Author and Title Index** ,1975 **History of the Muslims of Regina, Saskatchewan, and Their Organizations** Naiyer Habib,Mahlaqa Naushaba Habib,2015-01-23 Canada is home to immigrants from many cultures Unlike times past when newcomers from a foreign country seemed to want to blend in with their new culture as soon as possible more recent immigrants want to become a part of their new home but retain some of the elements of their native cultures This is a task that is often easier to talk about than to accomplish History of the Muslims of Regina Saskatchewan and Their Organizations Islamic Association CCMW and MPJ represents the struggle and success of authors and editors Naiyer Habib and Mahlaqa Naushaba Habib When they immigrated to Canada in 1973 they wanted to preserve their culture and religion for themselves as well as for future Muslim generations The Culture in their new home was much different than theirs It was the time when literature on Islam or Islamic culture was hard to find in English so it was difficult for their new neighbors to learn about them Through Islamic organizations begun by the Habibs and others in the Muslim community whose stories are shared in this book they introduced Islam and Muslims to Regina while still holding on to their culture but integrating with society at large History of the Muslims of Regina Saskatchewan and Their Organizations Islamic Association CCMW and MPJ demonstrate it is not always easy to incorporate a familiar culture in a new home But with hard work and willingness of all cultures involved to learn from each other it can be done successfully **A Bibliography of Canadian Folklore in English** Edith Fowke,Carole Henderson-Carpenter,1982-12-15 This book is the only comprehensive bibliography of Canadian folklore in English The 3877 different items are arranged by genres folktales folk music and dance folk speech and naming superstitions popular beliefs folk medicine and the supernatural folk life and customs folk art and material culture and within genres by ethnic groups Anglophone and Celtic Francophone Indian and Inuit and other cultural groups The items include reference books periodicals articles records films biographies of scholars and informants and graduate theses Each items is annotated through a coding that indicates whether it is academic or popular its importance to the scholar and whether it is suitable for young people The introduction includes a brief survey of Canadian folklore studies putting this work into academic and social perspective The book covers all the important items and most minor items dealing with Canadian folklore published in English up to the end of 1979 It is concerned with legitimate Canadian folklore whether transplanted from other countries and preserved here or created here to reflect the culture of this country It distinguishes between
