Prayers For The Lords Day And Other Times The Exiles Are Gathered For Worship

RJ Alexander

Prayers For The Lords Day And Other Times The Exiles Are Gathered For Worship:

Prayers for the Lord's Day James S. Lowry, 2002-01-01 In this collection of liturgical prayers James S Lowry provides an excellent resource for preaching pastors Correlating with the Book of Common Worship of the Presbyterian Church U S A this book includes prayers of confession pastoral prayers prayers of thanksgiving prayers before meetings prayers for weddings and prayers for funerals Believing that the church is currently in a state of exile Lowry seeks to feed the church's hunger for language and poetry in their worship that is not tied to old cliches or laden in the watered down language of current liturgical reform

How Majestic Is Your Name Walter Leslie McConnell, 2021-12-07 Christians give a broad spectrum of answers to the question What is worship These include ascribing worth to God performing certain activities during worship services singing a particular style of song responding to God with our whole being and more That Christians have such a splintered understanding of something as important as worship is far from satisfactory How Majestic is Your Name aims to broaden our understanding of worship by engaging the subject biblically and theologically as developed in both Testaments of Scripture As we learn more of God's design our daily weekly and seasonal practices of private and public worship will be renewed Foundations are laid by identifying the Old and New Testament words for worship and demonstrating their importance The object of worship is brought into focus as we encounter the God who is experienced as Father Son and Holy Spirit The object identified we consider the people who worship within space and time by engaging in a variety of activities Not content with simply recounting biblical evidence about the worship of Israel and the early church the book challenges modern worshipers to allow this biblical theological study to guide their thinking and shape their practice

The New Generation of Worshipers in the 21st Century Pastor Stephen Kyeyune, 2010-05 This book is good for all classes of people both lay men and clergy men It covers the lifestyle of a believer and the ordained way that God intended us to worship Him This book is meant to revive the worship of this generation
