Santas Spectacular Flight:

Santa's Spectacular Flight Kitty Van Matre Rogers, Barbara Johansson, 2003 Santa's Christmas Eve mission is threatened and his unique way of overcoming the problem is the essence of this magical story. The full page full color illustrations bring this fantasy to life. For children of all ages and that means me and you. *Santa's Famous, Incredible, Flying Reindeer* Joe Moore, 2015-07-15 Santa's Famous Incredible Flying Reindeer. You may know their names. But do you know how and why their names came to be? Did you know there is a reason for the order they are in on the team? And how did they amongst all the reindeer in and around the North Pole earn a coveted position on the Christmas Eve sleigh run? Ever since the 18th century and into the 21st century Santa Claus has been using his magic reindeer to deliver gifts both spiritual and physical to the children of the world. At last you have the chance to learn all about Santa's most famous incredible flying reindeer. Including some occasional substitutions to the team most notably the red nose at the front. You will also come to know that even with time travel on his side he wouldn't be able to accomplish his mission no matter his motivation without them. Take a little while and get to know Santa's most famous team up close and personal. You will even learn about the elf that takes care of the reindeer all year. He is much bigger than the elves and fairies that are often depicted at the North Pole. This book is perfect for ages 6-8 preteen and all family members who yearn to learn more about what was thought to be a fantasy. And for those coming of age this will reinstate your belief in magic and help you appreciate the family life we have in the North Pole. So come get to know Torch Dasher Dancer Prancer Vixen Comet Cupid Donner and Blitzen. At last you can meet Santa's Famous Incredible Flying Reindeer and know what they truly look like. [How Santa Lost His Jollies](#) DEBORAH J. REIS, 2011-05-05 Brimming with laugh out loud Santa stories *How Santa Lost His Jollies* is a humorous take on Santa events from around the globe from Santa gropers to flying Santas Elvis impersonators to patented Santa traps and of course the usual kids naughty with their Santa defying tricks. Drawn from genuine and documented news articles *How Santa Lost His Jollies* reveals the trial and tribulations even dangerous situations endured by today's Santa. Well not the real Santa but those jolly old elves who work the trade for dollars. Admittedly it was one dark and dismal Christmas Eve when in a desperate attempt to ignite my own holiday spirit I resorted to dredging up Santa in the news events off the internet. It wasn't long before I found myself laughing out loud. Therein lies the beginning of *How Santa Lost His Jollies* as well as the crummy feeling one gets upon discovering that the guy who delivered your first bicycle is right now busy getting his nose bloodied and a couple of eyes seriously discolored in a back alley one quite possibly located near you. Santa stories like all holiday stories are meant to be shared. Accordingly each Santa news event has been reconfigured to include a short multiple choice quiz designed to keep both grinchers and guests engaged and amused. You already know the scene Christmas day cooks in the kitchen kids squabbling over noisy blinking toys teenagers tying up the TV with noisier electronic games guys swapping fish stories and the self appointed in law joke teller laughing at his own dirty jokes. Time to open *How Santa Lost His Jollies* assign
