandhi** Bidyut Chakrabarty,2006 This book examines the Gandhian precepts of satyagraha or non violent protest and non violence and the evolution of these precepts in the context of anti imperial movements organized by Gandhi
