Change what God says to an opinion of what God means He used this strategy on Eve and every dupable person since then Once a person learns to do this he can peacefully co exist with truth and error Church members taught things inconsistent with the words of God for many years are not easily persuaded they are opposing God This is the problem Jesus faced when he tried to correct the theology of the Jewish leaders What Jesus told the Jewish leaders was not new it had always been in their Scriptures The contents of this book are not new they have always been in the Bible Opinion tradition and political correctness have neutered the church and made it impotent This book is an attempt to reveal Satan his tactics and the people who work for him This information may keep you from being his next meal because as Peter said he is walking about looking for someone to devour *Ready to Be Healed* William Berning,2008-09-17 From opening the readers eyes to the deceitfulness of blind faith to untying the Gordian knot known as the battle of the sexes the first half of this highly readable and spiritually encouraging book tackles head on a series of false teachings being unwittingly propagated by many churches as biblical Christian beliefs Then the second half of the book explores the Way of Freedom for the Christian as God has intended it It shows how disregard for true biblical teaching on spiritual laws leaves the genuine Christian bent down and enslaved to spiritual forces of curses castration and eternal condemnation all of which await those who try to impress God through their own righteousness Every chapter brings Gods Word rightly divided and rightly applied against common church teachings that have brought misery and pain into the Christian experience And every chapter brings the soothing cleansing balm of Gods Truth to every weary and heavy laden believer restoration for the soul of every genuine Christian who is Ready To Be Healed **Satan Says** Sharon Olds,1998 What the Kingdom Is to the Believers Witness Lee,2005-07 A careful reading of the New Testament from the first book to the last will reveal not even a single verse that says that the goal of the gospel is for people to go to heaven Rather almost every book in the New Testament speaks of the kingdom of God and says clearly that the central goal of the gospel is the kingdom of God God s intention with the gospel is not to save people into heaven but to save them into the kingdom that is into the kingdom of the heavens The gospel is not a matter of a heavenly mansion but a matter of the kingdom *Young Elites in the Angels Realm* Gabriel Babatunde,2010-05-12 This book is fantasy fiction its a book about Gods angels and demons its a book that will tell you a story and also inspire you to do better and it will give you information on why the world is the way it is **Understanding Your Potential** Myles Munroe,2011-07-28 Understanding Your Potential is a motivating provocative look at the awesome potential trapped within you waiting to be realized This book will cause you to be uncomfortable with your present state of accomplishment and dissatisfied with resting on your past success It will turn your failure into motivation and mediocrity into excellence The Balanced Life Edwina Patterson, Busyness affects people of all ages race and at every socioeconomic level Trying to juggle our agendas we race from one appointment to another We are busy We have children to raise meals to prepare and bills to pay From the moment the alarm clock sounds each morning until we collapse in bed at night our minds race with schedules

and expectations Many of our conversations today center around busyness We seem to judge each other by how much we can accomplish in a day's time If you're tired, on edge and overwhelmed If you frantically try to balance marriage, children and a career If you believe your feelings of busyness are normal and you valiantly persevere in your hectic lifestyle without pausing to distinguish between priorities and distractions then Edwina Patterson's book bible study is for you You'll laugh and cry with Edwina Patterson as she becomes completely open and vulnerable while sharing from her heart Drawing from lessons she's learned and mistakes she's made Edwina challenges, encourages and equips you to begin today to bring balance into your life

The Cross of Fire Barry N. Malzberg, 2012-08-06 In the far future it has become possible in advanced psychotherapy for a man to be given dreams as vivid as reality in which he may play any part he chooses If that man were inclined to see his life as a struggle between good and evil and if he were blessed with a profound sense of the black humour inherent in his situation he might choose to play the part of Jesus called the Christ If he were inclined to write a book it might be this one
