Saratoga Snapper:

Saratoga Snapper Stephen Dobyns, 2013-08-01 Everyman detective Charlie Bradshaw returns with sidekick Victor Plotz for a fourth mystery in Saratoga Springs In search of an easy buck Victor has found a sideline taking photos of tourists but his new career nearly kills him when he is the subject of a hit and run and his camera is snatched Meanwhile Charlie has his own problems when a maid is apparently murdered in the hotel owned by his mother and a waiter suspiciously vanishes The two cases come together as a spate of robberies suggests something else is going on **The Burn Palace** Stephen

Dobyns, 2014-01-28 One of the best of the best You can't ask for more than this book gives I loved it Stephen King An exquisitely unexpected delightfully believable exploration of what normal looks like when it goes through the evil looking glass Oprah.com The sleepy community of Brewster Rhode Island is just like any other small American town It's a place where most of its inhabitants will die blocks from where they were born where gossip spreads like wildfire and the big weekend entertainment is the inevitable fight at the local bar But recently something out of the ordinary perhaps even supernatural has been stirring While packs of coyotes gather and a baby is stolen and replaced with a snake a series of inexplicably violent acts confounds Detective Woody Potter and inspires terror in the locals A Richard Russo small town tableau crossed with a Stephen King thriller The Burn Palace is a darkly funny twisted portrait of chaos and paranoia that keeps readers guessing until the final pages *Boy in the Water* Stephen Dobyns, 2015-08-04 Another bucolic fall in northern New Hampshire and the semester is under way at Bishop's Hill Academy But this year the start of school has been less than tranquil The new headmaster Jim Hawthorne has liberal ideas that the staff find far from welcome eloquent as he is on the subject of honor rumor has it he's taken this job to escape his past And Hawthorne isn't the only uneasy newcomer There's Jessica Weaver a stripper at fifteen and Frank LeBrun a replacement cook who's a bit too quick with a dirty joke All three have secrets to conceal memories to suppress Serene on the surface the ivy clad tree lined campus gives few clues to the school's history of special privileges petty corruptions and hidden allegiances And as winter closes in students teachers and staff get an education in savagery and murder With his uncanny awareness of the intricacies of human nature the acclaimed author of *The Church of Dead Girls* once again probes the daily life of an ordinary community to reveal the depths of good and evil **The Church of Dead Girls** Stephen Dobyns, 2015-08-04 One by one three young girls vanish in a small town in upstate New York With the first disappearance the townspeople begin to mistrust outsiders When the second girl goes missing neighbors and childhood friends start to eye each other warily And with the third disappearance the sleepy little town awakens to a full blown nightmare The Church of Dead Girls is a novel that displays Stephen Dobyns remarkable gifts for exploring human nature probing the ruinous effects of suspicion As panic mounts and citizens take the law into their own hands no one is immune and old rumors old angers and old hungers come to the surface to reveal the secret history of a seemingly genteel town and the dark impulses of its inhabitants *The Wrestler's Cruel Study* Stephen Dobyns, 2025-04-25

Wrestling kidnapping subplots from the Brothers Grimm and a young man's search for his missing fiancée are only some of the elements of Stephen Dobyns's dazzling new novel *Fun and Puns* mingle with daring make-believe. Larger than life characters play out the crucial human questions: How do we live? How do we handle our demons?

The Two Deaths of Senora Puccini Stephen Dobyns, 2015-08-04 It is a night racked with violence in an unnamed Latin American country. Three men brave the war-ravaged streets to meet at the opulent home of a friend, the famed surgeon Daniel Pacheco, for their semiannual gathering. As a lavish meal is served by the sullen housekeeper, interest centers on the photograph of an intriguingly beautiful young woman. Spellbinding revelations of erotic obsession and betrayal unfold, interrupted by the increasing bloodshed that presses closer to Pacheco's door. Stephen Dobyns has written a provocative novel of desire, lust, depravity, and danger, a classic thriller that holds you tightly in its grasp until its shattering conclusion.

Is Fat Bob Dead Yet? Stephen Dobyns, 2016-09-06 Stephen Dobyns, whom Stephen King has described as the best of the best, is back with a comic suspense novel about a small-time con operation, a pair of combative detectives, and the pride, revenge, and deception that guide us all. Richard Russo meets Elmore Leonard. In the seaport town of New London, Connecticut, newcomer Connor Raposo has just witnessed a gruesome motorcycle accident on Bank Street. At least he thinks it was an accident. A man sliced in half by a reversing dump truck could only be an accident, right? But these days Connor can't be sure of anything: his entire line of work is based on games of artful deception. His days at Bounty Inc. are spent soliciting funds for improbable bogus charities; its last venture was Free Beagles from Nicotine Addiction Inc. The new scam is Prom Queens Anonymous Inc., dedicated to helping former high school celebs transition to humdrum daily grown-up lives. Connor's target is Angelina Rossi, Pumpkin Queen of 1985, proud beagle owner, and ex-wife of a man named Fat Bob. Meanwhile, Manny Streeter and Benny Vikström are the local detectives assigned to the Bank Street motorcycle wreck, and despite their shared interest of proving each other wrong, the two eventually reach the same conclusion: This death by Harley was Murder One, pure and simple. As the detectives begin asking their questions around town, Connor is looking for similar answers that will determine whether he lives or dies. Among them: Who is Fat Bob, and is he actually dead? Sharply written and entertainingly absurd, *Is Fat Bob Dead Yet?* is packed with Stephen Dobyns's trademark characters: whimsical, neurotic, puzzling, yet familiar and impossible to pin down. Dobyns again proves why he is an American master of the suspenseful, all-too-human land of the absurd.

The House on Alexandrine Stephen Dobyns, 1990 Set against the violently fragmented matrix of Detroit in 1973, Dobyns' novel is an unlikely fusion of love and violence. The plot centers around the lives of fifteen people and three dogs who live in a Cass Corridor rooming house. When an innocent Ontario farm boy comes to Detroit in search of his runaway sister, he provides a temporary focus for the other residents. They include a bartender, writer, avant-garde composer, and his wife, a former policeman, a female artist whose rent is being paid by two men, and a pair of elderly ex-convicts, one a panhandler, the other a locksmith. Robbery, murder, a stabbing, a poisoning, and a fire serve to bring about a profound emotional transformation among

the characters Against this hostile urban landscape Dobyns weaves his extraordinary human tapestry By the novel's close the housemates unite to form a rich though volatile world
