Santiago Iglesias, Labor Crusader Clarence Ollson Senior, 1972 Biographical account of the life of Santiago Iglesias Pantin and his historical role in the leadership of the trade union movement in Puerto Rico relates the struggle for civil rights and equal opportunity of Puerto Ricans on the island and covers the struggle of the labour movement socialist oriented social change etc Illustrations and references Biography Iglesias Pantin s *Santiago Iglesias* Clarence Ollson Senior, 1972

*Santiago Iglesias, Labor Crusader* Clarence Ollson Senior, 1972 Biographical account of the life of Santiago Iglesias Pantin and his historical role in the leadership of the trade union movement in Puerto Rico relates the struggle for civil rights and equal opportunity of Puerto Ricans on the island and covers the struggle of the labour movement socialist oriented social change etc Illustrations and references Biography Iglesias Pantin s The Organized Labor Movement in Puerto Rico Miles Eugene Galvin, 1979 Chronicles the birth pangs of a typically anarcho syndicalist movement of the early Latin American genre and its subsequent metamorphosis into a domesticated West Indian version of North American style business unionism

**Latino History Day by Day** Caryn E. Neumann, Tammy S. Allen, 2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple this day in history through primary source excerpts and resources for further research Latino a history has been relatively slow in gaining recognition despite the population s rich and varied history Engaging and informative Latino History Day by Day A Reference Guide to Events will help address that oversight Much more than just a this day in history list the guide describes important events in Latino a history augmenting many entries with a brief excerpt from a primary document All entries include two annotated books and websites as key resources for follow up The day to day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino a history from Mexican Americans to Puerto Ricans to Cuban Americans With this guide in hand teachers will be able to more easily incorporate Latino a history into their classes Students will find the book an easy to use guide to the Latino a past and an ideal starting place for research

**Borderline Citizens** Robert C. McGreevey, 2018-09-15 Borderline Citizens explores the intersection of U S colonial power and Puerto Rican migration Robert C McGreevey examines a series of confrontations in the early decades of the twentieth century between colonial migrants seeking work and citizenship in the metropole and various groups employers colonial officials court officers and labor leaders policing the borders of the U S economy and polity Borderline Citizens deftly shows the dynamic and contested meaning of American citizenship At a time when colonial officials sought to limit citizenship through the definition of Puerto Rico as a U S territory Puerto Ricans tested the boundaries of colonial law when they migrated to California Arizona New York and other states on the mainland The conflicts and legal challenges created when Puerto Ricans migrated to the U S mainland thus serve McGreevey argues as essential if overlooked evidence crucial to understanding U S empire and citizenship McGreevey demonstrates the value of an imperial approach to the history of

migration Drawing attention to the legal claims migrants made on the mainland he highlights the agency of Puerto Rican migrants and the efficacy of their efforts to find an economic political and legal home in the United States At the same time *Borderline Citizens* demonstrates how colonial institutions shaped migration streams through a series of changing colonial legal categories that tracked alongside corporate and government demands for labor mobility McGreevey describes a history shaped as much by the force of U S power overseas as by the claims of colonial migrants within the United States

*Monthly Labor Review* ,1973-06 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews     **Labor and the War** American Federation of Labor,1918     **The Lettered Barriada** Jorell A. Meléndez-Badillo,2021-09-27 In *The Lettered Barriada* Jorell A Mel ndez Badillo tells the story of how a cluster of self educated workers burst into Puerto Rico s world of letters and navigated the colonial polity that emerged out of the 1898 US occupation They did so by asserting themselves as citizens producers of their own historical narratives and learned minds Disregarded by most of Puerto Rico s intellectual elite these workers engaged in dialogue with international peers and imagined themselves as part of a global community They also entered the world of politics through the creation of the Socialist Party which became an electoral force in the first half of the twentieth century Mel ndez Badillo shows how these workers produced negotiated and deployed powerful discourses that eventually shaped Puerto Rico s national mythology By following these ragtag intellectuals as they became politicians and statesmen Mel ndez Badillo also demonstrates how they engaged in racial and gender silencing epistemic violence and historical erasures in the fringes of society Ultimately *The Lettered Barriada* is about the politics of knowledge production and the tensions between working class intellectuals and the state Duke University Press Scholars of Color First Book Award recipient     **Santiago Iglesias** Clarence Senior,1972     **Labor's Heritage** ,1994     **The American Federationist** ,1918 Includes separately paged Junior union section     *Without Borders or Limits* Jorell A. Meléndez Badillo,Nathan J. Jun,2013-07-29 This collection of articles contains the English contributions to the 4th Austrian Students Conference of Linguistics *sterreichische Studierenden Konferenz der Linguistik SKL* which was held in November 2011 at the University of Innsbruck With this collection the editors want to make the insights and the knowledge presented at the 4th SKL available in written format to a wider public The contributions present in this collection are excerpts from PhD as well as diploma theses and seminar papers The fifteen papers collected in this volume are very diverse as are the authors themselves who come from nine different countries from Portugal in the West Iran in the East and Norway in the North The papers come from a variety of linguistic subdisciplines Besides a strong focus on syntax cognitive and historical linguistics there are papers exploring pragmatics foreign language acquisition phonology and sociolinguistics This volume of collected essays brings together conversations papers and debates from the Third Annual North American Anarchist Studies Network Conference in San Juan Puerto Rico Nathan Jun and Jorell A Mel ndez aspire to go beyond a simple collection of papers and instead aim to maintain a dialogue

