Preaching and Teaching from the Old Testament Walter C. Kaiser Jr., Walter C. Kaiser, 2003-03 The Old Testament should not be ignored Advocating its importance this book examines the various ways to preach and teach from it

Wondrous Depth Ellen F. Davis, 2005-01-01 Davis demonstrates that the activities of biblical interpretation and preaching are essentially related as arts and in fact as the arts most fundamental to the life of the church **Preaching from the Old**

Testament Elizabeth Rice Achtemeier, 1989-01-01 This book provides theological insights as well as practical sermon suggestions for preachers and seminary students It treats the reader to a thorough examination of how to approach and interpret any portion of the Old Testament *Models for Biblical Preaching* Haddon W. Sixty superlative sermons on familiar Old Testament texts Many Christian preachers today largely neglect the Old Testament in their sermons focusing instead on the Gospel accounts of Jesus teachings and activities As Fleming Rutledge points out however when the New Testament is disconnected from the context of the Old Testament it is like a house with no foundation a plant with no roots or a pump with no well In this powerful collection of sixty sermons on the Old Testament Rutledge expounds on a number of familiar Old Testament passages featuring Abraham Samuel David Elijah Job Jonah and many other larger than life figures Applying these texts to contemporary life and Christian theology she highlights the ways in which their multivocal messages can be heard in all their diversity while still proclaiming univocally Hear O Israel the Lord our God the Lord is One **The Art of Preaching Old Testament Poetry** Steven D. Mathewson, 2024-11-05

Preachers often struggle with preaching Old Testament poetry They are uncertain how to preach the highly emotive poems in Psalms the one liners in Proverbs the tedious conversations in Job the esoteric observations about life in Ecclesiastes and the confusing love poems in the Song of Songs Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging and some of the richest material in the Old Testament This companion to his successful The Art of Preaching Old Testament Narrative guides readers through preaching the oft neglected Old Testament poetic books Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners Highlighting Mathewson's skill at bringing the riches of the Old Testament to bear on the life of the church this book makes scholarship on the poetic books accessible for pastors and pastors in training It also includes sample sermons Preaching the Old Testament Scott M. H. Wright,2016-04-19 Many preachers ignore preaching from the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly turning it into moralistic rules or symbolic lessons for our spiritual life In *How to Preach and Teach the Old Testament for All Its Worth* Christopher J H Wright proclaims that preachers must not ignore the Old Testament It is the Word of God The Old Testament lays the foundation for our faith and it was the Bible that Jesus read and used Looking first at why we should preach from the Old Testament the author moves on to show the reader how they can preach from it Covering the History Law Prophets Psalms and Wisdom Literature interspersed with practical checklists exercises and sermons Wright provides an essential guide on how to handle the Old Testament responsibly *Your Old Testament Sermon Needs to Get Saved* David M King,2021-05-04 Every good sermon proclaims the gospel even those from the Old Testament From the miracles of the Gospels to the teachings of the Epistles the New Testament is saturated with the saving work of Jesus Christ But where is He in the poetry prophets and history of the Old Testament *Your Old Testament Sermon Needs to Get Saved* is a practical handbook for preaching Christ from the Old Testament The book provides a comprehensive but simple hermeneutic for discerning how Jesus is present on every page of the Hebrew Scriptures You ll learn why and how to preach Christ from the Old Testament while experiencing the beauty of discovering and teaching how the saving work of Christ permeates the first two thirds of the Bible

Preaching the Old Testament Ronald James Allen,Clark M. Williamson,2007-01-01 In this third and concluding volume of their lectionary commentary collection *Preaching the Gospels without Blaming the Jews* and *Preaching the Letters without Dismissing the Law* Ronald Allen and Clark Williamson encourage the church and its preachers to rediscover the Old Testament as a vibrant wellspring of Christian faith and life Preachers often neglect the Old Testament misrepresent it or regard its theological content as superseded by Jesus and the New Testament Allen and Williamson claim The authors help preachers avoid these traps by explaining how a text was understood before the Common Era without any reference to Jesus or Christian doctrine mentioning representative New Testament passages or themes that are informed by the older material and commenting briefly on the relationship between the lections in those cases when readings from the Old Testament are paired with readings from the New Testament **The Preaching of the Old Testament to the Age** George Adam Smith,1893 **From the Study to the Pulpit** Allan Moseley,2018-08-28 Many pastors struggle with preaching the Old Testament As a professor and pastor Allan Moseley s vast experience and knowledge go a long way in helping expositors enrich their pulpit ministry The purpose of his book is to offer both exegetical and preaching help by means of a workable 8 step method The author s preaching model starts with the initial step of determining the genre and meaning of the text to

doing word studies and discovering the main ideas of the text to applying the sermon in a life changing and Christ honoring manner Some books on preaching from the Old Testament are written by authors who do not actually preach or preach only occasionally Pastors and budding preachers need a book written by someone who has knows what it is like to be a pastor and has prepared sermons every week for years His book reflects his classroom teaching on the subjects of exposition and hermeneutics and it provides helpful illustrations of expositional principles that rise from his own preaching ministry

Preaching Old Testament Narratives Benjamin H. Walton, 2019-03-21 There s no question that the Old Testament is foundational for the New Testament church But foundational or not it can be difficult for preachers to pin down useful resources for narrative texts within the Old Testament much less to skillfully preach those passages to their congregations Benjamin Walton provides the practical insight pastors need In one volume he demonstrates both the interpretive and homiletical skills necessary to preach Old Testament narratives well Walton guides the preacher through selecting a text which is a complete unit of thought describing the scene in a coherent way determining the theological message of the text and carefully crafting a meaningful take home truth He doesn t stop with discovering the core message the majority of the book focuses on delivering the message drawn from these narrative texts Walton s approach is not just theoretical It has been read and tested anonymously by groups of pastors and their feedback has been incorporated into the book This valuable resource will help preachers put all the pieces together have confidence in what they re imparting and maximize their preaching potential for Old Testament narratives

Stewards of the Mysteries of God Patrick D. Miller, 2013-03-07 One of our best known biblical interpreters offers essays and sermons meant to assist preachers in their interpretation and explication of biblical texts Often neglected in preaching the Old Testament is a particular focus of attention but only in the context of the wholeness of Scripture Questions addressed in this volume include the following How does one approach and preach the Old Testament at Easter What are the contemporary issues or dimensions in preaching the Ten Commandments And how does the preacher hold the Old Testament and the New Testament in proclaiming God s word to the church In this collection attention is given to preaching about the ministry and on particular occasions such as funerals baccalaureates ordination and in Advent and Christmas as well as before Holy Communion

Preaching and Teaching the Last Things Walter C. Kaiser, Jr., 2011-09-01 Distinguished Old Testament scholar Walter Kaiser believes that the Old Testament is sorely neglected today in teaching and preaching but it is even more neglected when it comes to setting forth the hope that Christians have for the future Firmly believing that the Old Testament offers important insights into biblical eschatology and the Christian life he provides guidance for expositing fifteen key Old Testament eschatological passages to preachers teachers and Bible students Each chapter focuses on a single biblical text Kaiser introduces the topic examines the issues notes who has contributed to some of the solutions and shows how this sets up the text to be exegeted and prepared for exposition
