Glass Half Full Our Australian Adventure Find out what it takes to keep the Glass Half Full as challenging life events including grief loss PTSD and devastating floods test this expat step family to their limits After enduring divorce and numerous child custody battles Sarah Jane knew that a fresh start in Australia was their only chance of future happiness and that as a family they were making the right decisions Living the Australian dream in Alice Springs was everything they hoped for until life changing events started to test the foundations of this resilient family Using every ounce of positivity they could muster they struggled on and just as they thought the worst was over Mother Nature intervened and washed away the roots to their new life during the Brisbane floods of 2011 This story lets you experience Australian life with an inspirational woman and her courageous family as they struggle to survive challenging life events and keep their dreams alive Life is never without its challenges but how many life changing events can one family endure before they reach breaking point Find out in this heart wrenching and touching true story

Two Dogs and a Suitcase Clueless in Charente Follows the French exploits of Sarah Jane and her family as they endeavour to rebuild their lives in another new country after spending four and half years in Australia The title says it all literally what they have and where they are but that s only part of the story Their goal was to focus positively on the present and to start a new optimistic chapter back in Europe nearer to the children leaving the dark clouds of the challenges they faced in Australia as a distant memory Share their experiences as they arrive in rural South West France portrayed through Sarah Jane s reflections thoughts and observations about her family and their new French lifestyle Follow Sarah Jane s tentative steps into a writing career as they start renovating a rustic cottage while managing the ups and downs of family life Once again Sarah Jane will make you laugh and cry as she endeavours to live life to the fullest with a generous helping of positive spin thrown in for good measure

Our Frugal Summer in Charente An Expat s Kitchen Garden Journal Meet Sarah Jane a woman with a reputation for culinary catastrophe who tries to keep her family fed in challenging circumstances in rural France Frugal living was not part of the plan when they arrived from Australia to undertake the renovation of a quaint cottage in the Charente However when life throws them a curve ball the challenge was set How would they survive in France with very little money and two Australian cattle dogs The answer came in the form of 5 chickens 4 ducks a vegetable garden and hedgerow foraging The frugal plan was to save money by any means possible to enable any money they could earn to be invested into continuing the renovation of the cottage In true Good Life style Sarah Jane attacks this challenge head on by keeping some small livestock and converting a garden that resembled a meadow into a French potager or kitchen garden The French tradition of using produce from their potagers is renowned for enabling families to create meals that are healthy cost effective and simple There are 31 recipes for a variety of food and drinks included in a month by month account of how they transformed a neglected garden into a frugal yet

*Having It All* Sarah Jane Butfield,2022-09-14

Having it all but at what cost for a career nurse and devoted mother When one of my early mentors suggested that my nursing qualification as a Registered General Nurse would be my ticket to Having It All I could not envisage what that would mean for me As a nurse and a woman who intended to have a family I did not think too far ahead and any thoughts on how it would manifest itself in relation to my nursing career were limited to family friendly options However this phrase became embedded in my subconscious and would end up influencing my goals dreams and aspirations both personally and professionally For me

having it all was not based on greed or a materialistic wish list instead it described the tight rope walk that was my life a finely balanced juggling act between my career and my family The truth was that I had survived a period in my life that physically and emotionally pushed me to the edge and I was literally saved by the deep seated love for my children Now as I looked forward there was a ray of light beckoning and telling me it was time to start over Might this be my happy ever after at last

**Fried Peanut Butter and Banana Felony** C. Love,2024-11-17 Now that my great aunt s murder has been solved and her murderer put behind bars everything is going great in Yesteryear I m still adjusting to running this entire town but I have a great boyfriend and an adorable cat who is only mildly driving me crazy trying to get me to agree to this wacky idea of his that we could be detectives But other than that everything is fine and the annual Elvisfest is going off without a hitch Wait What s that The ten time champion of the fried peanut butter and banana sandwich eating contest just went facedown into a plate piled high with Elvis s favorite fried treat and can t be resuscitated It looks like there s another case for me and Elvis Purrsley after all

**Elvis Purrsley Has Left The Building** C. Love,2023-11-06 Welcome to Yesteryear the small tourist town where every day is still 1950 or 1960 something Poodle skirts are in the sounds of Elvis Presley and The Supremes fill the air everyone is kind and bad things never happen or at least that s what the brochure says I wasn t looking for trouble when I returned to Yesteryear for my great aunt s funeral but I certainly came to the right place My first surprise was that I d inherited Aunt Della s beloved cat Elvis Purrsley My second surprise was that she left Yesteryear to the cat but only if her murder is solved within thirty days which brings me to the third surprise Aunt Della was murdered or at least that s what she claimed in the video she left behind Most of the family thinks Della was crazy to believe the psychic who foretold her death not to mention leaving the town she founded and most of her estate to a cat and threatening to sell off the town if her murderer wasn t caught before the month was out but then someone tried to kill again If no one else is going to take the case seriously it s up to me and Elvis Purrsley to find the murderer and save the town
