

Political Parties In Canada

**William P. Cross, Scott Pruyzers, Rob
Currie-Wood**

Political Parties In Canada:

The Political Party in Canada William P. Cross, Scott Pruyssers, Rob Currie-Wood, 2022-11-01 Political parties exist at the centre of democratic politics but where does power lie within them and how is it exercised The Political Party in Canada explores the inner workings of these complex organizations through an examination of the composition and roles of key party actors members and activists candidates local associations donors central officials and members of Parliament as well as the interactions between them Contemporary parties play a key role in recruiting and selecting candidates and leaders waging election campaigns and organizing legislatures Drawing on a rich trove of data from the 2015 and 2019 federal elections this book offers a comprehensive examination of the composition functions activities and power sharing relationships that characterize Canadian parties The authors focus not only on which groups are included in decision making but also on what power and authority rest with each level of the parties respective structures Basing its astute investigation on the themes of complexity representation and personalization The Political Party in Canada provides important insights into a fundamental institution that makes modern democracy possible Canada Electoral, Political Parties Laws and Regulations Handbook Volume 1 Elections: Strategic Information, Regulations, Procedures IBP, Inc., 2016-06-18 Canada Electoral Political Parties Laws and Regulations Handbook Strategic Information Regulations Procedures *Party Politics in Canada* Hugh G. Thorburn, Alan Whitehorn, 2001 Aimed at upper level undergraduate and graduate classes at the university level this collection of 33 essays provides a broad range of perspectives on Canada's diverse and dynamic political climate It is a classic political studies reader that combines the strengths of tradition and innovation papers by distinguished political experts are combined with the perspectives of modern scholars to create a thoroughly updated text *Political Parties in Canada* Conrad Winn, John McMenemy, 1976 *Pro-Family Politics and Fringe Parties in Canada* Chris MacKenzie, 2014-05-14 Pro Family Politics and Fringe Parties in Canada explores the organizational and ideological nature of political parties that are initially formed to do the work of social movements Specifically it examines the development of the Family Coalition Party of British Columbia FCP from its origins as a group of alienated Social Credit Party members to its rebirth as the Unity Party of British Columbia and through its struggles as a marginal political entity along the way While addressing the FCP's relationship to the larger North American pro family movement Chris MacKenzie also deftly demonstrates how the party can be seen as organizationally congruent with its ideological antithesis the Green Party Basing his findings on seven years of field research he identifies the obstacles that political parties involved in social movement work must overcome in order for them to achieve their goals He concludes that despite their invaluable contribution to democracy such party movements have limited political institutionalization Consequently their only realistic goal may be to merge their ideals with those of another larger political body This book makes a substantial contribution to our understanding of the genesis development and impact of political party movements in Canada Moreover it provides useful insight into the

dynamics and issues that make up the current pro family movements in Canada and the United States Political Parties

William Cross,2011-11-01 Political parties are at the centre of Canadian democracy They choose our prime ministers premiers and candidates for public office they decide which policy issues are considered in the provincial and federal legislatures they dominate our election campaigns As a result a democracy that is participatory responsive and inclusive can only be achieved if Canadian political parties share these values and operate in a manner respecting them In a concise and accessible manner this book delves into the history structure mechanisms and roles of Canada s political parties and assesses the degree to which Canadians today can rely on political parties as vehicles for grassroots participation With an emphasis on Canada s federal parties Cross examines party membership candidate recruitment leadership selection policy development election campaigning and party financing Throughout he maintains a clear focus on how well Canadian parties are serving the Canadian people and in keeping with the aims of the Democratic Audit interrogates their performance in terms of participation inclusiveness and responsiveness In addition the book also draws on the experiences of provincial parties to provide a comprehensive portrait of party life in Canada Where appropriate comparisons are drawn with parties in other Western democracies A crucial and timely overview of political parties this book will appeal to all those who seek a fuller understanding of the Canadian party system Those interested in how regular citizens participate in party decision making will be particularly concerned with Cross disturbing conclusion that our parties are falling short in terms of benchmarks set forth by the Canadian Democratic Audit *Canadian Politics* James Bickerton,Alain Gagnon,2009-01-01 The new fifth edition of *Canadian Politics* continues the work of earlier editions in offering a comprehensive introduction to Canadian government and politics by a widely recognized and highly respected group of political scientists writing about subjects on which they are acknowledged experts For this edition the editors have organized the book into four sections Part I Citizenship Identities and Values Part II Institutions Part III Democracy and Representation and Part IV Canada in the World The fourth section develops a focus on the diverse and increasingly important influences of globalization on the Canadian polity the environment and the role of Canada in the world Of the eighteen chapters nine are completely new and six new authors appear including Martin Papillon on Aboriginal governments Peter J Stoett on Canadian international environmental policy and Andrew F Cooper on Afghanistan and Canadian foreign policy The remaining chapters have been thoroughly revised and updated *Political Parties and Elections* Anika Gauja,2016-04-22 *Political Parties and Elections* presents a comparative analysis of the ways in which advanced industrial democracies seek to regulate the activities of political parties in electoral contests Actual political practice suggests that parties are crucial actors in democratic elections yet the nature and extent to which parties are regulated or even recognized as participants in the electoral process varies greatly among nations Author Anika Gauja analyzes the electoral laws of five key common law democracies with similar parliamentary and representative traditions similar levels of economic and political development yet with significantly different electoral

provisions the United States the United Kingdom Canada Australia and New Zealand Using the relationship between law and politics as a lens the book focuses specifically on the ways in which these jurisdictions seek to regulate the behavior of their political parties as the product of a broader normative vision of how representative democracy ought to function In its subject matter comparative scope and interdisciplinary theoretical framework this book examines not only electoral law but also ancillary legislation such as funding regulations associations and corporations law and constitutional provisions It also analyzes the case law that guides the interpretation of this legislation Political Parties and Elections represents an innovative body of research comparing for the first time the electoral legal regimes of a significant number of common law nations

Regionalism and Party Politics in Canada Keith Archer, Lisa Young, 2002 Arising from a conference held at the University of Calgary in honour of Mildred Schwartz Regionalism and Party Politics in Canada brings together current scholarship on regionalism and parties in order to make sense of the transition of the party system Canada's party system is clearly in a state of flux we are moving from the two and a half party system that has dominated the country for most of the past century to something new A look at the current Parliament suggests that regionalism has become the most dominant and important cleavage in Canada Divided into four sections the text first examines different approaches to the study of regionalism It then moves on to the place of regionalism in Canadian society before turning towards regionalism's relationship to the Canadian party system The volume concludes with an examination of how Canada compare with the rest of the world in terms of the regionalism of its parties and party systems

Women and Political Representation in Canada Caroline Andrew, Manon Tremblay, 1998 This collection of essays explores the often antagonistic relationship between women and political life in Canada While women make up little over half of the total population in Canada they are in many ways conspicuous by their absence from the Canadian political scene Published in English
