Pregnancy In Adolescence Needs Problems And Management:

Pregnancy in Adolescence Irving R. Stuart, Carl F. Wells, 1982 **Reauthorization of the Adolescent Family Life Demonstration Projects Act of 1981** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Family and Human Services, 1985 **Public Health Reports**, 1986 In Support of Families Michael W. Yogman, T. Berry Brazelton, 1986 This book examines the effects of stress on children and parents and explores strategies for coping The authors view the family as a dynamic system whose health is vitally related to internal relationships and interactions with other social networks Stress in this context can be a positive or a negative influence on family health

Women and Deviance: Issues in Social Conflict and Change Nanette J. Davis, Jone M. Keith, 2015-12-22 This book first published in 1984 is a selective annotated bibliography on women and deviance that includes historical cross cultural sociological psychological political legal philosophical and social policy perspectives This title is concerned with the origins change conflict and consequences of deviant behaviour and women's adaptation to their changing roles It encompasses monographs journal articles books and government documents in English This title will be of particular interest to students of sociology and criminology Handbook of Empirical Social Work Practice, Volume 2 John S. Wodarski, Bruce A. Thyer, 1998-01-29 Covers key social problems and practice related issues The last two decades in social work have seen tremendous strides in field research from the development of improved research designs to more accurate methods of problem measurement and outcome analysis Drawing upon these significant advances the two volume handbook of Empirical Social Work Practice brings together empirically validated interventions for many of the psychosocial problems most frequently encountered by social workers in their daily practice Unlike other books in the field that employ a theory based approach to treatment this handbook focuses on the best supported methods of helping clients with particular problems irrespective of theoretical biases offering clinicians a valuable compendium of practice guidelines for treatment Edited and authored by recognized experts in the field the Handbook of Empirical Social Work Practice is clearly written and organized for easy reference Volume Two covers key social problems and practice related issues including Crime homelessness and unemployment Domestic violence and sexual abuse Family conflict and preservation Practice approaches for older clients Empirically based supervision With information that is at once accessible and up to date the Handbook of Empirical Social Work Practice is a vital source of guidance for today's clinical social workers and other practicing mental health professionals as well as students One of the best tools to promote the values of the social work profession is that of empirical social work practice Telling the truth is one of these values and discovering the truth is something that empirical research is very good at This book presents credible reviews of contemporary empirical literature pertaining to selected behavioral affective and intellectual disorders and their psychosocial assessment and treatment That such a book is now possible is a striking affirmation of the merits of the approach to social work called empirical clinical practice from the Handbook of

Empirical Social Work Practice **The Black Adolescent Parent** Stanley F. Battle,1987 Gain valuable insights into the special needs of black adolescent parents through informative discussions on legal considerations clinical perceptions sexuality attitudinal factors services available and much more *Sexuality Counseling* Kay Frances Schepp,2013-08-21 First published in 1986 Sex education is a necessary component of sexuality counseling A practitioner needs to be a sensitive effective educator in order to help people remedy sex related problems and prevent future ones This program is about professional counseling and assumes that the reader has training or intends to obtain it in an established helping profession

Maternal, Child Health, and Family Planning Services United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health and the Environment,1988 *Adolescent Health: Background and the effectiveness of selected prevention and treatment services* ,1991 This three volume work presents the Office of Technology s assessment of the physical emotional and behavioral health status of contemporary American adolescents including those living in poverty racial and ethnic minority groups Native Americans and rural adolescents Specific topics covered are identifying risk and protective factors for adolescent health problems evaluating options in the organization of health services and technologies available to adolescents assessing options in the conduct of national health surveys to improve collection of adolescent health statistics and identifying gaps in research on the health and behavior of adolescents *Latina Adolescent Childbearing in East Los Angeles* Pamela I. Erickson,2010-05-28 Preventing teen pregnancy has become a national goal but a one size fits all strategy for achieving it may never be found Because varying social and cultural factors lead to pregnancy among different ethnic class groups understanding these factors is essential in designing pregnancy prevention programs that work This book explores the factors that lead to childbearing among Latina adolescents Pamela Erickson draws on both quantitative data and case histories to trace the pathways to motherhood for Latina teens After situating her study within current research on teen pregnancy she looks specifically at teen mothers enrolled in programs at Women s Hospital in East L A She describes the teens relationships to their babies fathers and their own families and discusses how these relationships affect whether teen mothers want to become pregnant their use of prenatal postpartum and family planning services and their ability to prevent a repeat pregnancy Erickson describes culturally appropriate intervention efforts and assesses the limitations of prevention programs in institutional settings such as schools and clinics **Routledge Library Editions: Women and Crime** Various Authors,2022-07-30 This set reissues five books on the subject of women and crime The titles which were originally published between 1930 and 1996 include a book of case studies of female criminals a comprehensive annotated bibliography on the social conflict and change of women in crime and essays which examine the construction of women in criminology This set will be of particular interest to students of both criminology and women s studies Hansen V. Phelan ,1993 Perinatal Epidemiology Michael B. Bracken,1984 The only in depth survey of perinatal epidemiology this book reviews a number of currently active fields of research and areas of public health interest in the epidemiology of perinatal disorders and covers
