

Shawn Rosenberg, Dana Ward, and Stephen Chilton

Political Reasoning

Andrew Lister

Political Reasoning:

Political Reasoning and Cognition Shawn Rosenberg, Dana Ward, Stephen Chilton, 2013-07-12 This work presents a new alternative approach to studying the formation of political ideologies and attitudes addressing a concern in political science that research in this area is at a crossroads. The authors provide an epistemologically grounded critique on the literature of belief systems explaining why traditional approaches have reached the limits of usefulness. Following the lead of such continental theorists such as Jurgen Habermas and Anthony Giddens who stress the importance of Jean Piaget to the development of a strong theoretical perspective in political psychology, the authors develop a different epistemology theory and research strategy based on Piaget then apply it in two empirical studies of belief systems and finally present a third theoretical study of political culture and political development. *Understanding Policy Attitudes: Effects of Affective Source Cues on Political Reasoning* Lenka Hrbková, 2016-01-01 Jak m zp sobem si ob an utv ej politick postoje Jak politikov ovliv uj politick postoje lid v jejich ka dodenn m ivot Maj postoje lid v i politick m stran m vliv na ve ejn m n n Autorka knihy pomoc s rie laboratorn ch experiment zkoumala procesy formov n postoj lid k politick m t mat m v souvislosti s jejich emocemi v i politick m akt r m V zkum se zam il p edev m na negativitu a negativn pocity astn k v i politick m p edstavitel m a uk zal e tento typ negativn ho vztahu ovliv uje zp sob jak lid p em l o politick ch t matech Vzhledem k tomu e experiment ln metoda je na poli esk politick v dy novinkou c lem knihy je tak p edstavit experiment jako relevantn a u ite n n stroj pro roz en znalost o d le it ch politick ch procesech a fenom nech **A New Model of Political Reasoning** Kanzhen Li, 2021-02-16 Why politics and international relations seem to be driven by power strategies in some conditions but seem to be attached to values beliefs in other situations Based on findings in political psychology and international relations the book builds a new political reasoning model a two layered motivation heuristic complex The model grasps the internal mechanism that drives the co existent and dynamic relationship between material and ideational considerations in making political choices phenomena diverse and evolving across situations and periods Applied to the case of China and human rights the model helps understand several questions that attract those who are interested in the topic e g the roots and contents of strategic and conceptual factors that continuously influence China s human rights idea policies if why and how the strategy ideational relationships in such idea policies evolve across periods and the role that China s national security condition and external pressure play during such evolving relationships *Moral and Political Reasoning in Environmental Practice* Andrew Light, Avner De-Shalit, 2003 Essays showing how environmental philosophy can have an impact on the world by integrating abstract reasoning with actual environmental practice *Political Reason* A. Fives, 2012-11-06 In modern democracies existing moral pluralism conflicts with a commitment to resolve political disputes by way of moral reasoning Given this fact how can there be moral resolutions to political disputes and what type of reasoning is appropriate in the public sphere Fives explores this by closely analysing the work of MacIntyre and Rawls **Reasoning and Choice** Paul M. Sniderman, Richard A. Brody, Philip

E. Tetlock, 1991 A major new theoretical explanation of how ordinary people decide what to favour and what to oppose politically Political Reason in the Age of Ideology Daniel Mahoney, 2017-07-05 A little over one hundred years after his birth and not quite twenty five years since his death interest in the French political philosopher and sociologist Raymond Aron 1905 1983 continues to grow Aron is now widely recognized as one of the most significant intellectual figures of the postwar period whose wide ranging reflections played a key part in preserving liberal democracy in Europe and abroad His sober analyses of modern society his trenchant critique of ideological politics and every form of totalitarianism and his philosophical reflections on politics and history have given powerful support to democratic liberalism throughout the western world Aron s work combines passion and observation disinterested reflection and love of liberty in a way that is an imitable model for humane and balanced political reflection In this stimulating collection of essays inspired by the centennial of Aron s birth a distinguished group of North American and European scholars including Pierre Manent Stanley Hoffmann Irving Louis Horowitz Liah Greenfeld Claude Lefort and Aurelian Craiutu examine four key aspects of Aron s thought and work his educative legacy his reflections on other philosophers and intellectuals his distinctive approach to international relations and the unique character of his own political reflection The result is a masterful engagement with Aron s intellectual legacy and a thoughtful coming to terms with the political and intellectual substance of the twentieth century **Public Reason and Political Community** Andrew Lister, 2013-10-24 Public Reason and Political Community defends the liberal ideal of public reason against its critics but as a form of moral compromise for the sake of civic friendship rather than as a consequence of respect for persons as moral agents At the heart of the principle of public justification is an idealized unanimity requirement which can be framed in at least two different ways Is it our reasons for political decisions that have to be unanimously acceptable to qualified points of view otherwise we exclude them from deliberation or is it coercive state action that must be unanimously acceptable otherwise we default to not having a common rule or policy on the issue at hand Andrew Lister explores the anti perfectionist dilemma that results from this ambiguity He defends the reasons model on grounds of the value of political community and applies it to recent debates about marriage Public Reason in Political Philosophy Piers Norris Turner, Gerald Gaus, 2017-08-10 When people of good faith and sound mind disagree deeply about moral religious and other philosophical matters how can we justify political institutions to all of them The idea of public reason of a shared public standard despite disagreement arose in the seventeenth and eighteenth centuries in the work of Hobbes Locke Rousseau and Kant At a time when John Rawls influential theory of public reason has come under fire but its core idea remains attractive to many it is important not to lose sight of earlier philosophers answers to the problem of private conflict through public reason The distinctive selections from the great social contract theorists in this volume emphasize the pervasive theme of intractable disagreement and the need for public justification New essays by leading scholars then put the historical work in context and provide a focus of debate and discussion They also explore how the search for public reason has informed a wider body of

modern political theory in the work of Hume Hegel Bentham and Mill sometimes in surprising ways The idea of public reason is revealed as an overarching theme in modern political philosophy one very much needed today Research Handbook on Political Partisanship Henrik Oscarsson, Sören Holmberg, 2020-05-29 Based on cutting edge global data the Research Handbook of Political Partisanship argues that partisanship is down but not out in contemporary democracies Engaging with key scholarly debates from the rise of right wing partisanship to the effects of digitalization on partisanship contributions highlight the significance of political partisanship not only in the present but in the future of democracies internationally

Recognizing the artifice ways to get this books **Political Reasoning** is additionally useful. You have remained in right site to start getting this info. get the Political Reasoning join that we give here and check out the link.

You could purchase guide Political Reasoning or get it as soon as feasible. You could speedily download this Political Reasoning after getting deal. So, afterward you require the ebook swiftly, you can straight acquire it. Its fittingly no question easy and therefore fats, isnt it? You have to favor to in this expose
