Sat Chit Anand Bhagwan Shree Rajneesh, Osho, 1989-01-01 *Joy* Osho, 2010-04-01 One of the twentieth century's greatest spiritual teachers inspires us to experience and appreciate both the elation and sadness of Joy The Happiness That Comes from Within With an artful mix of compassion and humor Osho shows us that joy is the essence of life that even unhappiness has its root in joy He encourages us to accept joy by being grateful to be alive and for the challenges and opportunities in life and by finding the good in all that we have rather than setting conditions or demands for happiness By embracing joy one comes closer to a true peaceful and balanced state Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world *India My Love* Osho, 2002-01-23 India is not just a geography or history It is not only a nation a country a mere piece of land It is something more it is a metaphor poetry something invisible but very tangible It is vibrating with certain energy fields that no other country can claim For almost ten thousand years thousands of people have reached to the ultimate explosion of consciousness Their vibration is still alive their impact is in the very air you just need a certain perceptivity a certain capacity to receive the invisible that surrounds this strange land It is strange because it has renounced everything for a single search the search for the truth In these pages we are treated to a spellbinding vision of what Osho calls the real India the India that has given birth to enlightened mystics and master musicians to the inspired poetry of the Upanishads and the breathtaking architecture of the Taj Mahal We travel through the landscape of India's golden past with Alexander the Great and meet the strange people he met along the way We are given a front row seat in the proceedings of the legendary court of the Moghul Emperor Akbar and an insider's view of the assemblies of Gautama the Buddha and his disciples In the process we discover just what it is about India that has made it a magnet for seekers for centuries and the importance of India's unique contribution to our human search for truth *How to Live Life* AiR - Atman in Ravi, Every morning we wake up to a new day we do not have a choice But How to Live Life is a choice We can be glad or we can be sad We can live with peace or we can let our happiness cease Our Life is in our hands We can make it or break it Unfortunately most of us live meaningless lives without realizing the purpose of life The purpose of life is to discover the purpose of life But we zoom from womb to tomb spending time on things that don't matter Therefore we suffer and are miserable So how must we live Life What should we do What is Life all about This book explains the purpose of life and chapter by chapter guides you on How to Live Life Embark on a new journey with How to Live Life Learn to celebrate every moment with cheer and without misery and strife