among different academic fields with the sole task of comprehending and re thinking anarchist studies With over twenty one chapters written by a diverse range of activists organizers musicians artists poets and academics this book transgresses the apparent simplicity of the study of anarchism with a dynamic and interdisciplinary approach that crystallizes and emulates the heterogeneous nature of the anarchist ideal From theory and philosophy to historical analyses methodologies and perspectives from different manifestations in the arts media and culture to religion ethics and spirituality from the intersectionality of animal liberation and queer struggles to contemporary praxis and organizing the authors explore different topics from a critical perspective that is often lacking in their respective academic fields This book is a must buy for critical teachers students and activists interested in studying anarchism and the different ways in which we can transform our reality

**Congressional Record** United States. Congress,1940 Memorial Services Held in the House of Representatives of the United States United States. 76th Cong., 3d sess., 1940. House,1941 **Memorial Services Held in the House of Representatives of the United States** United States. Congress House,1941 **Organized Agriculture and the Labor Movement Before the UFW** Dionicio Nodín Valdés,2011-07-01 Puerto Rico Hawai i and California share the experiences of conquest and annexation to the United States in the nineteenth century and mass organizational struggles by rural workers in the twentieth Organized Agriculture and the Labor Movement before the UFW offers a comparative examination of those struggles which were the era s longest and most protracted campaigns by agricultural workers supported by organized labor to establish a collective presence and realize the fruits of democracy Dionicio Nod n Vald s examines critical links between the earlier conquests and the later organizing campaigns while he corrects a number of popular misconceptions about agriculture farmworkers and organized labor He shows that agricultural workers have engaged in continuous efforts to gain a place in the institutional life of the nation that unions succeeded before the United Farm Workers and Cesar Chavez and that the labor movement played a major role in those efforts He also offers a window into understanding crucial limitations of institutional democracy in the United States and demonstrates that the widespread lack of participation in the nation s institutions by agricultural workers has not been due to a lack of volition but rather to employers continuous efforts to prevent worker empowerment Organized Agriculture and the Labor Movement before the UFW demonstrates how employers benefitted not only from power and wealth but also from imperialism in both its domestic and international manifestations It also demonstrates how workers at times successfully overcame growers advantages although they were ultimately unable to sustain movements and gain a permanent institutional presence in Puerto Rico and California **Blue-Collar Empire** Jeff Schuhrke,2024-09-24 Blue Collar Empire tells the shocking story of the AFL CIO s global anticommunist crusade and its devastating consequences for workers around the world Unions have the power not only to secure pay raises and employee benefits but to bring economies to a screeching halt and overthrow governments Recognizing this in the late twentieth century the US government sought to control labor movements abroad as part of the Cold War contest for worldwide

supremacy In this work Washington found an enthusiastic partner in the AFL CIO s anticommunist officials who in a shocking betrayal for decades expended their energies to block revolutionary ideologies and militant class consciousness from taking hold in the workers movements of Europe Latin America Africa and Asia

**Puerto Rico Past and Present** Serafín Méndez-Méndez, Ronald Fernández, 2015-07-14 Recently revised to include the latest current events this classic reference presents the historical social political and cultural aspects of Puerto Rico Puerto Rico an island rich with culture and national pride continues to inspire debate over its designation as a commonwealth of the United States This updated edition of a popular encyclopedia captures important historical social political and cultural developments of the oldest colony in the world up to and including the region s current status in relation to the United States The fascinating work is full of facts figures and narratives of the struggles achievements and creations of the Puerto Rican people Essays highlight the area s economy geography religion education language radio television social media and films A focus on the contributions of key historical figures showcase the stories of Ramon Power y Giralt the first envoy to the Spanish Courts and Juan Mari Br s founder of the Puerto Rican Socialist Party among others The second edition features recent developments in the commonwealth including the election of its first female governor the introduction of the first sales tax and the financial crisis that shut down schools

*Labor Unions* Gary M. Fink, 1977 Contains historical sketches of more than two hundred national unions and labor federations that have been part of the American labor movement
