Praying Dangerously Radical Reliance On God:

Praying Dangerously Regina Ryan, 2012-07-23 *Praying Dangerously* instructs us that we can grow up spiritually leaving behind a childish relationship to prayer as a superstitious ritual or mere plea for favors. It encourages readers to recognize the difference between prayer that asks only for reassurance and prayer that asks for the Ultimate and stands for transformation. We can cease being victims of God's Will while at the same time embracing genuine surrender and reliance on the irrefutable power of love, says author and retreat leader Regina Sara Ryan. Readers of the first edition published in 2001 were enthusiastic in their praise, calling it a brave and useful book. Prayer groups and church congregations around the U.S. have used it for study, and it has been translated into Dutch, German, and French. And the message of the book is more relevant now than it was 10 years ago. The insecurities of our times draw us inward or back to our churches. In prayer groups and retreats of all kinds, we are looking for comfort and consolation for spiritual direction or for answers to the eternal questions that have always challenged humanity. This book is a valued contribution in that search. This 10th anniversary edition is fully revised with several completely new chapters, including *The High Cost of Forgiveness*, a subject that challenges everyone, and *Praying on the Subway* about how our generally busy and often chaotic lives can provide us with a constant impetus for blessing others. ***Beloved's Gift*** Isaura Barrera, 2016-01-18 Yet one day unexpected and un hoped for the world we had thought irretrievably lost may be returned to us. In a moment of insight, a sudden opening of the heart, we may glimpse again the mysterious reality we took for granted as children. We may once again experience its wonder and delight. I Zalewski *Who Is God?* This book tells of the author's unexpected return into that reality believed to be irretrievably lost as childhood was left behind. It was written in real time as each step of that return unfolded its challenges and gifts. Its message of making believing more than making believe is shared for all who remember or hunger to remember and relive that same reality in their own lives that it might inspire them to listen for and live into the love, hope, and faith at its core.

Sustaining Heaven on Earth Isaura Barrera, 2021-08-11 Heaven on earth is a reality that defies description and even belief at times. Yet all who have fallen in love, felt deep wonder, or witnessed what could only be classified as a miracle can attest to its presence. Unfortunately, that presence is all too often only fleeting. What if it didn't have to be so? What if it was possible to sustain the experience of heaven on earth? This book suggests four keys to doing so, each forged by and for a love that challenged the author to remain awake to the presence of heaven on earth that love had awakened. ***Building Love That Lasts*** Clinton Callahan, 2019-09-15 Clinton Callahan is an original thinker. Marilyn Ferguson, author *The Aquarian Conspiracy* and *Aquarius Now*, and former editor *Brain/Mind Bulletin*. For modern seekers responding to the call for initiation into relationship, here is an open invitation. *MALIDOMA* SOME AUTHOR OF *WATER AND THE SPIRIT* It's one of those rare books that will definitely wake you up. I consider it must reading for anyone seriously interested in the path of conscious relationship. John Welwood, author of *Journey of the Heart* and *Perfect Love Imperfect Relationships*. This hard hitting and

innovative book about partnered relationship immediately challenges the deceptions about love and intimacy rampant in today's patriarchal culture. At the same time *Building Love That Lasts* reveals a step by step process for discovering and living out alternative possibilities. The author claims that even the best of our relationships are still generally basic level what he calls Ordinary Human Relationship. He asserts that two more domains remain to be explored namely Extraordinary Human Relationship and Archetypal Love. The book describes exactly how to enter these new domains and how to stay there long enough to cultivate genuine intimacy, nurturance, excitement and satisfaction together. The material for this book is startlingly original and fresh, directly distilled from over thirty years of trial, error and reevaluation within seminars and trainings conducted by the author in the U.S. and Europe. The essential teaching tools are Thought Maps that illustrate and guide the dynamics of evolving relationship, coupled with a series of experiments, explorations to be undertaken alone or with one's partner. Topics include Making the leap from Defensive Learning to Expansive Learning, Breaking out of the relationship box, The lie of being unlovable, Navigating in the realm of feelings, Communication skills for explorers.

Unwrapping Beloved's Gift, Co-Creating Soul's Song Isaura Barrera, 2019-04-10. I think the best way you could describe this text is as put it in the Introduction, a meditative map. I know for certain that I did not grasp everything and also that I could return to it over the years and read it again and again, always finding something new or something that had before remained unseen due to my own place in my own unique spiritual journey. Lauren Sapala, writer, blogger and coach. One day unexpected and un hoped for, the world we had thought irretrievably lost may be returned to us. I Zaleski 2006. It began with reading John O'Donohue's *Anam Cara*. I remembered I had once known such a friend and reached out to reconnect. Love opened the door, hope kept it open and faith gave me the courage to walk through. These words summarized my subsequent spiritual journey as I awakened to deep friendship with a human beloved as well as with Divine Beloved. This book has two purposes: to describe an inner spiritual journey inspired by deep friendship and to offer that description as a meditative map for others. Isaura Barrera identifies five way stations that trace the path carved out by the song of love, hope and faith evoked by her renewed friendship. Each station is presented descriptively rather than prescriptively as an invitation to others on similar journeys. Reflections at each station are linked to scriptural passages highlighting connections between deep friendship with a human beloved and deep friendship with Divine Beloved.

Women Challenge The Lie Regina Sara Ryan, Shinay Tredeau, 2017-02-02. This book invites women of all ages into a conversation that challenges the pervasive lie of never good enough. This common subtext of modern life undermines a woman's appreciation of her own inherent beauty and goodness. The authors recommend 8 Radical Moves that women can make alone or ideally in the good company of other women to take on this challenge to deepen this conversation. The Moves are radical because they aim directly at the center of a woman's being: the inner space of her true nature, her basic goodness rather than because they require any extreme actions. Nonetheless, the conviction that never good enough is a lie requires more than lip service. The authors guide readers in
