

# Sardinia The Island Series

**Michael Brown**

## **Sardinia The Island Series:**

The Rough Guide to Sardinia Robert Andrews, 2004 This guide to Sardinia opens with a 16 page section featuring photography of the island's highlights from the beaches of the southern coast to the evocative prehistoric ruins of the nuraghi The following chapters provide informative accounts of all the sights from the lively capital of Cagliari to the Smerelda coast There are reviews of the best places to eat drink and sleep in every region and practical advice on exploring the island whether by bicycle car boat or on foot Finally there is comprehensive coverage of Sardinia's history culture art and festivals

*The Island on an Island* Francesco Buscemi, 2025-04-01 What was a holiday in the Costa Smeralda of the 1960s or 1990s really like Can we recreate reimagine or re experience that feeling in a world of rapid change The Island on an Island A Cultural History of Costa Smeralda examines how northeastern Sardinia one of the most stunning areas in the world became an artificial paradise constantly adapting to present tourists with the latest version of paradise they desire By viewing tourism not merely as a break from daily life but as an ever evolving current at the heart of culture and society this book explores how Costa Smeralda has never remained fixed The media system has played a pivotal role in this process since the 1990s media itself has become the very substance of what is communicated perfectly illustrating Jean Baudrillard's insight that the media produce maps of reality that overlap the real territory to the point where people no longer perceive actual reality but only its mediated forms Over time numerous layers both literal and figurative have obscured the original land that peasants and shepherds once sold cheaply to wealthy entrepreneurs In tandem media and tourism have consistently created an ideal environment for those in power Now that this trend is slowing no one knows which new paradise will emerge in Costa Smeralda It is clear however that emerging forms of cultural experiential and sustainable tourism share little in common with today's Costa Smeralda suggesting that its current model is in need of rethinking

**In Sardinia** Jeff Biggers, 2023-05-23 Mr Biggers is an enthusiastic and erudite guide Seeking out the past in local lore and in Sardinia's long and overlooked literary tradition he returns the island to the center of our imaginative map of the Mediterranean The Wall Street Journal At last a grand companion to the mysterious and enchanting island of Sardinia Written with verve and love In Sardinia is the book I'll be taking on future trips Frances Mayes New York Times bestselling author of *Under the Tuscan Sun* Award winning historian Jeff Biggers opens a new window into the hidden treasures of Sardinia in a groundbreaking travel narrative that crisscrosses one of the most enigmatic places in Italy After three decades of living and traveling in Italy Jeff Biggers finally crossed over to Sardinia uncovering a treasury of stories amid major archaeological discoveries rewriting the history of the Mediterranean Based in the bewitching port of Alghero guided through the island's rich and largely untranslated literature he embarked on a rare journey around the island to experience its famed cuisine wine traditional rituals and thriving cultural movements Sardinia is something else Enchanting spaces and distances to travel D H Lawrence wrote in 1921 On the 100th anniversary of Lawrence's visit Biggers opens a new window into the history of the island

chronicling how new archaeological findings have placed the island as one of the cradles of the Bronze Age From the Neolithic array of Stonehenge like dolmens and menhir stone formations to the thousands of Bronze Age nuraghe towers and burial tombs the vastness of the uninterrupted cycles of civilizations and their architectural marvels have turned Sardinia into the Mediterranean's open museum Beyond its fabled beaches reconsidering how its unique history and ways have shaped Italy and Europe today Biggers explores how travelers must first understand Sardinia and its ancient and modern history to truly understand the rest of Italy In the tradition of Mark Kurlansky's *Basque History of the World* Peter Hessler's *Oracle Bones* A Journey Through in China and Frances Mayes and Tim Parks narratives on Italy In Sardinia is a major new addition to travel writing and literature in Italy *Comprising the continental states and island of Sardinia, Lombardy, and Venice* John Murray (Firm), 1856 Diplomatic and Consular Reports. Annual Series Great Britain. Foreign Office, 1903

**Archaic and Classical Greek Sicily** Franco De Angelis, 2016-02-02 Ancient Greek migrants in Sicily produced societies and economies that both paralleled and differed from their homeland Explanations for these similarities and differences have been hotly debated On the one hand some scholars have viewed the ancient Greeks as one in a long line of migrants who were shaped by Sicily and its inhabitants On the other hand other scholars have argued that the Greeks acted as the main source of innovation and achievement in the culture of ancient Sicily a culture that was still removed from that of mainland Greece Neither of these positions is completely satisfactory What is lacking in this debate is a basic framework for understanding ancient Sicily's social and economic history *Archaic and Classical Greek Sicily* represents the first ever systematic and comprehensive attempt to synthesize the historical and archaeological evidence and to deploy it to test the various historical models proposed over the past two centuries It adopts an interdisciplinary approach that combines classical and prehistoric studies texts and material culture and a variety of methods and theories to put the history of Greek Sicily on a completely new footing While Sicily and Greece had conjoined histories from the start their relationship was not one of periphery and center or of colony and state in any sense but of an interdependent and mutually enriching diaspora At the same time local conditions and peoples including Phoenician migrants also shaped the evolution of Sicilian Greek societies and economies This book reveals and explains the similarities and differences between developments in Greek Sicily and the mainland and brings greater clarity to the parts played by locals and immigrants in ancient Sicily's impressive achievements Evolution of Island Mammals Alexandra van der Geer, George Lyras, John de Vos, 2021-04-27 *EVOLUTION OF ISLAND MAMMALS* Evolution on islands differs in a number of important ways from evolution on mainland areas Over millions of years of isolation exceptional and sometimes bizarre mammals evolved on islands such as pig sized elephants and hippos giant rats and gorilla sized lemurs that would have been formidable to their mainland ancestors *Evolution of Island Mammals* Second Edition provides an updated and expanded overview of the current knowledge on fossil island mammals worldwide ranging from the Oligocene to the onset of the Holocene The book addresses evolutionary processes and key

