difference In Just 10 Minutes a day Join thousands as we lift up a prayer shield over The Church Your Community State
Nation and the World The World that God LOVES Add YOUR prayer shield of faith over our land In 2016 the first edition of
50 Days of Prayer was published and distributed It has been written by 14 Christian authors You will notice different
personalities and passion arise in each prayer Some are prayer leaders and some are pastors We asked our authors from
around the state to incorporate the scripture into each prayer What you have before you is a powerful tool that will lead you
to pray for topics that impact you but likely you never thought to pray for The Word does not return void but accomplishes
that for which He sent it Isaiah 55:11 You will see the paraphrased Word woven throughout this book so BELIEVE that your
prayer will make a difference because it will This is very exciting In 2019 we felt the Lord was calling us to enlarge the
prayer territory Our 50 Days of Prayer Team began to work with Pray Oregon to build a Prayer Shield over Oregon and the
Nation The goal is that on the first of every month more Counties will begin 50 Days of Prayer This raises a continuous
prayer shield over our state and nation all year long As new communities are added eventually every state will be bathed in
continuous prayer This prayer can spread like wildfire the fire of God to bring healing to our people and nation If each
church catches the fire of His love to lift up passionate prayer over our people and land we can expect a sweeping move of
God So let's do it Give 10 minutes to bring yourself and your family to God's throne of grace to find help for our people Use
this book as a launch pad to pray what God puts on your heart Go for it And thank you for praying Linda Hanratty President

prayer campaigns for 50 days Communities are encouraged to use a prayer guide that contains info to go with many of the 50
days such as statistics or the names of office holders so that your prayers can be more specific for each day We can provide
your team with a template and instructions so that you can provide a reading guide for everyone who is participating in your
50 days of prayer campaign We can even produce a custom book and reading guide for your community if you like You can
find out how to do this at our web site as listed on the forward page in the book You are encouraged to share this book and
information on how a community can use it for concentrated periods of prayer with any prayer leaders that you know Terry
Blaser 50 Days of Prayer *Charisma and Community* Mary Jo Neitz, Since Comte social scientists have tended to assume
that modernization along with a triumphant scientific rationality has destroyed the legitimacy of religion as a social reality
However this crisis of legitimacy has never been examined in a setting where religious reality is affirmed This book fills that

gap exploring the meaning of religious reality in the lives of a group of Catholic Charismatics to discover how belief is created developed and maintained Charismatics or Neo Pentecostals tend to be white relatively affluent well educated and believe that they possess certain gifts including the power of healing prophesy discernment of evil spirits and speaking in tongues In describing and analyzing this religious minority the author provides a basis for reevaluating sociological assumptions about religion and modernity She asks to what extent can religion define the social world Are religious values necessarily irrelevant to most institutional contexts Is religious reality only persuasive in the context of family and primary group relations What are the tensions between religious realities and other beliefs Her answers have implications for all ways of making sense of the world including common sense or science Neitz situates the Charismatic Renewal in a broader social and historical context She examines the antecedents of Neo Pentecostalism in American culture and compares this movement with the secular self awareness movement In so doing she shows what is unique about the Charismatics and what they share with religious predecessors and members of contemporary secular movements
