G. Wells,2016-09-14 This book is a collection of eight short stories written by H G Wells The Short Stories of H G Wells constitutes a must have for lovers of the short story form and is not to be missed by fans of Wells fantastic work Herbert George Wells 1866 1946 was a prolific English writer who wrote in a variety of genres including the novel politics history and social commentary Today he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as The Time Machine 1895 The Invisible Man 1897 and The War of the Worlds 1898 The Father of Science Fiction was also a staunch socialist and his later works are increasingly political and didactic The stories include The Time Machine The Empire of the Ants A Vision of Judgement The Land Ironclads The Beautiful Suit The Door in the Wall The Pearl of Love and The Country of the Blind Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this book now in an affordable modern high quality edition complete with a specially commissioned new biography of the author **Mrs. Golightly and Other Stories** Ethel Wilson,2010-09-21 The eighteen pieces collected in Mrs Golightly and Other Stories bring together the many and subtle voices of Ethel Wilson demonstrating her extraordinary range as a writer From the gentle mockery of the title story to the absurdist reportage of Mr Sleepwalker Wilson exerts unerring narrative control Revealing what is simple and complicated and timeless in everyday life these stories also venture into irrational realms of experience where chance encounters assume a malevolent form and coincidence transmuted into nightmare First published in 1961 Mrs Golightly and Other Stories is a diverse and rewarding collection unified by Ethel Wilson's distinct and engaging wit Underground Spirit: 1983 to 1989 Gémino H. Abad,2010 Because of the ever present danger of arrest and torture during the years of the Marcos dictatorship 1972 to 1986 the writers were driven to other forms or guises of the short story such as fantasy sci fi tale and parable But whatever the form you come away from the story with an image of a lifetime or a moment lived that the story's words have evocatively forged and that image sums up and makes into a whole the story's meaningfulness by which its form has been achieved Back cover *The Works of John Ruskin: Deucalion, and other stories in Rocks and stones* John Ruskin,1906 **The Little Devil and Other Stories** Alexei Remizov,2021-04-13 In a dilapidated and isolated old house

something peculiar seems to happen whenever the town's bestial exterminator visits. On a seemingly bucolic country estate, the head of the household is a living corpse obsessed with other corpses. An adolescent boy who passes his days in private dream worlds experiences a sexual awakening spurred by his family's scandalous tenant. In these and other stories, the modernist writer Alexei Remizov offers a panorama of Russian mythology, the supernatural, rural grotesques, and profound religious faith in fiery revolutionary settings. Alexei Remizov was one of the greatest writers of the Russian symbolist movement of the early twentieth century. In the thirteen stories collected in this volume, his exceptional stylistic achievements are on full display. Equally drawing on rural colloquial speech, the language of Russian fairy tales, and the customs of the Old Believers and Russian Orthodoxy, they transport the reader into a mysterious world in between uncanny folktales and encroaching modernity. *The Little Devil and Other Stories* includes works from across Remizov's career encompassing his thematic preoccupations and stylistic experimentation. Antonina W. Bouis's translation captures Remizov's many registers to offer English language readers a sampling of a remarkable Russian writer.

The Malady and Other Stories Andrzej Sapkowski, 2014-12-16 The New York Times bestselling series that inspired the international hit video game *The Witcher*. A sample of offerings from international fantasy superstar Andrzej Sapkowski and the perfect introduction to his work. Best known for his series of stories and novels about Geralt the Witcher, Sapkowski is one of the most successful fantasy authors in the world. Contains 2 complete *Witcher* short stories taken from *THE LAST WISH*, the first chapter of *Blood of Elves*, the first *Witcher* novel, the first chapter of *Baptism of Fire*, the third full-length book in the series, and a non-*Witcher* short story *The Malady*.

Selected Stories Jose Y. Dalisay (Jr.), 2005 *From Midas to Cyrus and Other Stories* Catherine M. Draycott, Scott Branting, Joseph W. Lehner, Yasemin Özarslan, 2024-01-31 The period of Anatolian history between the death of the semi-legendary king Midas of Gordion ca. 700 BC and the advent of the Achaemenid Persian Empire ca. 550 BC is dominated by certain narratives: the rise of the Mermaid Lydian Kingdom from Gyges to Croesus, the demise of the Urartian Kingdom, and Neo-Hittite type culture and politics, and the invasion of shadowy forces from the Steppe: Cimmerians, Scythians, and Medes. The discoveries of Geoffrey and Françoise Summers's project at the massive walled city on Kerkeneş Dağ have changed the cultural history and texture of Anatolia during this time period, opening up insights into the spread of Phrygian culture and language and inviting further discussion of how the period is framed. This book honors their accomplishments by presenting papers addressing the dynamics and events of that period from various angles and in various regions and places, as well as other interventions on Iron Age Anatolia, from dating of kings to rare and potentially influential medical techniques. The volume sheds light on and also advocates for further synthesis of the regional dynamics affecting the Mediterranean Near East and Anatolia together toward the production of revised, more nuanced narratives.