aspects of insular mammal biology exemplified by a variety of fossil species Readers familiar with the first edition will find here a host of updated and enhanced material including An entirely new chapter on the island rule Updated and expanded theoretical chapters Updated and improved taxonomic information Extensive coverage of new discoveries Body masses or body size indices for most extinct island mammals New figures visualizing the richness of the fossil record This accessible and richly illustrated textbook is written for graduate level students and professional researchers in evolutionary biology palaeontology biogeography zoology and ecology

*The Rough Guide to Sardinia (Travel Guide eBook)* Rough Guides,2016-06-01 The full colour The Rough Guide to Sardinia is the ultimate travel guide to one of the Mediterranean s most intriguing islands Unlock the secrets of Sardinia with fabulous photography colour coded maps and up to date listings all fully revised for this sixth edition by our Sardinia expert The Rough Guide to Sardinia is full of practical advice on what to see and do from galleries and archeological sites to mountain hikes and beaches as well as descriptions of the best hotels bars and restaurants for all budgets The island s flamboyant festivals and rich history are covered as are lesser known aspects such as its industrial heritage literature handicrafts and culinary traditions Trekking and riding itineraries watersports and biking routes feature too while Top 5 boxes pick out the highlights you won t want to miss Make the most of your trip with The Rough Guide to Sardinia

**A Companion to Sardinian History, 500-1500** ,2017-08-28 The first English language survey of medieval and modern Sardinia this volume offers access to long awaited European scholarship on a critical missing link in the Mediterranean Based on new archaeological fieldwork and current research from a variety of academic perspectives architecture colonialism ecclesiastic history cartography demography law musicology politics trade and urban planning the authors provide the foundation to incorporate Sardinia into a broader European history Among other contributions archaeology adds critical insight into the relationship between Christian Muslim and Jewish inhabitants of Sardinia through examinations of urban and rural settlement patterns This volume aims to stimulate further analysis of the critical role Sardinia has played as one of the largest and most strategically located islands in the Mediterranean Contributors are Laura Bicchone Nathalie Bouloux Henri Bresc Marco Cadinu Roberto Coroneo Laura Galoppini Henrike Haug Michelle Hobart Rossana Martorelli Giampaolo Mele Marco Milanese Giovanni Murgia Gian Giacomo Ortu Daniela Rovina Olivetta Schena Cecilia Tasca Raimondo Turtas and Corrado Zedda

**Archaeology and History in Sardinia from the Stone Age to the Middle Ages** Stephen L. Dyson, Robert J. Rowland, Jr., 2007 With one of the richest archaeological records and most complicated histories in the Mediterranean Sardinia provides an important laboratory for studying the interaction of indigenous societies and outside forces in a partly isolated geographical context Stephen L Dyson and Robert J Rowland Jr use both material culture and written documents to reconstruct the social and economic processes of an island society that showed both cultural creativity and continuity but responded to invasions from the Phoenicians through the Romans to the Aragonese This first accessible reconstruction of island archaeology provides a balanced picture of the sweep of Sardinian history

**Winston's Cumulative Loose-leaf Encyclopedia** Charles Morris, 1923 *Sardinia on Screen* Maria Bonaria Urban, 2013-11-01 This volume explores how Sardinians and Sardinia have been portrayed in Italian cinema from the beginning of the 20th century until now starting from the examination of Sardinian tropes in a wide range of texts travel writing fictional sources essays and academic works The purpose is to shed light on the cultural construction of the Sardinian character and to reveal the ideology that is behind this process Hence the volume challenges topics such as the dynamics between verbal and visual imagery and the intertwining between discourse images and audience It addresses the following questions how was the Sardinian character translated from texts into films Which strategies were developed to define Sardinian images on screen For whom were these images intended Which ideology lies behind the images Focusing on cultural images within film and literature this volume is of interest to those working in imagology comparative cultural and Italian studies

*Information and the Government of the Composite Polities of the Renaissance World (c. 1350-1650)* Alessandro Silvestri, 2025-05-16 This book examines the role of information as a crucial means for governance and negotiation through which Renaissance rulers and governments managed the composite polities under their control The Renaissance world was characterized by the presence of numerous composite polities and political unions consisting of distinct territories governed by a single ruler or government These entities varied in scale ranging from medium sized polities including cities and lordships to thalassocracies encompassing distant and sometimes lands separated by sea and vast global empires comprising multiple territories and diverse populations The chapters in this book explore how information enabled authorities to monitor events within their dominions and colonies shape policies and decision making processes and interact and negotiate with local political societies The diverse examples presented in this volume illustrate how information communication and archival strategies varied across regions adapting to the constitutional structure of each polity and their geographical scope This volume is essential reading for students researchers and academics interested in political history information studies historical governance and European studies The chapters in this book were originally published as a special issue of *European Review of History*
