

Short Prayer For All Animals

Dear Creator God, I thank you for the wonderful variety of animals that you created and spread all over the earth. From our pets to wildlife, and the many animals and creatures I may never see in person, I am in awe at their beauty and strength, and uniqueness.

I pray to you for all of them. I know that's a real general prayer, but I pray it knowing you hear me. I pray for their lives and habitat. Some may die and some may kill in the circle of life of predator and prey. I accept that as that is the natural order of things.

For animals that are domesticated, I pray their owners care for them and don't abuse them. For the wild animals, I pray against any poachers. Thank you for hearing this prayer through Jesus Christ, Amen.

Prayers for the Welfare of Animals Sheila CAMPBELL (author of "Prayers for the welfare of animals".),1971

Animals in Heaven? Terry Martin,2024-09-26 Christians of all traditions have often puzzled with the question Do dogs go to heaven Drawing on Catholic teaching and on his long pastoral experience as a parish priest Terry Martin expands that concept to consider wider issues around all animals domesticated and free living and why they are here Within a context of Christian faith he seeks to understand the place of animals in God s complex creation and the relationship that human beings have for good or ill with those animals More than that he looks at the big questions which so many ask about who under God animals are and what meaning if any animal lives have from a Catholic Christian perspective

Compassion for Animals Andrew Linzey,2017-05-16 Comprising a rich variety of quotations from some of the greatest thinkers in the Christian tradition this new anthology will encourage a more sensitive and compassionate regard for the animal creation Suitable for use by groups or individuals Compassion for Animals will become a valuable resource for discussion and worship whether in church in school or in the home

Pet Prayers and Blessings Laurie Sue Brockway,Victor Fuhrman,2020-11-15 We all

love and adore our pets Most of us will do anything to keep them healthy and happy And some pet owners feel a deeply spiritual bond to animals as well This unique collection of blessings specifically addresses the spiritual needs of those modern day pet owners Besides offering original prayers and adaptations of classics it explains how to lead rituals and celebrations and provides advice on involving pets in spiritual events including those conducted by the clergy Although this book honors many faiths it is non denominational and non religious and encompasses elements from many cultures and traditions There are healing prayers for ailing animals ceremonies for special occasions such as the arrival of a new pet and blessings for a long and happy life with your animal companion

Animal Rites Andrew Linzey, 2015-06-23 Christians believe that the logos is the source of all life yet Christian worship remains unashamedly human centric The world of creation and animals in particular is almost invisible in our worship The churches do not have the liturgical means of celebrating the life of animals giving thanks for their companionship praying for the relief of their suffering or marking their death This unique book provides a variety of liturgies that are animal friendly and animal inclusive They include services in celebration of animal companionship services for animal welfare healing liturgies new eucharistic prayers for the whole creation and animal burial services Underlying all these new forms is a serious theological purpose to help us to draw deeper into the mystery of God's work in creation and to affirm other sentient beings as co creatures with us
