Combing the Tradition Fred Herron,2007 This is a sketchbook of the twin realities of Catholic faith and Catholic schools A theological vision of the Catholic religious imagination provides the framework for viewing these realities from different angles Taking Pope Benedict XVI s remark that truth is in the Whole this book looks at Catholic faith and education from the rich perspective of the sacramental or Catholic imagination Historian John Tracy Ellis s conviction that this age will be known as the era of baptismal consciousness reflects a growing awareness in the entire Christian community that it must take its responsibilities in evangelization seriously Combing the Tradition is an attempt to comb the Catholic tradition from the point of view of this re emerging baptismal consciousness It marvels at the role that Catholic schools teachers parents and students play in recreating this great truth It finds God s loving hand at work in the lives of citizens seeking meaning at Ground Zero in the re emerging theology of the domestic church and in understanding the task of Catholic education It raises questions concerning the impact of consumer society on the lives of our young people and finds hope in schools which continue to shape the religious imaginations of the next generation of a community of disciples Subject Guide to Books in Print ,2001 Running From Grace, Caught By Mercy John M. Benevides,2022-01-24 No matter how far we run we can t outrun the Gospel Trust me I ve tried I spent over forty years wandering through the sinful wilderness until I humbly accepted Jesus Christ as my personal Savior my Redeemer and my Friend This autobiography is brutally honest and at times transparent to a fault My motivation for sharing my personal testimony is not to feed my flesh or to embarrass myself but to glorify God His kingdom and his never ending acts of agape love It is my opinion that I was the worst type of addict because I

was not homeless a beggar or what your mind's eye imagines I was a father a husband and business owner and quite possibly the one sitting next to you at a restaurant bar a movie theater or even church We need to appreciate that no matter what we have done or failed to do we are never too far from God's outreach I have felt the thickness and glory of God on more than one occasion and can testify that it is complete joy and my tens of thousands of dollars on narcotics can't even compare Whether you are a nonbeliever a new believer or a seasoned Christian I believe you will find this book useful during your spiritual walk Through personal examples it is my intention to show you how God uses people places and events to get His message across I know this to be fact because He took a broken drug addict soul and transformed me into a child of the Most High God I have included my email address on the cover so you can have author access to any comments or questions
