Sarah's Story Upstairs Downstairs:

Upstairs and Downstairs James Leggott, Julie Anne Taddeo, 2014-12-11 The international success of *Downton Abbey* has led to a revived interest in period dramas with older programs like *The Forsyte Saga* being rediscovered by a new generation of fans whose tastes also include grittier fare like *Ripper Street*. Though often criticized as a form of escapist conservative nostalgia, these shows can also provide a lens to examine the class and gender politics of both the past and present. In *Upstairs and Downstairs*, British Costume Drama Television from *The Forsyte Saga* to *Downton Abbey*, James Leggott and Julie Anne Taddeo provide a collection of essays that analyze key developments in the history of period dramas from the late 1960s to the present day. Contributors explore such issues as how the genre fulfills and disrupts notions of quality television, the process of adaptation, the relationship between UK and US television, and the connection between the period drama and wider developments in TV and popular culture. Additional essays examine how fans shape the content and reception of these dramas and how the genre has articulated or generated debates about gender, sexuality, and class. In addition to *Downton Abbey* and *Upstairs Downstairs*, other programs discussed in this collection include *Call the Midwife*, *Danger*, *UXB*, *Mr Selfridge*, *Parade's End*, *Piece of Cake*, and *Poldark*. Tracing the lineage of costume drama from landmark productions of the late 1960s and 1970s to some of the most talked about productions of recent years, *Upstairs and Downstairs* will be of value to students, teachers, and researchers in the areas of film, television, Victorian studies, literature, gender studies, and British history and culture.

Sarah's Story Sarah Barnes, 2015-01-24 Memories of a lifetime chronicled in stories, poems, and essays. Explore a childhood from a simpler time and place: A working class neighborhood in Detroit filled with front porch neighbors, vacant lots, and baseball games. Her story, her decisions, her consequences. *Sarah's Story*

Sarah's Story Terry Dunn, 2009-11-05 Seven year old Sarah Martin kept secrets to herself, never telling her mother. When her father received a letter from his brother to come and live at his house in Sunnyvale, Vermont, she didn't want to go. She had a bad feeling about the move. That night, as she got ready for bed, her father came to tuck her in, but as he bent down to kiss her goodnight, she pulled away, afraid of him. She'd seen a dark shadow in her dreams, thought it was her father. She was terrified of him. He was furious and told her he was her father and could give her a kiss anytime he wished. She would not let her father hurt her or her mother again, as he had before, and Sarah would make sure that all men pay for what they did.

This task quickly turns dangerous as the Gold Rush rises in frenzy around them. Neighbors abandon their livestock and the family must fend off half-starved miners ready to steal everything they have. Sarah decides to turn her circumstances into a business, feeding the miners in exchange for gold and labor. Sarah's ingenuity and leadership are tested as she faces thieves, mysteries, and violent miners. Trouble closes in on all sides and Sarah must make tough decisions on her own. Abbiss, 2023-06-09 Drawing upon the existing scholarship of period drama and emerging research into new media ecologies instigated by television streaming services such as Netflix, this book establishes a critical framework for understanding the representation of nationhood and cultural identity in television drama. By formalising the term post-heritage, the book proposes a methodology which recognises the interplay of traditional and innovative elements within period drama productions. The book applies this critical perspective to popular British period drama productions from the 2010s with examples including *The Crown*, the society dramas of *Upstairs Downstairs* and *Downton Abbey*, Steven Knight's Dickens adaptations and Stephen Poliakoff's recent oeuvre to demonstrate the benefits of evaluating period drama as part of twenty-first century television's developments. It challenges the assumptions around characteristics and ideological purpose that period drama discourse often contends with and offers new perspectives on understanding the past through televisual representations. This book will be important reading for students and scholars of television studies, film studies and cultural studies. *The World Who's who of Women*, 1992 **Nobody's Child** K. Moody Hoskins, 2021-09-09 In this 1940s coming

of age story, Sarah, a naive seventeen-year-old Caucasian girl, elects prostitution as part of a desperate plan to make quick money in order to escape her small town life in Warren, Ohio. Her journey begins one night while eavesdropping on her Uncle Brady and his friends playing cards. They joke about a place they've discovered in nearby Youngstown where men are entertained by beautiful ladies who apparently make the kind of money she needs to fund her escape plan. Sarah's innocence assumes the women are dancers like those in the New York City chorus line she once saw in a magazine. Thrilled at the idea of making lots of easy money, she and her friend Rita travel to Youngstown to find out for themselves. Wallace is the suave Negro manager of 520, an upscale brothel inconspicuously located in the colored part of town. Sarah is instantly overwhelmed by his charm. After starting to work there, they begin a secret affair. When she becomes pregnant, she has no doubt that it's his child. Wallace brazenly denies the accusation and suggests abortion. Distraught, not knowing what to do, she turns to Bible verses and prayers the nuns taught their class when she was in Catholic school. She becomes friends with the colored pastor

of a church in walking distance of 520 He helps her find her way to redemption and renewed hope As a result of his counsel she decides to keep the baby Her daughter Patty Jean is born at 520 on a busy Saturday night Within minutes Wallace swoops in and abducts the child to the sounds of Sarah wailing and pleading Her initial plan of escape from Warren though still possible comes at a cost she never could have imagined *The Spectral Metaphor* E. Peeren, 2014-01-30 What does it mean to live as a ghost Exploring spectrality as a metaphor in the contemporary British and American cultural imagination Peeren proposes that certain subjects migrants servants mediums and missing persons are perceived as living ghosts and examines how this figuration can signify both dispossession and empowerment or agency Films Into Books Randall D.
