Saras Song:

Sara's Song Fern Michaels, 2011-04-07 A doctor's life is turned upside down when she meets a rock star in this novel by the #1 New York Times bestselling author of *Finders Keepers*. A brilliant career and loving friends weren't enough to heal Dr. Sara Killian's aching heart. For a brief magical moment, world-famous rock star Dallas Lord was part of her life. Then he was suddenly and tragically taken away. But before he disappeared, Dallas gave Sara a priceless gift: a beautiful love song written just for her. It's a legacy that will take Sara places she'd never dreamed of: into intrigue, betrayal, and deadly danger. And when she meets Adam Lord, Dallas's older brother, she will find herself torn between Adam, the most attractive and complicated man she'd ever known, and Dallas, the man her heart won't let her forget. Praise for the novels of Fern Michaels: Michaels knows what readers expect from her and she delivers each and every time. RT Book Reviews on *Perfect Match*. *Secrets*: revenge and personal redemption, a tale of strong emotions and courage. Publishers Weekly on *No Safe Secret*. [Sarah's Song](#) Karen Kingsbury, 2007-07-31 A New York Times bestselling author weaves a heartwarming tale of redemptive grace and the spirit of Christmas. Every year Sarah Lindeman celebrates Christmas the same way: placing one special ornament on her tiny tree on each of the twelve days of Christmas. It is her time to remember where she came from, who she is today, and how long ago a song gave her another chance at love. But this year the ritual is different. This year a desperate young woman is listening: a nurse who cares for Sarah at the Greer Retirement Village. Sarah senses a familiar struggle in the woman's soul and shares the story of her song in hopes that it will help her find healing, as it did Sarah so long ago. *Easy Songs for Smooth Transitions in the Classroom* Nina Araújo, Carol Aghayan, 2006-04-20 Sing your way through difficult times of the day and watch your job get easier. Young children in school go through many transitions throughout the day. What can make ten children settle down, clean up, and move from room to room without protest? Even if you're uncomfortable singing in public, the simple songs in this book will help you glide smoothly through tough transitions such as greetings and good-byes, calling attention, cleaning up, moving, waiting, and slowing down. Children will feel more powerful and in control, reducing stress levels during the more difficult times in your day. You will learn songs that everyone will love singing, including *Get On Board*, *Little Children*, and *We're On Our Way*, which move toe-tapping children in and out of the classroom; *Go to Sleep*, *My Little Pumpkins*, which helps kids wind down for naptime; *Cleaning Spirit*, which acknowledges children as they clean up the classroom. Multiple songs for each transition area, a transition planning guide, and lyrics to all 69 songs formatted so you can easily create your own song cards are included. **Sara's Diary** Karen Okum, 2025-04-01 Grade five is off to a terrible start for Emma Jones. Her friends have started to bully Sara, a new classmate, and Emma doesn't know what to do about it. If it were up to Emma, she'd have nothing to do with Sara, who is constantly interrupting, boring everyone with her endless stories, and talking on and on about butterflies. Then the unthinkable happens: Emma is assigned to be Sara's helper. Emma doesn't want to be Sara's friend, but as she spends more time with her, an unexpected friendship starts to form. As the bullying worsens,

Emma feels powerless until a tragedy leads her to Sara's diary. What she discovers inside its pages might finally be enough to push Emma into action. From debut author Karen Okum comes a story for young readers about resilience, finding the courage to stand up for what's right and discovering what it means to be a true friend. , [Here, There, And Everywhere: The Boy Who Hears the Shadows](#) Avlon McCreadie, 2018-01-12 Sara Adeline Mazzolini wrote the poems and songs to praise the eternal beauty of imagination. Copyright Office, 1974 **The Rock Star's Homecoming** Linda Gould, 2007-12 Nestled in the Appalachian foothills Glendary College is the epitome of a small town college. Calm and studious on the surface, the mixture of jocks, religious fanatics, and hippies creates a powder keg just waiting to explode. The igniting spark comes in the form of the Sunburst, a homegrown rock and roll band whose members go out of their way to break campus rules. Finally, at a late night concert, they go too far and the band members are expelled. It's been two years since the band's departure and the Sunburst has made it big in New York City. Due to Sunburst's phenomenal success, the college students rally to hear them play again. Soon a groundswell builds to woo the musicians back to campus to perform at Glendary's homecoming dance. Imogene plans to write her senior honors thesis on the Sunburst as a social phenomenon. Sara, the bandleader's sister, struggles to keep the musicians together while recovering from a broken affair with one of the band members. And their roommate Emily, a drama major who is secretly dating her married faculty advisor, is determined to reveal all in a video chronicling the homecoming weekend. But this isn't any average homecoming. This is a rock star's homecoming, and the college is about to ignite once again. [Sara's Story](#) Cheri LePage, 2005-04-12 Sara's abusive marriage has finally ended. She now must get out of the Kansas City area before Paul, her ex-husband, finds out she is pregnant with his child and tries to prevent her from leaving the city. She is sitting at her favorite spot in the city, taking one last look before she leaves this city forever. She has money from the sale of their house in the bank and a new job waiting for her in Colorado. She is ready to leave for the train station when her ex-husband shows up and points a gun at her head. He tells her he knows about the baby and that they will be remarried as soon as possible. Sara is terrified of this man; the last thing she wants is to remarry him. Suddenly, Sara is transported onto a spaceship. She has been asked to marry one of the men from their planet, which is in a different galaxy than Earth. She must decide if she wants to go back to Earth and marry her ex-husband or marry a stranger and go to a far-off planet to live the rest of her life. When she is asked when the wedding is supposed to be, she is told that the wedding is to be immediately. She won't be meeting the groom until she is standing at the altar next to him. Can she marry a man she never seen nor knows anything about? Her choices are either go back to Earth to Paul or to go with them and marry an alien. Will she make the right decision for her and her baby? **Rising** Holly Kelly, 2014-08-21 In a war between the humans and the inhabitants of the sea, humans will lose.
